Education, Professional and/or Community Activity (Present)

Earned a Doctor of Education (Ed.D.) at Teachers College, Columbia University, New York City, NY Inducted to Kappa Delta Phi, an international professional organization for educators, while at Columbia University, New York City, NY

Why are you interested in serving on a City board, commission or committee?

I'm interested in serving on the North Beach TIRZ Board, so that I can help connect the residents, property owners and businesses of North Beach with our elected officials and with the members of the TIRZ Board who make decisions about our neighborhood. As the current President of North Beach Community Association (NBCA), I have my finger on the pulse of the community. In this volunteer capacity, I have had the opportunity to work with many residents and business owners to improve our neighborhood. As President of NBCA, I am an elected spokesperson for this community. I have been a property owner on North Beach for over 10 years and have recently built a substantial single family dwelling on my waterfront property next to Surfside Park. My decision to homestead my new home and adjacent pool house represents my commitment to remain as an integral part of this community. I have been actively involved in the revitalization of North Beach and plan to continue providing the leadership necessary for future development.
