NA- this is the only one I am applying for

Why are you interested in serving on a City board, commission or committee?

Animals have always been near and dear to me. I have been active in rescue of some kind since 2016 when I trapped my first cats in rural Idaho. Since moving to Corpus Christi in 2018, my involvement in rescue grew; first on the TAMUCC campus and subsequently in the City of Corpus Christi itself. As a political scientist, I know quite well the power of government partnerships with the community. Recognizing that we can always strive to do better for both ourselves and our animal friends, I want to be part of the solution and help make my adopted home a better place.

Why are you interested in serving on a City board, commission or committee?

I am interested in serving for Animal Care Advisory Committee because I have a passion for animals. I have five cats of my own, I have fostered in the past for both adult cats and kittens, I donate to the local non profit organizations and I feed/provide shelters for the cats in my apartment complex/work area. I am in several Corpus Christi pet groups on Facebook and see how many animals are out on the streets and I believe it is time our city does something about it.
