**Award of Contract for Professional Services:
Cefe Valenzuela Landfill – Landfill Pavement/Roadway Life Cycle Replacement**

CAPTION:

Motion authorizing the City Manager, or designee, to execute a Contract for Professional Services with Kleinfelder Central Inc., of Corpus Christi, Texas in the amount of \$290,029.00 for the Cefe Valenzuela Landfill – Landfill Pavement/Roadway Life Cycle Replacement.

PURPOSE:

The purpose of this Agenda Item is to authorize the proposed consultant to provide a study and then design for the reconstruction of the Cefe Valenzuela landfill access road.

BACKGROUND AND FINDINGS:

Internal roadways located at J.C. Elliott and Cefe Valenzuela Landfills require periodic replacement due to the life cycle of the pavement and deterioration caused by heavy truck traffic. Roadways at J.C. Elliott landfill are currently under construction for improvements. Cefe Valenzuela Landfill internal roadways have experience pre-mature failures and require reconstruction. Addition repairs are required at County Road 20 which provides access to the Landfill entrance. This roadway has deteriorated, and will require reconstruction. Analysis of internal roadway alignment and development of the secondary landfill entrance needs to be evaluated in terms of continued landfill operation during roadway reconstruction.

Kleinfelder Central Inc. of Corpus Christi, Texas was selected for this project as a result of Request for Qualification (RFQ) No. 2011-05 Professional Services for Department of Engineering Services Projects, dated November 14, 2011.
