Education, Professional and/or Community Activity (Present)

We recently moved to Corpus Christi from Elizabeth City, NC. While in Elizabeth City, I personally volunteered with the City's planning department. As a member of the Coast Guard, I coordinated volunteering for my unit with a local food bank. I also participated with the Meals on Wheels program. I'm pursuing my B.A. at this time.

Why are you interested in serving on a City board, commission or committee?

With every city the Coast Guard has placed me, I have always found a volunteering opportunity that interests me. I'm attracted to the Transportation Advisory Committee because safe and efficient transportation is crucial to the health of city's residents and their economy.
