## PROJECT SCOPE

# FIRE STATION #11 (DESIGN)

- Design of a new state-of-the-art single-story Fire Station #11 located at 713 Airline Rd. The new station will be approximately 13,000 square feet and will include three apparatus bays. The new facility will replace the antiquated 65-year-old Fire Station #11 located adjacent to the new site.
- Design scope includes 8 to 10 bedrooms, bathrooms with showers and lockers, captains' office, dayroom, commercial kitchen, hazmat decontamination area, EMS supply room, exercise room, built-in fire training features, backup natural gas power generator, study room, laundry room, fencing, and parking lot with minimal landscaping.

# EXISTING CONDITIONS

Driveway and apparatus bays

# EXISTING CONDITIONS
