I hold a Bachelor's Degree in Biochemistry with a minor in Biology and Women's studies and a Certificate in the History and Philosophy of Science. I sit on the boards of all 3 PTAs of the schools that my children attend as well as the Communities in Schools Board, the Women's and Men's Health Services Board and the Nueces County Medical Society Alliance.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

NA

Why are you interested in serving on a City board, commission or committee?

As an avid reader and mother of 5 young readers I frequent the library on a regular basis. The library provides so many amazing things in our community and I would like to help sustain and grow its influence and utility in our community especially as we are thrust more and more into a digital age. I believe my unique perspective having used libraries around the globe will be beneficial to the Corpus Christi Library Board.

Education, Professional and/or Community Activity (Present)

I am an attorney currently licensed in Iowa and Wisconsin, although I am in inactive status in Wisconsin. I am the past President of one of the PEO chapters in Corpus Christi (a philanthropic educational organization supporting the education of women). Until the Pandemic, I volunteered once a month at the Loaves and Fishes soup kitchen with other members of my church, and also provided periodic volunteer service at the local Ronald McDonald House (such as helping decorate and undecorate for the holidays, making special meals and donating money). I occasionally helped package lunch sacks for the Salvation Army, also through my church, and belonged to a number of small special interest groups through New Neighbors League of Corpus Christi. Many of these activities are currently on hiatus, but I will undoubtedly return to them if the Pandemic ever allows.

Why are you interested in serving on a City board, commission or committee?

As you can see from my resume, I have served both as a member of a local community school board for 12 years in the State of Iowa (the last six of which I served as president of the Board) and as one of nine members of the Board of Regents of the State of Iowa for a little over three years, until I resigned in order to move to Texas. In Iowa, the Board of Regents is responsible for the governance of the three state universities, as well as the now-combined school for the deaf and blind students K-12. In addition, I served the City of Carroll, IA on the Parks and Recreation Committee for several years, and as President of that committee during a portion of that time. So I well know how rewarding volunteer service for governmental agencies can be, and am familiar with the proverbial "hot seat" that such service may yield. I enjoy the challenge of service, knowing that you can not please all of the people all of the time, but you must still persevere in doing what you think is right and appropriate for the situation at hand. As I enjoy my visits to the couple Corpus Christi libraries with which I am familiar, am a life-long reader, and have a skill set which I could put to use on the Library Board, I am interested in serving my community in this manner.

BS Degree, Iowa State University, Chemistry and Biochemistry Presently Active in New Neighbors League of Corpus Christi Prior to Covid, I took courses at TAMUCC in my areas of interest and served as assistant in the Forensic Science classes.

Why are you interested in serving on a City board, commission or committee?

I have been a life long user/supporter of libraries. No matter where I lived, I have had and used a library card since I was five years old. I was active in the Friends of the Library in Cedar Hill, Texas during the years I lived there (2008-2015). Now that I am retired, I feel I should give back to the library to repay the many years of library enjoyment.

Work Experience: Ideagen Inc **1/2016-Present**
Washington, DC

Professional Services Consultant

Professional Services Consultant for Ideagen Inc. Ideagen supplies laboratories with software providing Document Control, Issues and Actions documentation, and Audit software. I work on a consultant basis providing training to laboratories who have purchased Proquis and Pentana software. I also help laboratory personnel configure the software to the individual needs of each laboratory.

Work Experience: Pathology and Laboratory Services, VA Medical Center **12/2008-1/2016 (Retirement)**
Dallas, Texas

Quality Management Technologist

Quality Management Technologist for the Pathology and Laboratory Medicine Service (P&LMS) VA North Texas Health Care Center, I consistently ensured that the monthly service Quality Assurance workgroup agenda, quality indicators, data spreadsheets, tracking/trending analysis of quality data, and resolution or workgroup issues tasks were performed timely. I routinely maintained a laboratory quality improvement system and ensured monitoring of components and customer feedback to: Implement effective processes and system controls to ensure the highest possible product quality, service quality, and patient safety; detect and prevent errors in laboratory practice; reduce process variations that can cause errors; improve efficiency of processes without sacrificing quality or safety; comply with all applicable laws, regulations, policies, precedents, and accreditation requirements.

I coordinated the P&LMS Proficiency Testing Program, ensuring that all testing deficiencies are fully resolved, documented, and submitted for review by the appropriate clinical section director. I routinely acted as ancillary testing program consultant in areas of quality control/assurance, records control, proficiency testing, inspection, and accreditation to all levels of the organization. I consulted with section supervisors, lead technologists, and quality control technologists to address issues, concerns, provide guidance, and offer suggestions for continued quality improvement and interacted as needed with facility Quality Management Service to supply data, analysis, or resolve quality concerns.

I provided verbal and/or written information that was thorough and correct, using clear and precise communication methods to ensure that customers understand. I willingly accepted duties and responsibilities and offered assistance to co-workers. I served as the Proquis Document Control Administrator ensuring that all P&LMS documents and users were entered correctly into the system and reviewed in a timely fashion as required by the College of American Pathologists.

Dept. of Path., US Naval Hospital **12/2002 - 05/2006**
Agana Heights, GU United States

Quality Assurance Coordinator

My commitment at USNH-G was divided: 50% Blood Bank QA/PI, 40% Laboratory QA/PI, and 10% POCT Administration. Blood Bank consisted of both Donor Center and Transfusion Services with both Whole Blood and apheresis platelets being collected by the Donor Center. I supervised 26 military lab technicians in the areas of Quality Control (QC), Competency Verification, Proficiency Testing (PT), and adherence to CAP, AABB, FDA and all other regulatory Standards. As POCT Administrator, I supervised 180 operators at 16 hospital sites and one branch clinic (BMC). I performed instrument and method validations and verifications as well as correlations and linearities for all instrumentation. I troubleshoot instrument function, calibration, QC and PT irregularities. In BB I validated procedures to assure specific processes produced products meeting regulatory and quality specifications. I developed and monitored the BB training program, including GMP, competency verification and DBSS, to ensure compliance with regulatory requirements. I am proficient in use of CHCS and DBSS to prepare transfusion and look back reports. I performed in-service education and training for all techs in all areas except A&P. I wrote, reviewed and revised SOP's in accordance with regulatory requirements and maintained the document control index for all SOP's and forms. I monitored all documentation for completeness and accuracy, assuring that procedures were followed for donor suitability, blood collection, manufacturing, product testing, patient testing, storage, distribution, releases and computer documentation of blood and blood products. I reviewed, investigated and applied indicated corrective action in cases of manufacturing or issuing errors and accidents.

I monitored the Proficiency Testing program, ensuring timely submission of data, thorough review of results and performing necessary follow-up for discrepancies. I administered and supervised the QA/PI program. I designed performance improvement (PI) initiatives, collected required data and evaluated effectiveness of initiatives.

Laboratory Services, US Army Health Clinic

06/1997 - 12/2002

Vicenza, Vicenza Italy

Laboratory Manager

At US Army Health Clinic-Vicenza (VCZ), I supervised 3 Med Technologists, 3 Med Technicians, and 1 Lab Clerk. I served as the Technical Supervisor to the US Army Health Clinic at Livorno (LVO) supervising 2 Military Med Technicians at that facility. I designed and wrote laboratory procedures (SOPs) for new methodology and instrumentation. I reviewed and modified yearly over 200 SOPs. I established Quality Control (QC) systems for new methodology and instrumentation. I monitored QC systems and measures by approving all QC data and test results daily. I reviewed QC data and Preventive Maintenance documentation weekly and monthly. As Laboratory Manager, I managed the personnel and financial resources of the laboratory. I prepared and submitted to the Commander an estimated budget each year taking into account personnel; instrumentation operation, maintenance, purchase and replacement costs. Throughout the year I monitored the budget to ensure we were within our estimates. I prepared personnel schedules incorporating the time restraints imposed by regulation on civilian, military and local national technicians and technologists. I wrote and revised job descriptions, initiated recruiting actions, interviewed and selected personnel for vacancies as they occurred. I was able to avoid paying overtime to full time employees by the utilization of volunteers and part time employees. With careful scheduling I was able to train new employees, perform CAP mandated competency verification and perform continuing medical education activities within the regular work schedule of all personnel. I revised existing administrative policies and wrote new one as the need arose. Laboratory administrative policies were submitted to the Commander for endorsement. As I have served as a CAP Inspector and prepared labs for much inspection, I have extensive knowledge and understanding of JCAHO Standards, CAP Standards, the Clinical Laboratory Improvement Program (CLIP) and other regulatory requirements for clinical/laboratory audits and evaluations. In the inspection of the VCZ laboratory, June 2002, the inspector found no deficiencies and had no recommendations. We were awarded a perfect score The LVO laboratory had only three findings for an overall excellent inspection.

Dept. of Path., US Army Hospital

12/1995 - 06/1997

Landstuhl, Germany

Supervisory Medical Technologist

I supervised 7 civilian and military laboratory technicians and technologists. I know and understand reference standards, medico-legal requirements, regulatory and accrediting agency (JC, CLIP and CAP) requirements with regard to performing and monitoring diagnostic tests. Supervisory Functions: outlined assignments, set deadlines and priorities, and modification of existing methods when unusual problems or circumstances are encountered. I performed the necessary validity, accuracy, precision and correlation studies to bring the Triage Urine Drug Screen Panel on line.

I instructed students and new employees on basic theory, technical skills, troubleshooting and applications of all instrumentation and methods. Confirmed and certified test results before they were released to physicians and other health care providers. Daily and weekly, I monitored QC and patient test data. Determined corrective action when QC values fell outside acceptable limits. As POCT coordinator, I conducted monthly Train the Trainer classes on glucometers, reviewed monthly QC, advised site managers concerning necessary improvements, performed periodic site inspections, troubleshoot instrumentation problems and prepared site managers for pending inspections.

Dept. of Path, US Air Force Medical Center

04/1994 - 12/1995

San Antonio, TX United States

Quality Improvement Coordinator

My position was composed of two jobs: Department of Pathology QI Coordinator (55%) and point of Care Testing (POCT) Coordinator (45%). I monitored department programs and activities to ensure that all aspects, of laboratory work, both intra departmental and interdepartmental, were being performed according to College of American Pathologists (CAP) guidelines, Health Services Management Inspection (HSI) regulations, Clinical Laboratory Improvement Program (CLIP) guidelines and Joint Commission (JC) guidelines. Maintained the database documenting the current competency of all Department of Pathology personnel. As POCT Coordinator, I monitored 31 POCT sites. Tests performed include: urine dipstick analysis, whole blood glucose, gastric and occult blood, spun hematocrits, hemoglobin, and activated clotting time. I trained all POCT program managers. I wrote, reviewed and updated Operating Instructions for all tests done as part of the POCT program. I created data record forms, inspected testing sites on a routine basis, and documented whole blood glucose CAP proficiency testing three times a year. I maintained POCT databases showing patient, control and error data for each site.

Education, Professional and/or Community Activity (Present)

Degrees: B.A. in Mathematics and Psychology from Baylor University; M.B.A. from TAMUCC; Ed.D. from Texas Tech University I served as an administrator at Del Mar College for 33 years, and I was an AVP at Northern Kentucky University for six years. I retired from higher education administration in 2017. I am a member of the American Association of University Women (AAUW) and have been involved in the organization's community service activities. I assist with quarterly book sales at Neyland Library to raise funds for college scholarships and to provide donations to the Library. I have participated in community outreach activities at the YWCA that promote self-esteem and respect for disadvantaged pre-teen girls. I have created a website for the AAUW Corpus Christi Branch which helps increase the visibility of the organization and demonstrates to the local community the mission and purpose of the organization. In 2021, I assisted AAUW in establishing an endowed scholarship at TAMUCC with \$12,000 and a second endowed scholarship at Del Mar College with \$10,000. I am a member of the League for Women Voters, and I served on the committee that developed the display at the Nueces County Courthouse celebrating the 100th anniversary of women's right to vote in 2020. Lastly, I am a member of the Nueces County Genealogical Society which meets at La Retama Library.

Why are you interested in serving on a City board, commission or committee?

I am a strong supporter of education, having worked 40 years in higher education. Increased levels of literacy and education in our community will create a better educated workforce, which will lead to improved economic development for our region. Libraries are the backbone of a good educational system. All education levels, pre-k through graduate education, need the support of strong, community-based libraries, like the Corpus Christi Public Library. From special programs offered at the library that inspire young children to enjoy reading to the advanced resources needed by college students to complete their studies, the library serves a vital function for our community. As a frequent patron of the Corpus Christi Public Library, I am interested in helping to promote the Library's mission for all of our citizens, and I have the energy and skills to serve the board well.

Why are you interested in serving on a City board, commission or committee?

I want to serve Corpus Christi. My husband and I chose to retire here because we love this City. It has given us so much, and I want to give back. I think that supporting our arts and libraries and increasing literacy, knowledge, readership, and library participation is the best way I can do that. Thank you for your time and consideration.

INTERESTS AND GOALS

I believe that our cities and communities are like an extended family, and we can thrive when we support each other with resources, development, planning and nourishment and support for growth. Corpus Christi is growing up and is maturing into an even more shining gem by the sea with such vision, which is why we moved here permanently in 2015. We need to continue to increase our literacy rates though and move our libraries and creative institutions forward for workforce development, as well as to retain and attract new urban pioneers.

My dedication, background and education in labor, human rights, and applied and urban anthropology of the South enable me to participate fully on the Corpus Christi Public Library Board. I can do outreach, fundraising, conduct research and interviews, and work with other Board Members and the City Council. I am especially qualified and interested in issues of literacy, the arts, urban and community development and public policy with these credentials:

- Program Evaluator
- Applied Anthropologist
- ESL Instructor and Spanish Instructor
- Labor Representative
- Certified Facilitator and Trainer
- Certified Trainer of Trainers in Human Rights Education and former Member of Amnesty International Network of Human Rights Educators

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

1. Human Relations 2. Library I would be honored and happy to work on any of the boards I am applying for. I am eager to increase my community involvement and help where I can. I promise to bring all of my energy, creativity, knowledge and kindness to any board I am chosen to serve on.

Why are you interested in serving on a City board, commission or committee?

As a Corpus Christi native, I am in love with this city and the community. The more involved in the city I become the more involved I want to be. I see such good in the people here and such potential for Corpus. It's hard to ignore the positive momentum that is building. The air is filled with energy and excitement as we grow and work hard towards better days. I have much experience and knowledge to give as a board, commission and committee member. But most of all I have much heart, grace and empathy to give.
