Why are you interested in serving on a City board, commission or committee?

I am interested in becoming more actively involved in the City affairs including boards and committees. The first step was participating in Leadership Corpus Christi. As I am now half way through the program, I feel that I am ready and perhaps have been ready to become an active participant in our City programs. It is important to me to help others whether it is volunteering at local non-profit organizations, my job or helping adult learners go back to school or serve on a board.
