This Downtown Development Reimbursement Agreement (the “**Agreement**”) is entered into by and between the City of Corpus Christi, Texas (the “**City**”), as the agent of the Corpus Christi Tax Increment Reinvestment Zone #3 (“**TIRZ #3**”), and Nueces County (the “**Developer**”).

Recitals

WHEREAS on December 16, 2008, the City Council of the City (the “**City Council**”) approved Ordinance 027996, which established the TIRZ #3 in accordance with Texas Tax Code Chapter 311. TIRZ #3 promotes economic development and stimulates business and commercial activity in its downtown Corpus Christi area (the “**Zone**”);

WHEREAS on August 25, 2015, the City Council approved a Project and Financing Plan (the “**Plan**”) for TIRZ #3;

WHEREAS the Board of Directors of TIRZ #3 (the “**Board**”) includes members of the City Council in a non-public-official capacity, as well as a representative from each Nueces County and Del Mar College, who have committed to contribute to TIRZ #3 through Interlocal Agreements created in 2009 and amended in 2012 and 2016;

WHEREAS the Corpus Christi Downtown Management District (“**DMD**”) assists the City with administration of TIRZ #3, recommends projects and recommends a DMD representative to be appointed to the Board through an Interlocal Agreement;

WHEREAS on November 10, 2015, the City Council approved Ordinance 030680, which amended Ordinance 027996 and authorized the Board to approve agreements in this form, to be entered into by the City, as the Board considers necessary or convenient to implement the Plan and achieve its purpose;

WHEREAS the Plan contained certain programs designed to improve conditions and increase commerce within the Zone;

WHEREAS the Developer has proposed a development plan (the “**Development**”) for the certain improvements listed on attached **Exhibit A** (each, an “**Improvement**” and, collectively, the “**Improvements**”). The Improvements are planned to be constructed on the property located at 1100 N. Mesquite St., with such property being more fully described on attached **Exhibit B** (the “**Property**”). The Property is located within the Zone, and the Improvements fall within one of the programs approved in the Plan;

WHEREAS the Development concept has been refined through cooperation between the Developer, the City and the DMD to meet the desired goals of revitalization within the Zone and serve a public benefit;

WHEREAS any reference to “City” or “City Staff,” is entirely in agency capacity for TIRZ #3, and further the City as a home-rule municipal corporation is not a party to this agreement; and

WHEREAS the Developer desires to be reimbursed for certain future costs incurred pursuant to the Development, and TIRZ #3 desires to reimburse the Developer for these costs in accordance with this Agreement;

Agreement

Now therefore, in consideration of the mutual covenants and obligations, the parties agree as follows:

Section 1. Reimbursement Obligations.

The City shall reimburse the Developer from available TIRZ #3 funds in an amount up to the estimated project cost listed next to each Improvement in attached **Exhibit C** (the **“Estimated Project Costs”**), except that (i) the total amount of all such reimbursements for the Development may not, regardless of any increase actual costs, exceed \$2,000,000.00 and (ii) if the Developer actually incurs a cost for the Improvements less than that Improvements’ Estimated Project Cost, the City shall reimburse the Developer for only the amount of the cost that the Developer actually incurred for the Improvements, not to exceed amount in (i).

Based on qualifications of the Development, the Program reimbursement structure is as follows:

☒ TIRZ Member Agency Reimbursement Program: **not to exceed \$2,000,000**

- (1) 100% of Approved Expenses, up to \$2,000,000
- (2) Demolition must be completed before reimbursement
- (3) Reimbursement payments shall be in three equal, annual payments after completion of demolition, with the first payment in FY 2026-27, the second payment in FY 2027-28, and the final payment in FY 2028-29

Section 2. Conditions for Reimbursement.

The City shall reimburse Developer in accordance with Section 1 only if the following conditions are fulfilled:

- (a) The Developer constructs all of the Improvements on the Property on or before **July 1, 2027** (the **“Completion Date”**) in accordance with **Exhibit A** and the City’s building codes and policies. Any extensions of this deadline must be requested by Developer in writing and approved by the Board.
- (b) The completed Improvements must include all elements (including but not limited to: all design, structural, architectural, lighting, landscaping, etc.) which are shown or referenced in the Development Plan attached hereto as Exhibit A. Any amendments to the Development Plan must be submitted in writing and be approved by all parties to this Agreement.
- (c) Within 60 days Completion Date or completion of the Development Plan, the Developer submits a Request for Reimbursement for actual Project Costs, in the form contained in **Exhibit D**, including:
 - (i.) specific improvements completed under the Project and the amount of money that Developer paid for completion of such work and that Developer claims as actual Project Costs;
 - (ii.) supporting documents demonstrating that such amounts were actually paid by Developer, including but not limited to invoices, receipts and final lien waivers signed by the general contractor;

- (d) Appropriate City Staff has inspected the Improvements and certifies that the Improvements are complete, acceptable, and comport to the terms of this Agreement.
- (e) Request for Reimbursement form is reviewed and approved by the appropriate City staff.
- (f) There will not be any reimbursement under this Agreement paid to the Developer after the expiration of the TIRZ.

Section 3. Audit

Developer will also make available for inspection by designated City Staff all financial and business records of Developer that relate to the Project, in order to assist City Staff in verifying the Developer's compliance with the terms and conditions of this Agreement. City staff or agents of the City are authorized to contact Developer's contractors, employees, and agents to review any records related to the Project. TIRZ #3 shall have the right to have these records audited.

Section 4. Termination.

Section 5 of this Agreement will survive beyond the expiration or earlier termination of this Agreement. If the Developer has not fully complied with Section 2 Conditions for Reimbursement by the Completion Date, this Agreement shall terminate immediately, unless mutually agreed to in writing in accordance with Section 148. This Agreement will also terminate automatically upon expiration or earlier termination of the TIRZ #3.

Three citations from the City's Code Enforcement Division for property maintenance violations and/or one Code Enforcement citation that results in the City abating the property will initiate a review process by the TIRZ #3 Board, at which time the Board may elect to terminate the Agreement.

Section 5. Warranties.

Developer warrants and represents to City the following:

- (a) Developer has the authority to enter into and perform, and will perform, the terms of this Agreement.
- (b) If an audit determines that the request for funds was defective under the law or the terms of this agreement, Developer agrees to reimburse the City for the sums of money not authorized by law or this Agreement within 30 days of written notice from the City requesting reimbursement.
- (c) The parties executing this Agreement on behalf of Developer are duly authorized to execute this Agreement on behalf of Developer.
- (d) Developer does not and agrees that it will not knowingly employ an undocumented worker. If, after receiving payments under this Agreement, Developer is convicted of a violation under 8 U.S.C. Section 1324a(f), Developer shall repay the payments at the rate and according to the terms as specified by City Ordinance, as amended, not later than the 120th day after the date Developer has been notified of the violation.

Section 6. Force Majeure.

If the City or Developer are prevented, wholly or in part, from fulfilling its obligations under this Agreement by reason of any act of God, unavoidable accident, acts of enemies, fires, floods, governmental restraint or regulation, other causes of force majeure, or by reason of circumstances beyond its control, then the obligations of the City or Developer are temporarily suspended during continuation of the force

majeure. If either party's obligation is affected by any of the causes of force majeure, the party affected shall promptly notify the other party in writing, giving full particulars of the force majeure as soon as possible after the occurrence of the cause or causes relied upon.

Section 7. Assignment.

Developer may not assign all or any part of its rights, privileges, or duties under this Agreement without the prior written approval of the Board. Any attempted assignment without such approval is void, and constitutes a breach of this Agreement. Assignment can only be requested for multi-year reimbursements, after completion of obligations by Developer.

Section 8. Events of Default.

The following events constitute a default of this Agreement:

- (a) Failure of Developer to timely, fully, and completely comply with any one or more of the requirements, obligations, duties, terms, conditions, or warranties of this Agreement.
- (b) TIRZ #3, the Board or City Staff determines that any representation or warranty on behalf of Developer contained in this Agreement or in any financial statement, certificate, report, or opinion submitted to the TIRZ #3 in connection with this Agreement was incorrect or misleading in any material respect when made.
- (c) Developer makes an assignment of this Agreement.
- (d) Developer files a petition in bankruptcy or is adjudicated insolvent or bankrupt.

Section 9. Notice of Default.

Should the City determine that Developer is in default according to the terms of this Agreement, the City shall notify Developer in writing of the event of default and provide 60 days from the date of the notice ("Cure Period") for Developer to cure the event of default.

Section 10. Results of Uncured Default.

After exhausting good faith attempts to address any default during the Cure Period, and taking into account any extenuating circumstances that might have occurred through no fault of Developer, as determined by the City, the following actions must be taken for any default that remains uncured after the Cure Period.

- (a) The City and TIRZ #3 shall have no further obligations to Developer under this Agreement.
- (b) Neither the City nor the TIRZ #3 may be held liable for any consequential damages.
- (c) The City may pursue all remedies available under law.

Section 11. No Waiver.

- (a) No waiver of any covenant or condition, or the breach of any covenant or condition of this Agreement, constitutes a waiver of any subsequent breach of the covenant or condition of the Agreement.
- (b) No waiver of any covenant or condition, or the breach of any covenant or condition of this Agreement, justifies or authorizes the nonobservance on any other occasion of the covenant or condition or any other covenant or condition of this Agreement.
- (c) Any waiver or indulgence of Developer's default may not be considered an estoppel against the City or TIRZ #3.

- (d) It is expressly understood that if at any time Developer is in default in any of its conditions or covenants of this Agreement, the failure on the part of the City to promptly avail itself of the rights and remedies that the City may have, will not be considered a waiver on the part of the City, but City may at any time avail itself of the rights or remedies or elect to terminate this Agreement on account of the default.

Section 12. Available Funds.

Developer specifically agrees that City and the TIRZ #3 shall only be liable to Developer for the actual amount of the money due Developer under this Agreement from TIRZ #3 funds, and shall not be liable to Developer for any actual or consequential damages, direct or indirect, interest, attorney fees, or cost of court for any act of default by City or the TIRZ #3 under the terms of this Agreement. Payment by City is strictly limited to the total amount of increment funds for TIRZ #3. City shall use its best efforts to anticipate economic conditions and to budget accordingly. However, it is further understood and agreed that, should the actual tax increment funds be less than the total amount paid to all contracting parties at the time, then in that event, all contracting parties shall receive only their pro rata share of the available increment funds for that year, as compared to each contracting parties' grant amount for that year, and City and the TIRZ #3 shall not be liable to for any deficiency at that time or at any time in the future. In this event, City will provide all supporting documentation, as requested. Reimbursements paid to Developer shall require a written request from Developer accompanied by all necessary supporting documentation, as outlined in Section 3.
