### Acceptance of a Grant for the Operation Stonegarden Program

#### **CAPTION:**

Ordinance accepting a grant for the eleventh year from the State of Texas Governor's Homeland Security Grants Division for the Operation Stonegarden Program in the amount of \$216,799.99; and appropriating \$216,799.99 in the Police Grants Fund.

#### **SUMMARY**

Funding is available for funding eligible under the Department of Homeland Security Grant Program.

#### **BACKGROUND AND FINDINGS:**

The City of Corpus Christi was identified as an integral part of the U.S. Border Patrol's strategy to enhance cooperation and coordination among all agencies in a joint mission to secure the United States borders. Approved funding will be used to enhance enforcement efforts along routes of ingress and coastal waterways. The City's participation will achieve border control by establishing a substantial probability of apprehension through improved enforcement, improved rapid mobility and intelligence driven resource deployments. Additionally, the City will involve a number of collaborators to assist in the stated mission of OPSG and will promote a collaborative enforcement effort that extends our border outward while strengthening a defense in depth posture. The Corpus Christi Police Department will conduct interdiction operations individually and in conjunction with federal, state, and local partners along routes of ingress and egress both on state and local highways to include SH44, SH 77, SH 181 but also along routes of ingress and egress from the extensive coastal waterways surrounding the City of Corpus Christi including the Padre Island National Seashore. In addition, the Corpus Christi Police Department will participate in at least one major multiagency interdiction effort.

The Police Department will utilize the funding to conduct overtime operations designed to reduce border-security risk. Tactical operations will conduct approximately 4,118 hours of overtime. The grant will pay for overtime and fringe benefits. The grant period is from March 1, 2022 through February 28, 2023. This is Year 11 of the grant. Last year, the City received \$206,787.00 from the grant.

**ALTERNATIVES:**

The alternative is not to accept the grant thereby providing for less overtime towards border security to combat drug and human trafficking in the region.

**FISCAL IMPACT:**

The fiscal impact for FY 2022 is accepting funds and appropriating \$216,799.99 to the Police Grants Fund.
