

BEFORE THE ETHICS COMMISSION OF THE CITY OF CORPUS CHRISTI, TEXAS

In re: Ethics Complaint of **Sondra K. Meyer**

Against

Council Member Eric Cantu, Respondent

Date Filed 5.26.26

Rebecca Huerta
City Secretary

I am writing in response to the ethics complaint filed against me.

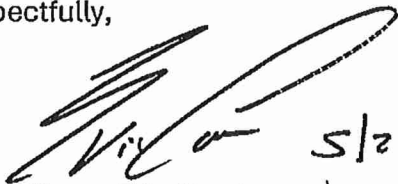

I acknowledge receipt of the complaint. After reviewing the claims, I respectfully deny each and every allegation made against me. The statements and accusations in the complaint are false.

It appears the complainant may be confused about the role and responsibilities of a City Council member. At all times, I have acted within my duties as an elected official and in the best interest of the residents I represent.

I respectfully request that the Ethics Commission dismiss this complaint, as it is without merit.

Thank you for your time and consideration.

Respectfully,

 5/26/26

Councilman Eric Cantu
Corpus Christi City Council, District 3
