APPEAL (ITEM 19)**

Mayor McComb deviated from the agenda and referred to Item 19.

Mayor McComb stated that the purpose of today's appeal is for City Council's consideration of an appeal of Vargo Plumbing & Utilities Plumbing Contractor's six-month suspension of City plumbing contractor's registration upheld by the Corpus Christi Construction Trade Advisory and Appeal Board on September 17, 2020. He said the Council can determine if they want to deny the appeal, modify the Board's decision or set aside the suspension.

a. Assistant City Attorney Buck Brice presented the statement of facts. He said the City Council may deny the appeal, modify the Board's decision or set aside the Board's decision; and staff and the Construction Trade Advisory and Appeal Board support the six-month suspension.

b. Appellant's Oral Presentation of Written Notice of Appeal. Mr. Federico Vargas, the appellant, stated that: the work that was done was not under Vargo Plumbing & Utilities, it was under personal property; he bought the property to build a warehouse; the City told him it was a commercial residential, not a commercial industrial; money was already invested on the property, so he made a mistake by not pulling a permit; and the suspension will affect about 40 to 50 of his employees.

Council Members, Mr. Vargas and Building Official with Development Services Gene Delauro discussed the following topics: Mr. Vargas has been a contractor for 11 years; the suspension does not take effect until the appeal process is completed; the cost of the permits would be based on the evaluation of the buildings and the square footage, which has not been established; and the estimated cost of the permit is \$2,000 to \$3,000.

c. City Staff Response. Building Official Delauro presented information on the

following topics: the reason for the suspension is that people have moved into and occupied these buildings without proper permits, which is a safety hazard; work without a permit is a problem for the community; and these buildings are not on the tax rolls.

**d. Council Action.** Council Members and Building Official Delauro discussed the following topics: permits represent a set of plans that City staff can review; City staff and engineers do periodic inspections; sealed drawings indicate that a qualified engineer designed the building to make sure it is safe for the public; the challenge is not knowing whether or not this building meets building regulations; there are health and safety issues of the building; the suspension would not affect any permit that has already been issued; and the effective date of the suspension would begin today and would end on April 6, 2021.

There were no comments from the public.

Name	Lisa Gerdes
Address	Street Address: 3636 MONTERREY ST City: CORP CHRISTI State / Province: TX Postal / Zip Code: 784111712 Country: United States
Topic	low-barrier drop-in homeless shelter
Agenda Number	14 17
Describe Feedback:	The City of Corpus Christi has experienced an increase in the homeless population and we do need to address the issue. Many who are currently homeless do not go to existing shelters due to the violence, drug use, and theft that occur in them. We must ask how much would the above increase in a low-barrier drop-in homeless shelter?
	For best results each person needs to be evaluated as an individual to discover what will best help that person. Rapid Rehousing, Permanent Supportive

Housing and Family Reunification have had success in other areas. I believe the funds would be better spent in these programs instead of a low-barrier drop-in homeless shelter which encourages members of our community to continue to live a life at a much lower standard than their best.

While I applaud the city staff for working towards a solution. I do not believe this is it. For the safety of our residence and the homeless I urge the City Council to vote no on the low-barrier drop-in homeless shelter

Address	Street Address: 1717 WALDRON City: CORPUS CHRISTI State / Province: TX Postal / Zip Code: 78418 Country: United States
Topic	LOW BARRIER HOMELESS SHELTER
Agenda Number	14 17
Describe Feedback:	I want to voice my opposition to ANY low barrier homeless shelters in Flour Bluff or Corpus Christi. We have to fight to keep these VAGRANTS off our streets. They choose to be homeless. They live in camps in the bushes and feed and clothe from Timons Ministries. They are druggies, drunks and thieves. It is a non ending battle. They support their habits by stealing and begging. Our community is slowly coming to be safe for our families and the CHILDREN. This low barrier shelter will only bring more crime and drugs into our

neighborhood. The citizens of Corpus Christi will not benefit from a project like this.  
Please vote NO on this proposal.  
Terilee Pitman

I would like for my opposition to be read into the minutes of the Council Agenda that I am against the Low Barrier Homeless Shelter.
