

United States Senate

WASHINGTON, DC 20510-4305

April 4, 2022

The Honorable Pete Buttigieg
Secretary
U.S. Department of Transportation
1200 New Jersey Ave, SE
Washington, DC 20590

Dear Secretary Buttigieg:

I am writing to express my support for the City of Corpus Christi's application to the Department of Transportation for the Rebuilding American Infrastructure with Sustainability and Equality (RAISE) Program. As you and your staff review the proposal, I trust you will give full consideration to the many strengths of their application.

Corpus Christi is seeking funding for the Yorktown Boulevard Complete Streets Project. This project will reconstruct Yorktown Boulevard from Rodd Field Road to the Oso Creek Bridge. These improvements will increase the capacity and resiliency of the area while improving safety conditions for bicyclists and pedestrians traveling along the corridor. In addition, TxDOT will be participating in the replacement and improvements to the Oso Creek Bridge. If funded, the project will improve community connectivity and provide critical safety improvements for residents through multimodal facilities and access management.

I would appreciate your efforts to ensure that I am kept informed of the progress of this application. Please contact Bryson Albert (Bryson_Albert@cornyn.senate.gov), my Grants Coordinator, with any developments regarding this application soon as they are available.

Thank you for your consideration.

Sincerely,

JOHN CORNYN
United States Senator
