Airport Board

Why are you interested in serving on a City board, commission or committee?

I'm a life long aviator. Aviation has been my passion for as long as I can remember. A P-3 Naval Aviator by trade, a flight instructor of over 12 years, Lean Six Sigma certified and an Executive MBA, I feel like this is a perfect opportunity to continue to serve my community. No longer active duty Navy, no longer flying for American Airlines, I have more time to explore new avenues of service and would love to be a part of something special for our community. This could be a unique opportunity to give back to our city, Corpus Christi—one I proudly call home. A permanent home for me and my family. Hopefully my experience and leadership in aviation, both civilian and military, can help provide perspective and make a positive contribution for our city. I'd be honored to be considered. Thank you.
