Police Training Session Fee

- Ordinance amending Chapter 43 of the City Code of Ordinances to establish a training session fee schedule for the Corpus Christi Police Department for sessions held at the Corpus Christi Police Academy for other law enforcement agencies and personnel
- This Ordinance authorizes the Chief of Police to permit other law enforcement agencies and personnel, for official training purposes, to participate in training sessions conducted at the Corpus Christi Police Academy and to charge and collect reasonable training fees.

- The new Police Academy presents an opportunity to bring in outside instructors to train personnel. This has not been done before as there was no venue available. Additionally, CCPD personnel sworn and civilian will be scheduled for the classes and not have to travel to other locations for a similar class.
- The Training Staff will identify the demand for law enforcement training in our region, research competitors that offer similar programs, and highlight any certifications or accreditation that enhance credibility.
