

HOME ARP Allocation Plan

City Council
March 21, 2023

HOME-ARP Award

- From the American Rescue Plan Act of 2021 (ARP), the U.S. Department of Housing and Urban Development (HUD) awarded \$4,213,937 to the City
- Funds have been awarded through the HOME Investment Partnerships Program (HOME)
 - This is a one-time funding allocation
 - Funds are in addition to the City's regular annual allocation of HOME funds
- Like the annual HOME allocation, this is a reimbursement program
- HUD released up to five percent of the funding for planning and administrative purposes on a reimbursement basis
- Funds must be expended by September 2030

HOME-ARP Uses

- Funds are required to decrease homelessness and increase housing stability
- There are four eligible activities:
 - Development and support of affordable housing
 - Tenant-based rental assistance (TBRA)
 - Supportive services
 - Acquisition and development of non-congregate shelter
- Uses of the funds must agree with the needs identified through the required planning process

HOME-ARP Beneficiaries

- HOME-ARP funds must be used to benefit the following qualifying populations:
 - Persons who are homeless
 - Persons at risk of homelessness
 - Those fleeing or attempting to flee, domestic violence, dating violence, sexual assault, stalking or human trafficking
 - Other populations where providing supportive services or assistance would prevent the family's homelessness or serve those with the greatest risk of housing instability

HOME-ARP Process

- Award made from HUD
- HUD providing rules, regulations and implementation guidance
- Acceptance of the funds by the City
- Development of the HOME-ARP Allocation Plan
- Submission of the plan to HUD for approval
- Allocation of funds to project for implementation

HOME-ARP Planning

- City accessed up to five percent of the total award for planning and administrative activities to develop the HOME-ARP Allocation Plan
- Development of HOME-ARP Allocation Plan included extensive public participation, a needs assessment and a gaps analysis
- City's public participation process included:
 - Required consultations
 - Required public hearings
 - Survey
 - Acceptance of written comments

HOME-ARP Public Participation

- Throughout the consultations, the need for supportive services and TBRA were identified as priority needs. The City will fund these activities to meet those needs. The City will use a formal application process for soliciting applications for funding. Funding will be allocated through a competitive process open to all nonprofit organizations serving qualifying populations.
