WHEREAS, Developer has submitted an application for reimbursement of the costs of extending a 12-inch waterline from the existing 12-inch waterline located on the south side of Holly Road for a distance of 255 linear feet in order to connect to water grid main along Holly Road and consistent with the Unified Development Code (**Exhibit 2**);

WHEREAS, it is in the best interests of the City to have the 12-inch waterline on Holly Road for a distance of 255 linear feet installed by Developer in conjunction with the final plat;

WHEREAS, Resolution No. 026869 authorized the acceptance of applications to be eligible for reimbursement in the future when funds are fully available in, and are appropriated by City Council, the Arterial Transmission and Grid Main Line Trust Fund as per the UDC, Section 8.5.1.C(1), and

WHEREAS, Chapter 212 of the Texas Local Government Code authorizes a municipality to make a contract with a Developer of a subdivision or land in the municipality to construct public improvements related to the subdivision or land;

2. PLANS AND SPECIFICATIONS

a. The Developer shall contract with a professional engineer, acceptable to the City's Development Services Engineer, to prepare plans and specifications for the construction of the 12-inch waterline, as shown in **Exhibit 3**, with the following basic design:

3. SITE IMPROVEMENTS

If any of the property needed for the Easements is owned by a third party and Developer is unable to acquire the Easements through reasonable efforts, then the City will use its powers of eminent domain to acquire the Easements.

4. PLATTING FEES

Developer shall pay to the City of Corpus Christi the required acreage fees and pro-rata fees as required by the UDC for the area of the improvements for the construction of the 12-inch waterline. The required acreage fees Developer is to pay to the City under the UDC for the 12-inch waterline improvements will be credited to Developer provided that an application for credit, including cost-supporting documentation, has been submitted to the Assistant City Manager of Development Services prior to the installation of the 12-inch waterline and is approved.

5. DEVELOPER AWARD CONTRACT FOR IMPROVEMENTS

Developer shall award a contract and complete the improvements to 12-inch waterline, under the approved plans and specifications, by **December 20, 2017**.

6. TIME IS OF THE ESSENCE

Time is of the essence in the performance of this contract.

7. PROMPT AND GOOD FAITH ACTIONS

The parties shall act promptly and in good faith in performing their duties or obligations under this Agreement. If this Agreement calls for review or inspections by the City, then the City's reviews or inspections must be completed thoroughly and promptly.

8. DEFAULT

The following events shall constitute default:

- a. Developer fails to engage a professional engineer for the preparation of plans and specifications by the 10th calendar day after the date of approval by City Council.

- f. Either the City or Developer otherwise fails to comply with its duties and obligations under this Agreement.

9. NOTICE AND CURE

- a. In the event of a default by either party under this Agreement, the non-defaulting party shall deliver notice of the default, in writing, to the defaulting party stating, in detail the nature of the default and the requirements to cure such default.
- b. After delivery of the default notice, the defaulting party has 15 business days from the delivery of the default notice ("Cure Period") to cure the default.
- c. In the event the default is not cured by the defaulting party within the Cure Period, then the non-defaulting party may pursue its remedies in this section.
- d. Should Developer fail to perform any obligation or duty of this Agreement, the City shall give notice to Developer, at the address stated above, of the

need to perform the obligation or duty, and should Developer fail to perform the required obligation or duty within 15 days of receipt of the notice, the City may perform the obligation or duty, charging the cost of such performance to Developer by reducing the reimbursement amount due Developer.

 - 3. Perform any obligation or duty of the Developer under this agreement and charge the cost of such performance to Developer. Developer shall pay to City the reasonable and necessary cost of the performance within 30 days from the date Developer receives notice of the cost of performance. In the event that Developer pays the City under the preceding sentence, and is not otherwise in default under this Agreement, then the Agreement shall be considered in effect and no longer in default.
- f. In the event of an uncured default by the City after the appropriate notice and cure period, the Developer has all its remedies at law or equity for such default.

10. FORCE MAJEURE

- a. The obligations of the party giving the required notice, to the extent affected by the force majeure, are suspended during the continuance of the inability claimed, but for no longer period, and the party shall endeavor to remove or overcome such inability with all reasonable dispatch.
