V. AVAILABILITY OF FUNDS; AFFIRMATIONS, ASSURANCES, AND CERTIFICATIONS

5.01 STATE FUNDING

- (a) This Contract shall not be construed as creating any debt on behalf of the State of Texas and/or the GLO in violation of Article III, Section 49, of the Texas Constitution. In compliance with Article VIII, Section 6 of the Texas Constitution, all obligations of the GLO hereunder are subject to the availability of state funds. If such funds are not appropriated or become unavailable, this Contract may be terminated and the Parties discharged from further obligations, subject to the equitable settlement of their respective interests, accrued up to the date of termination.
- (b) Any claim by QPP for damages under this Contract may not exceed the amount due and owing QPP or the amount of funds appropriated for payment, but not yet paid to QPP, under the annual budget in effect at the time of the breach. Nothing in this provision shall be construed as a waiver of sovereign immunity.

5.02 GENERAL AFFIRMATIONS

To the extent they apply, QPP certifies it has reviewed Attachment B, General Affirmations, and that QPP is in compliance with all the requirements contained therein.

5.03 RECAPTURE OF FUNDS

The GLO may terminate the Contract and recapture and be reimbursed by QPP for any payments the GLO makes that: (i) exceed maximum allowable rates; (ii) are not allowed under applicable laws, rules, or regulations; or (iii) are otherwise inconsistent with this Contract, including any unapproved expenditures.

5.04 OVERPAYMENT

QPP shall be liable to the GLO for any costs disallowed pursuant to financial or compliance audit(s) of funds QPP received under this Contract. QPP shall reimburse such disallowed costs from funds other than those QPP receives pursuant to this Contract.

VI. RECORDS, INSPECTION AND AUDIT, RETENTION, PUBLIC INFORMATION AND CONFIDENTIALITY

6.01 BOOKS AND RECORDS

QPP shall keep and maintain full, true, and complete records in accordance with GAAP or GASB, whichever is applicable, as necessary to fully disclose to the GLO, the Texas State Auditor's Office, the United States Government, and/or their authorized representatives sufficient information to determine compliance with the terms and conditions of this Contract, other applicable agreements, and all state and federal rules, regulations, and statutes.

6.02 INSPECTION AND AUDIT

- (a) All records related to this Contract, including records of QPP and its Subcontractors, shall be subject to the Administrative and Audit Regulations.
- (b) The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a

subcontract under the Contract. Acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. QPP shall ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through QPP and the requirement to cooperate is included in any subcontract it awards.

- (c) State agencies authorized to audit and inspect QPP, its records, subcontractors, and subcontractors' records include the GLO, the GLO's contracted examiners, the State Auditor's Office, the Texas Attorney General's Office, the Texas Comptroller of Public Accounts, and their authorized designees.

Each Party shall retain in its records this Contract and all documents related to this Contract. Unless a longer retention period is specified by applicable law or regulation, the Parties may destroy the Contract and related documents only after the seventh anniversary of the date: the Contract is completed or expires; or all issues that arise from any litigation, claim, negotiation, audit, open records request, administrative review, or other action involving the Contract or related documents are resolved.

6.04 CONFIDENTIALITY

To the extent permitted by law, QPP and the GLO shall keep all information, in whatever form produced, prepared, observed, or received by QPP or the GLO, confidential to the extent that such information is: (a) confidential by law; (b) marked or designated "confidential" (or words to that effect) by QPP or the GLO; or (c) information that QPP or the GLO is otherwise required to keep confidential by this Contract. QPP must not make any communications or announcements relating to this Contract through press releases, social media, or other public relations efforts without the prior written consent of the GLO.

6.05 PUBLIC RECORDS

The GLO shall post this Contract to the GLO's website. QPP understands that the GLO will comply with the Texas Public Information Act (Texas Government Code Chapter 552, the "PIA"), as interpreted by judicial rulings and opinions of the Attorney General of the State of Texas (the "Attorney General"). Information, documentation, and other material in connection with this Contract may be subject to public disclosure pursuant to the PIA. In accordance with Section 2252.907 of the Texas Government Code, QPP is required to make any information created or exchanged with the GLO or the State of Texas pursuant to the Contract, and not otherwise excepted from disclosure under the PIA, available to the GLO in portable document file (".pdf") format or any other format agreed upon between the Parties that is accessible by the public at no additional charge to the GLO or the State of Texas. By failing to mark any information that QPP believes to be excepted from disclosure as "confidential" or a "trade secret," QPP waives any and all claims it may make against the GLO for releasing such information without prior notice to Qualified Project Partner. The Attorney General will ultimately determine whether any

information may be withheld from release under the PIA. QPP shall notify the GLO's Office of General Counsel within twenty-four (24) hours of receipt of any third-party written requests for information and forward a copy of said written requests to PIALegal@glo.texas.gov. If a request for information was not written, QPP shall forward the third party's contact information to the above-designated e-mail address.

VII. INTELLECTUAL PROPERTY

7.01 OWNERSHIP AND USE

The GLO and QPP shall jointly own, without limitation, all right, title, and interest in and to all reports, drafts of reports, data, drawings, computer programs and codes, and/or any other information or materials acquired or developed under this Contract with each Party having an unlimited right to access and use, and authorize or license third parties to access and use, all such information and materials without the necessity of obtaining authorization from the other Party and without expense, charge, or accounting to the other Party.

7.02 INTELLECTUAL PROPERTY

- (a) The GLO and QPP shall retain, both during and after the term of this Contract, exclusive ownership of all rights, title, and interest in and to, their respective pre-existing Intellectual Property as of the effective date of this Contract. This Contract will not be interpreted or deemed as causing the parties to become joint owners of any such pre-existing Intellectual Property.
- (b) The GLO and the State of Texas each has the right to use, reproduce, publish, publicly display, distribute and create derivative or new works and otherwise use, exploit, or authorize others to use or exploit for government purposes all reports, drafts of reports, data, drawings, computer programs, codes and any other work associated with this Contract, and exercise any intellectual property rights, without obtaining authorization from the other Party and without expense, charge, or accounting to the other Party.
- (c) The QPP may obtain intellectual property rights for any work that is subject to intellectual property rights and was developed, or for which ownership was purchased, under this Contract, only if the GLO and the State of Texas each are granted a worldwide, royalty free, non-exclusive, fully paid-up, and irrevocable license to reproduce, publish, publicly display, distribute and create derivative or new works and otherwise use, exploit, or authorize others to use or exploit for government purposes all reports, drafts of reports, data, drawings, computer programs, codes and or any other work associated with this Contract.
- (d) QPP must give the GLO and the State of Texas, as well as any person designated by the GLO or the State of Texas, all assistance required to perfect the rights granted to the GLO and the State of Texas herein without any charge or expense beyond the stated amount payable to QPP for the work authorized under this Contract.
- (e) The Contract in no way creates an obligation on behalf of the GLO or the State of Texas to obtain or enforce any intellectual property right that may be created under this Contract.

7.03 NON-ENDORSEMENT

QPP shall not publicize or otherwise circulate promotional material (such as advertisements, sales brochures, press releases, speeches, still and motion pictures, articles, manuscripts, or other publications) that states or implies State of Texas or government employee endorsement of a product, service, or position that QPP represents. No release of information relating to this Project may state or imply that the GLO or the State of Texas approves of QPP's work products or considers QPP's work product to be superior to other products or services.

7.04 PUBLICATION

Reports, publications, presentations, and all other materials produced by QPP with funding provided in whole or in part under this Contract shall carry on the front cover or title page of such items, appropriate acknowledgement of financial or other support by the GLO and, if applicable, all federal entities providing funds or other support for the Project.

VIII. MISCELLANEOUS PROVISIONS

8.01 INSURANCE

Pursuant to Chapter 2259 of the Texas Government Code entitled, "Self-Insurance by Governmental Units," QPP is self-insured and, therefore, is not required to purchase insurance.

8.02 LEGAL OBLIGATIONS

QPP shall pay any such government obligations not paid by its subcontractors during performance of this Contract.

8.03 INDEMNITY

8.04 TAXES, WORKERS' COMPENSATION, UNEMPLOYMENT INSURANCE

QPP shall be solely liable and responsible for payment of QPP's and QPP's employees' taxes of whatever kind, arising out of the execution or performance of the Contract. QPP shall comply with all state and federal laws applicable to any such persons, including laws regarding wages, taxes, insurance, and workers' compensation. The GLO and the State of Texas, by entering into this Contract, shall not be liable to QPP or its officers, agents, employees, representatives, contractors, assignees, designees, or others for the payment of taxes, or the provision of unemployment insurance, workers' compensation, or any benefit available to a state employee or employee of another governmental entity.

8.05 INFRINGEMENT

If QPP becomes aware of an actual or potential claim of infringement of any United States patent, copyright, trade or service mark, or any other intellectual or intangible property right that occurs in the execution or performance of the Contract, or the GLO provides QPP with notice of such claim, QPP may (or in the case of an injunction against the GLO, shall), at QPP's sole expense either: (i) procure for the GLO the right to continue to use the affected portion of the product or service, or (ii) modify or replace the affected portion of the product or service with a functionally equivalent or superior product or service so that the GLO's use is non-infringing.

8.06 RELATIONSHIP OF THE PARTIES

QPP is associated with the GLO only for the purposes and to the extent specified in this Contract. QPP is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. Nothing contained in this Contract creates a partnership or joint venture, employer-employee or principal-agent relationships, or any liability whatsoever with respect to the indebtedness, liabilities, or obligations of QPP or any other party. QPP shall be solely responsible for, and the GLO shall have no obligation with respect to: withholding of income taxes, FICA, or any other taxes or fees; industrial or workers' compensation insurance coverage; participation in any group insurance plans available to employees of the State of Texas; participation or contributions by the State to the State Employees Retirement System; accumulation of vacation leave or sick leave; or unemployment compensation coverage provided by the State.

8.07 COMPLIANCE WITH OTHER LAWS

Neither the occurrence of an event giving rise to a breach of contract claim nor the pendency of such a claim constitute grounds for QPP to suspend performance of this Contract. Notwithstanding this provision, the GLO reserves all legal and equitable rights and remedies available to it. **NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO.**

8.11 ENTIRE CONTRACT AND AMENDMENT

This Contract, its Attachment(s), and any purchase order(s) issued in conjunction with this Contract constitute the entire agreement of the Parties and are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Any additional or conflicting terms in such Attachment(s) and/or purchase order(s) shall be harmonized with this Contract to the extent possible. Unless such Attachment or purchase order specifically displays a mutual intent to amend a particular part of this Contract, general conflicts in language shall be construed consistently with the terms of this Contract. This Contract and its Attachments may only be amended by a mutual, written agreement executed by authorized representatives of the Parties.

8.12 PROPER AUTHORITY

Each Party hereto represents and warrants that: **(1)** it has authority to perform its obligations under this Contract in accordance with Chapter 33, Texas Natural Resources Code, and **(2)** the person executing this Contract on its behalf has full power and authority to enter into this Contract on behalf of the Party they represent and bind such Party to the terms and condition herein.

8.13 COUNTERPARTS

This Contract may be executed in any number of counterparts, each of which shall be an original, and all such counterparts shall together constitute but one and the same Contract. If the Contract is not executed by QPP within thirty (30) days of receipt, this Contract may be declared null and void, in the sole discretion of the GLO.

8.14 SEVERABILITY

If a court of competent jurisdiction determines any provision of this Contract is invalid, void, or unenforceable, the remaining terms, provisions, covenants, and conditions of this Contract shall remain in full force and effect, and shall in no way be affected, impaired, or invalidated.

8.15 FORCE MAJEURE

Except with respect to the obligation of payments under this Contract, if either Party, after a good faith effort, is prevented from complying with any express or implied covenant of this Contract by reason of war; terrorism; rebellion; riots; strikes; acts of God; any valid order, rule, or regulation of governmental authority; or similar events that are beyond the control of the affected Party (collectively referred to as a "Force Majeure"), then, while so prevented, the affected Party's obligation to comply with such covenant shall be suspended, and the affected Party shall not be liable for damages for failure to comply with such covenant. In any such event, the Party claiming Force Majeure shall promptly notify the other Party of the Force Majeure event in writing and, if possible, such notice shall set forth the extent and duration thereof. The Party claiming Force Majeure shall exercise due diligence to prevent, eliminate, or overcome such Force Majeure event where it is possible to do so and shall resume performance at the earliest possible date. However, if non-performance continues for more than thirty (30) days, the GLO may, at its sole discretion, terminate this Contract immediately upon written notification to QPP.

8.16 SURVIVAL OF TERMS AND PROVISIONS

The terms and conditions of this Contract related to the following subjects shall survive the termination of this Contract: definitions; interpretation; warranties; affirmations; prohibition on debts created on behalf of the State of Texas and/or the GLO; limitation of any QPP claim for damages to the amount of funds appropriated for payment but not yet paid to QPP; ownership; intellectual property; third-party reliance; books and records; inspection and audit; records retention period; confidentiality; public records; insurance; taxes; workers' compensation; unemployment insurance; QPP's obligation to procure and maintain, at its sole expense, all government licenses, authorizations, insurance, waivers, permits, and/or qualifications necessary for QPP or any subcontractors to provide the goods or services described in this Contract; indemnity; assignment and subcontracting; relationship of the Parties; compliance with laws; notices; governing law and venue; severability; dispute resolution; merger and integration; invoice and fee verification; property rights; default; and amendment.

* This section does not apply to a contract with a “governmental entity” as defined in Texas Government Code Chapter 2251.

9. Qualified Project Partner represents and warrants that it has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the Contract.
10. Qualified Project Partner agrees that any payments due under the Contract shall be applied towards any debt or delinquency that is owed by Qualified Project Partner to the State of Texas.
11. Upon request of the GLO, Qualified Project Partner shall provide copies of its most recent business continuity and disaster recovery plans.
12. If the Contract is for consulting services governed by Texas Government Code Chapter 2254, Subchapter B, in accordance with Section 2254.033 of the Texas Government Code, relating to consulting services, Qualified Project Partner certifies that it does not employ an individual who has been employed by the GLO or another agency at any time during the two years preceding the Qualified Project Partner's submission of its offer to provide consulting services to the GLO or, in the alternative Qualified Project Partner, in its offer to provide consulting services to the GLO, disclosed the following: (i) the nature of the previous employment with the GLO or other state agency; (ii) the date the employment was terminated; and (iii) the annual rate of compensation for the employment at the time of its termination.*
13. If the Contract is not for architecture, engineering, or construction services, then except as otherwise provided by statute, rule, or regulation, Qualified Project Partner must use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve any dispute arising under the Contract. **NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO OR, IF APPLICABLE, OF GOVERNMENTAL IMMUNITY BY QUALIFIED PROJECT PARTNER.**
14. If the Contract is for architecture, engineering, or construction services, then subject to Texas Government Code Section 2260.002 and Texas Civil Practice and Remedies Code Chapter 114, and except as otherwise provided by statute, rule, or regulation, Qualified Project Partner shall use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve all disputes arising under this Contract. Except as otherwise provided by statute, rule, or regulation, in accordance with the Texas Civil Practice and Remedies Code, Section 114.005, claims encompassed by Texas Government Code, Section 2260.002(3) and Texas Civil Practice and Remedies Code Section 114.002 shall be governed by the dispute resolution process set forth below in subsections (a)-(d). **NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO OR, IF APPLICABLE, OF GOVERNMENTAL IMMUNITY BY QUALIFIED PROJECT PARTNER.**

* This section does not apply to a contract with a "governmental entity" as defined in Texas Government Code Chapter 2251.

- a. Notwithstanding Texas Government Code, Chapter 2260.002(3) and Chapter 114.012 and any other statute or applicable law, if Qualified Project Partner's claim for breach of contract cannot be resolved by the Parties in the ordinary course of business, Qualified Project Partner may make a claim against the GLO for breach of contract and the GLO may assert a counterclaim against Qualified Project Partner as is contemplated by Texas Government Code, Chapter 2260, Subchapter B. In such event, Qualified Project Partner must provide written notice to the GLO of a claim for breach of the Contract not later than the 180th day after the date of the event giving rise to the claim. The notice must state with particularity: (1) the nature of the alleged breach; (2) the amount Qualified Project Partner seeks as damages; and (3) the legal theory of recovery.
- b. The chief administrative officer, or if designated in the Contract, another officer of the GLO, shall examine the claim and any counterclaim and negotiate with Qualified Project Partner in an effort to resolve them. The negotiation must begin no later than the 120th day after the date the claim is received, as is contemplated by Texas Government Code, Chapter 2260, Section 2260.052.
- c. If the negotiation under paragraph (b) above results in the resolution of some disputed issues by agreement or in a settlement, the Parties shall reduce the agreement or settlement to writing and each Party shall sign the agreement or settlement. A partial settlement or resolution of a claim does not waive a Party's rights under this Contract as to the parts of the claim that are not resolved.
- d. If a claim is not entirely resolved under paragraph (b) above, on or before the 270th day after the date the claim is filed with the GLO, unless the Parties agree in writing to an extension of time, the Parties may agree to mediate a claim made under this dispute resolution procedure. This dispute resolution procedure is Qualified Project Partner's sole and exclusive process for seeking a remedy for an alleged breach of contract by the GLO if the Parties are unable to resolve their disputes as described in this section.
- e. Nothing in the Contract shall be construed as a waiver of the state's or the GLO's sovereign immunity, or, if applicable, the governmental immunity of Qualified Project Partner. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas or Qualified Project Partner. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas or, if applicable, of Qualified Project Partner under this Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies or immunities or be considered as a basis for estoppel. The GLO does not waive any privileges, rights, defenses, or immunities available to it by entering into this Contract or by its conduct, or by the conduct of any representative of the GLO, prior to or subsequent to entering into this Contract. Qualified Project Partner does not waive any privileges, rights, defenses, or immunities available to it by entering into this Contract or by its conduct, or by the conduct of any representative of the GLO, prior to or subsequent to entering into this Contract.
- f. Except as otherwise provided by statute, rule, or regulation, compliance with the dispute resolution process provided for in Texas Government Code, Chapter 2260, subchapter B and incorporated by reference in subsection (a)-(d) above is a condition precedent to the

16. This Contract is contingent upon the continued availability of lawful appropriations by the Texas Legislature. Qualified Project Partner understands that all obligations of the GLO under this Contract are subject to the availability of funds. If such funds are not appropriated or become unavailable, the GLO may terminate the Contract. The Contract shall not be construed as creating a debt on behalf of the GLO in violation of Article III, Section 49a of the Texas Constitution.
17. Qualified Project Partner certifies that it is not listed in the prohibited vendors list authorized by Executive Order 13224, "Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism", published by the United States Department of the Treasury, Office of Foreign Assets Control.

19. Qualified Project Partner represents and warrants that all statements and information prepared and submitted in connection with this Contract are current, complete, true, and accurate. Submitting a false statement or making a material misrepresentation during the performance of this Contract is a material breach of contract and may void the Contract or be grounds for its termination.
20. Pursuant to Section 2155.004(a) of the Texas Government Code, Qualified Project Partner certifies that neither Qualified Project Partner nor any person or entity represented by Qualified Project Partner has received compensation from the GLO to participate in the preparation of the specifications or solicitation on which this Contract is based. Under Section 2155.004(b) of the Texas Government Code, Qualified Project Partner certifies that the individual or business entity named in this Contract is not ineligible to receive the specified Contract and acknowledges that the Contract may be terminated and payment withheld if this certification is inaccurate. This Section does not prohibit Qualified Project Partner from providing free technical assistance.*
21. Qualified Project Partner represents and warrants that it is not engaged in business with Iran, Sudan, or a foreign terrorist organization, as prohibited by Section 2252.152 of the Texas Government Code.*
22. In accordance with Section 2252.901 of the Texas Government Code, for the categories of contracts listed in that section, Qualified Project Partner represents and warrants that none of its employees including, but not limited to, those authorized to provide services under the contract, were employees of the GLO during the twelve (12) month period immediately prior to the date of execution of the contract. Solely for professional services contracts as

described by Chapter 2254 of the Texas Government Code, Qualified Project Partner further represents and warrants that if a former employee of the GLO was employed by Qualified Project Partner within one year of the employee's leaving the GLO, then such employee will not perform services on projects with Qualified Project Partner that the employee worked on while employed by the GLO.*

23. The Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to any Party.
24. IF THE CONTRACT IS NOT FOR ARCHITECTURE OR ENGINEERING SERVICES GOVERNED BY TEXAS GOVERNMENT CODE CHAPTER 2254, QUALIFIED PROJECT PARTNER, TO THE EXTENT ALLOWED BY LAW, SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS THE STATE OF TEXAS AND THE GLO, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED COSTS, ATTORNEY FEES, AND EXPENSES ARISING OUT OF, OR RESULTING FROM ANY ACTS OR OMISSIONS OF QUALIFIED PROJECT PARTNER OR ITS AGENTS, EMPLOYEES, SUBCONTRACTORS, ORDER FULFILLERS, OR SUPPLIERS OF SUBCONTRACTORS IN THE EXECUTION OR PERFORMANCE OF THE CONTRACT AND ANY PURCHASE ORDERS ISSUED UNDER THE CONTRACT. THE DEFENSE SHALL BE COORDINATED BY QUALIFIED PROJECT PARTNER WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND QUALIFIED PROJECT PARTNER MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. QUALIFIED PROJECT PARTNER AND THE GLO SHALL FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.*
25. IF THE CONTRACT IS FOR ARCHITECTURE OR ENGINEERING SERVICES GOVERNED BY TEXAS GOVERNMENT CODE CHAPTER 2254, QUALIFIED PROJECT PARTNER, TO THE EXTENT ALLOWED BY LAW, SHALL INDEMNIFY AND HOLD HARMLESS THE STATE OF TEXAS AND THE GLO, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED DAMAGES, COSTS, ATTORNEY FEES, AND EXPENSES TO THE EXTENT CAUSED BY, ARISING OUT OF, OR RESULTING FROM ANY ACTS OF NEGLIGENCE, INTENTIONAL TORTS, WILLFUL MISCONDUCT, PERSONAL INJURY OR DAMAGE TO PROPERTY, AND/OR OTHERWISE RELATED TO QUALIFIED PROJECT PARTNER'S PERFORMANCE, AND/OR FAILURES TO PAY A SUBCONTRACTOR OR SUPPLIER BY THE QUALIFIED PROJECT PARTNER OR ITS AGENTS, EMPLOYEES, SUBCONTRACTORS, ORDER FULFILLERS, CONSULTANTS UNDER CONTRACT TO QUALIFIED PROJECT PARTNER, OR ANY OTHER ENTITY OVER WHICH QUALIFIED PROJECT PARTNER EXERCISES CONTROL, OR SUPPLIERS OF

SUBCONTRACTORS IN THE EXECUTION OR PERFORMANCE OF THE CONTRACT. THE DEFENSE SHALL BE COORDINATED BY QUALIFIED PROJECT PARTNER WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND QUALIFIED PROJECT PARTNER MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. QUALIFIED PROJECT PARTNER AND THE GLO SHALL FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.*

26. TO THE EXTENT ALLOWED BY LAW, QUALIFIED PROJECT PARTNER SHALL DEFEND, INDEMNIFY, AND HOLD HARMLESS THE GLO AND THE STATE OF TEXAS FROM AND AGAINST ANY AND ALL CLAIMS, VIOLATIONS, MISAPPROPRIATIONS OR INFRINGEMENT OF ANY PATENT, TRADEMARK, COPYRIGHT, TRADE SECRET OR OTHER INTELLECTUAL PROPERTY RIGHTS AND/OR OTHER INTANGIBLE PROPERTY, PUBLICITY OR PRIVACY RIGHTS, AND/OR IN CONNECTION WITH OR ARISING FROM: (1) THE PERFORMANCE OR ACTIONS OF QUALIFIED PROJECT PARTNER PURSUANT TO THIS CONTRACT; (2) ANY DELIVERABLE, WORK PRODUCT, CONFIGURED SERVICE OR OTHER SERVICE PROVIDED HEREUNDER; AND/OR (3) THE GLO'S AND/OR QUALIFIED PROJECT PARTNER'S USE OF OR ACQUISITION OF ANY REQUESTED SERVICES OR OTHER ITEMS PROVIDED TO THE GLO BY QUALIFIED PROJECT PARTNER OR OTHERWISE TO WHICH THE GLO HAS ACCESS AS A RESULT OF QUALIFIED PROJECT PARTNER'S PERFORMANCE UNDER THE CONTRACT. QUALIFIED PROJECT PARTNER AND THE GLO SHALL FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM. QUALIFIED PROJECT PARTNER SHALL BE LIABLE TO PAY ALL COSTS OF DEFENSE, INCLUDING ATTORNEYS' FEES. THE DEFENSE SHALL BE COORDINATED BY QUALIFIED PROJECT PARTNER WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL (OAG) WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND QUALIFIED PROJECT PARTNER MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM OAG. IN ADDITION, QUALIFIED PROJECT PARTNER WILL REIMBURSE THE GLO AND THE STATE OF TEXAS FOR ANY CLAIMS, DAMAGES, COSTS, EXPENSES OR OTHER AMOUNTS, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES AND COURT COSTS, ARISING FROM ANY SUCH CLAIM. IF THE GLO DETERMINES THAT A CONFLICT EXISTS BETWEEN ITS INTERESTS AND THOSE OF QUALIFIED PROJECT PARTNER OR IF THE GLO IS REQUIRED BY APPLICABLE LAW TO SELECT SEPARATE COUNSEL, THE GLO WILL BE PERMITTED TO SELECT SEPARATE COUNSEL AND QUALIFIED PROJECT PARTNER WILL PAY ALL REASONABLE COSTS OF THE GLO'S COUNSEL.*
27. Qualified Project Partner has disclosed in writing to the GLO all existing or known potential conflicts of interest relative to the performance of the Contract.
28. Sections 2155.006 and 2261.053 of the Texas Government Code prohibit state agencies from accepting a solicitation response or awarding a contract that includes proposed financial participation by a person who, in the past five years, has been convicted of violating a federal

law or assessed a penalty in connection with a contract involving relief for Hurricane Rita, Hurricane Katrina, or any other disaster, as defined by Section 418.004 of the Texas Government Code, occurring after September 24, 2005. Under Sections 2155.006 and 2261.053 of the Texas Government Code, Qualified Project Partner certifies that the individual or business entity named in this Contract is not ineligible to receive the specified Contract and acknowledges that this Contract may be terminated and payment withheld if this certification is inaccurate.*

29. The person executing this Contract certifies that he/she is duly authorized to execute this Contract on his/her own behalf or on behalf of Qualified Project Partner and legally empowered to contractually bind Qualified Project Partner to the terms and conditions of the Contract and related documents.
30. If the Contract is for architectural or engineering services, pursuant to Section 2254.0031 of the Texas Government Code, which incorporates by reference Section 271.904(d) of the Texas Local Government Code, Qualified Project Partner shall perform services (1) with professional skill and care ordinarily provided by competent engineers or architects practicing under the same or similar circumstances and professional license, and (2) as expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer or architect.*
31. The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. The acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Qualified Project Partner shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through the Contract and the requirement to cooperate is included in any subcontract it awards. The GLO may unilaterally amend the Contract to comply with any rules and procedures of the state auditor in the implementation and enforcement of Section 2262.154 of the Texas Government Code.
32. Qualified Project Partner certifies that neither it nor its principals are debarred, suspended, proposed for debarment, declared ineligible, or otherwise excluded from participation in the Contract by any state or federal agency.
33. If the Contract is for the purchase or lease of covered television equipment, as defined by Section 361.971(3) of the Texas Health and Safety Code, Qualified Project Partner certifies its compliance with Subchapter Z, Chapter 361 of the Texas Health and Safety Code, related to the Television Equipment Recycling Program.
34. Pursuant to Section 572.069 of the Texas Government Code, Qualified Project Partner certifies it has not employed and will not employ a former state officer or employee who participated in a procurement or contract negotiations for the GLO involving Qualified Project Partner within two (2) years after the date that the contract is signed or the procurement is terminated or withdrawn. officers or employees whose state service or employment ceased on or after September 1, 2015.

35. The GLO shall post this Contract to the GLO's website. Qualified Project Partner understands that the GLO will comply with the Texas Public Information Act (Texas Government Code Chapter 552, the "PIA"), as interpreted by judicial rulings and opinions of the Attorney General of the State of Texas (the "Attorney General"). Information, documentation, and other material in connection with this Contract may be subject to public disclosure pursuant to the PIA. In accordance with Section 2252.907 of the Texas Government Code, Qualified Project Partner is required to make any information created or exchanged with the GLO or the State of Texas pursuant to the Contract, and not otherwise excepted from disclosure under the PIA, available to the GLO in portable document file (".pdf") format or any other format agreed upon between the Parties that is accessible by the public at no additional charge to the GLO or the State of Texas. By failing to mark any information that Qualified Project Partner believes to be excepted from disclosure as "confidential" or a "trade secret," Qualified Project Partner waives any and all claims it may make against the GLO for releasing such information without prior notice to Qualified Project Partner. The Attorney General will ultimately determine whether any information may be withheld from release under the PIA. Qualified Project Partner shall notify the GLO's Office of General Counsel within twenty-four (24) hours of receipt of any third-party written requests for information and forward a copy of said written requests to PIALegal@glo.texas.gov. If a request for information was not written, Qualified Project Partner shall forward the third party's contact information to the above-designated e-mail address.
36. The GLO does not tolerate any type of fraud. GLO policy promotes consistent, legal, and ethical organizational behavior by assigning responsibilities and providing guidelines to enforce controls. Any violations of law, agency policies, or standards of ethical conduct will be investigated, and appropriate actions will be taken. Qualified Project Partner must report any possible fraud, waste, or abuse that occurs in connection with the Contract to the GLO in the manner prescribed by the GLO's website, <http://glo.texas.gov>.
37. If Qualified Project Partner, in its performance of the Contract, has access to a state computer system or database, Qualified Project Partner must complete a cybersecurity training program certified under Texas Government Code Section 2054.519, as selected by the GLO. Qualified Project Partner must complete the cybersecurity training program during the initial term of the Contract and during any renewal period. Qualified Project Partner must verify in writing to the GLO its completion of the cybersecurity training program.
38. Under Section 2155.0061, Texas Government Code, Qualified Project Partner certifies that the entity named in this Contract is not ineligible to receive the specified Contract and acknowledges that this Contract may be terminated and payment withheld if this certification is inaccurate.*
39. Qualified Project Partner certifies that it does not require its customers to provide any documentation certifying the customer's COVID-19 vaccination or post-transmission recovery on entry to, to gain access to, or to receive service from Qualified Project Partner's business. Qualified Project Partner acknowledges that such a vaccine or recovery requirement would make Qualified Project Partner ineligible for a state-funded contract.

* This section does not apply to a contract with a "governmental entity" as defined in Texas Government Code Chapter 2251.

40. Pursuant to Government Code Section 2275.0102, Qualified Project Partner certifies that neither it nor its parent company, nor any affiliate of Qualified Project Partner or its parent company, is: (1) majority owned or controlled by citizens or governmental entities of China, Iran, North Korea, Russia, or any other country designated by the Governor under Government Code Section 2275.0103, or (2) headquartered in any of those countries.*
41. If Qualified Project Partner is required to make a verification pursuant to Section 2276.002 of the Texas Government Code, Qualified Project Partner verifies that Qualified Project Partner does not boycott energy companies and will not boycott energy companies during the term of the Contract. If Qualified Project Partner does not make that verification, Qualified Project Partner must notify the GLO and state why the verification is not required.*
42. If Qualified Project Partner is required to make a verification pursuant to Section 2274.002 of the Texas Government Code, Qualified Project Partner verifies that it (1) does not have a practice, policy, guidance, or directive that discriminates against a “firearm entity” or “firearm trade association” as those terms are defined in Texas Government Code section 2274.001 and (2) will not discriminate during the term of the Contract against a firearm entity or firearm trade association. If Qualified Project Partner does not make that verification, Qualified Project Partner must notify the GLO and state why the verification is not required.*
43. If Qualified Project Partner is a “professional sports team” as defined by Texas Occupations Code Section 2004.002, Qualified Project Partner will play the United States national anthem at the beginning of each team sporting event held at Qualified Project Partner’s home venue or other venue controlled by Qualified Project Partner for the event. Failure to comply with this obligation constitutes a default of this Contract, and immediately subjects Qualified Project Partner to the penalties for default, such as repayment of money received or ineligibility for additional money. In addition, Qualified Project Partner may be debarred from contracting with the State. The GLO or the Attorney General may strictly enforce this provision.*
44. To the extent Section 552.371 of the Texas Government Code applies to Qualified Project Partner and the Contract, in accordance with Section 552.372 of the Texas Government Code, Qualified Project Partner must (a) preserve all contracting information related to the Contract in accordance with the records retention requirements applicable to the GLO for the duration of the Contract, (b) no later than the tenth business day after the date of the GLO’s request, provide to the GLO any contracting information related to the Contract that is in Qualified Project Partner’s custody or possession, and (c) on termination or expiration of the Contract, either (i) provide to the GLO at no cost all contracting information related to the Contract that is in Qualified Project Partner’s custody or possession or (ii) preserve the contracting information related to the Contract in accordance with the records retention requirements applicable to the GLO. Except as provided by Section 552.374(c) of the Texas Government Code, the requirements of Subchapter J, Chapter 552, Government Code, may apply to the Contract and Qualified Project Partner agrees that the Contract may be terminated if Qualified Project Partner knowingly or intentionally fails to comply with a requirement of that subchapter.*
45. If the Contract is for consulting services governed by Chapter 2254 of the Texas Government Code, Qualified Project Partner, upon completion of the Contract, must give the GLO a

46. If subject to 2 CFR 200.216, Qualified Project Partner shall not obligate or expend funding provided under this Contract to: (a) procure or obtain; (b) extend or renew a contract to procure or obtain; or (c) enter into a contract to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services, as defined in Public Law 115-232, Section 889, as a substantial or essential component of any system, or as critical technology as part of any system.
47. To the extent Texas Government Code Chapter 2252, Subchapter G applies to the Contract, any iron or steel product Qualified Project Partner uses in its performance of the Contract that is produced through a manufacturing process, as defined in Section 2252.201(2) of the Texas Government Code, must be produced in the United States.
