To whom it may concern:

During the North Beach Community Association Board of Directors meeting held on December 15, 2015, the ~~Board~~ ^{members signed here} voted to support the City's ~~proposed~~ Panhandling Ordinance.

The Board feels that people panhandling for money on the streets and sidewalks of our city, especially in our tourist areas, does not shine a good light on our city and does not result in a good quality of life for the people who are panhandling.

^{members} The ~~Board~~ supports the city's efforts to not allow people to panhandle and, instead, to actively work to find homes or shelters for the people living on our streets.

Thank you,

NBCA Board of Directors
