Which Boards would you like to apply for?

PORT OF CORPUS CHRISTI AUTHORITY OF NUECES COUNTY, TX: Submitted

Interests & Experiences

Are you a Nueces County registered voter?

Yes No

Do you currently serve on any other City board, commission or committee at this time? If so, please list:

Commissioner - Port of Corpus Christi

Education, Professional and/or Community Activity (Present)

M.S. Petroleum Engineering, 1985 B.S. Petroleum Engineering, 1983 Advisory Board, Foster Angels of South Texas - Serve over 2000 Foster Children of South Texas Bikes for Christmas - Collected 215 bikes in last three years from neighbors and friends, refurbished same, and donated to various local charities Christus Spohn Foundation Board Member Texas State Aquarium Board member American Heart Association Board Member Go Red for Women Board Member Former Chairman, Society of Independent Petroleum Earth Scientists Trustee, South Texas Hindu Society Temple

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Not Applicable

Why are you interested in serving on a City board, commission or committee?

I have had the privilege of serving on this board for the past three years and have gained immense knowledge and comprehension of the appointing body that I serve. I would appreciate the opportunity to continue developing this knowledge base so as to even better serve this community. This position draws perfectly on my educational and professional background. I've worked in the oil & gas business in Corpus Christi since 1987 and understand all aspects of the business. I'm currently involved with two companies - as the CEO of Texegy LLC and as President of SV Energy Company LLC. I understand the Energy business from a technical as well as from a management point of view. My unique engineering and oil & gas background has been and should continue to be great assets to this prestigious board. I also serve on many non-profit organizations and understand the Port's role within this community that we serve, both from the economic and environmental point of views. Since I am originally from India and speak the Indian language, my involvement with the Port of Corpus Christi has already helped build relationships and trust with Indian authorities including the Indian Ambassador in Washington, DC and the Consulate General in Houston, Texas. These relationships could greatly help the Port of Corpus Christi with its future dealings with India which now is the fifth largest economy in the world.

Question applies to PORT OF CORPUS CHRISTI AUTHORITY OF NUECES COUNTY, TX

(For Port of CC) Are you a resident of the Port Authority district and an elector* of Nueces County?

Yes No

(For Port of CC) Have you been a resident of Nueces County for at least 6 months?

Yes No

Verification

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application or in any attachment (e.g. resume or supporting documentation) for appointment it is subject to and must be disclosed under the Texas Public Information Act. I understand that under the Texas Public Information Act, my home address and home telephone number is subject to public disclosure unless I am elected or appointed to the position which I seek. I hereby consent to the release of my home address and home telephone number should it be requested under the Texas Public Information Act prior to my possible appointment or election. I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Texas Public Information Act.

I Agree

Oath

I swear that all of the statements included in my application and attached documents, if any, are true and correct.

Education

- 1984-1985 **M.S., Petroleum Engineering, Louisiana State University, Baton Rouge, LA**
- 1981-1983 **B.S., Petroleum Engineering, Louisiana State University, Baton Rouge, LA**
- 1979-1981 **University of New Orleans, New Orleans, LA**
-

Work Experience

- 2014-Current **CEO, Texegy LLC, Corpus Christi, TX**
- Texegy LLC is an independent Oil & Gas Exploration and Production Company formed in 2014. Its purpose is to acquire producing oil and gas assets and create value by applying new technological advances to improve production and increase operational efficiencies.
- 2011-Current **President & COO, SV Energy Company, LLC, Corpus Christi, TX**
- SV Energy Company, LLC is an independent Oil & Gas Exploration and Production Company. It explores for oil and gas through acquisition of leases and drilling new wells as identified by highly experienced geoscientists.
- 2012-2014 **Executive VP, SV Resource Partners LLC, Corpus Christi, TX**
- SV Resource Partners, a partnership between SV Energy Company and private equity group GCP Capital of New York, was formed in 2012 and after acquiring several producing assets, was sold in 2014 with handsome return for its investors. The assets were purchased by Texegy LLC in 2014 which kept SV Energy Company as its management team.
- 1987-2010 **Magnum Producing, LP, Corpus Christi, TX**
- Started career with Magnum Producing, LP, a newly formed independent and privately owned Oil & Gas Exploration and Production company in 1987 and worked as a Petroleum Engineer, Vice President of Production and lastly as Vice President of Operations and resigned in 2010. During my 23 year tenure, Magnum grew to owning interests in and operating over 400 wells in South Texas, East Texas, West Texas, South Louisiana and Kansas and participated in an additional ±200 non-operated wells. A majority of these properties were acquired through negotiations or auctions, and others were drilled by Magnum. For most of the early acquisitions, I was responsible for evaluating the properties, performing economic analyses and visiting well sites before a purchase offer was made. I was also responsible for reviewing production operations and recommend and implement procedures to increase operational efficiencies and reduce operating costs as well as marketing crude oil and natural gas.

1979-1985 Immigrated from India after finishing high school in 1979. Worked part time/full time all through college as well as took student loans to put self through college.

List of Volunteer Activities

Advisory Board and former President of Foster Angels of South Texas (FAST) – Work with CPS to support foster kids in the 19 county area of South Texas (Yearly budget ±\$750,000)

Bikes for Christmas for underprivileged kids – **A personal project.** For the last three years, I've asked friends and neighbors to donate used bikes that might be sitting in their garages. I personally had these bikes repaired (Change seats, tubes/tires, chains, brakes, etc.) and donated about 215 bikes to CASA, CPS, The Purple Door and Mission 911 as Christmas gifts.

Board Member of the Christus Spohn Foundation

Board Member of the Texas State Aquarium

Board Member of the local chapter of the American Heart Association

Board member of the local chapter of the Go Red for Women organization

Former Chairman of the local chapter of Society of Petroleum Earth Scientists (SIPES)

Trustee of the South Texas Hindu Society Temple (SV Temple) and member of its Operations, and Finance Committees

Board Member of Corpus Christi Oilman's Tennis Tournament for 35 yrs. We raise money through this tennis tournament and donate funds to local chapters the Society of Petroleum Engineers (SPE), the American Petroleum Institute (API), and the American Association of Petroleum Geologists (AAPG) for scholarships for college-bound students

Past board member of The Deaf and Hard of Hearing Center - Also helped my older son with his Eagle Scout project, which was to paint parts of the interior and exterior of the Deaf Center building.

Staunch supporter of Metro Ministries - Helped my younger son with his Eagle Scout project, which was to build a long brick planter at the Metro Ministries facility

No

Education, Professional and/or Community Activity (Present)

AA: Del Mar College (1994); BA: TAMUCC (1995); PhD: Boston College (2004)

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

1) Port of Corpus Christi, 2) Crime Control and Prevention District

Why are you interested in serving on a City board, commission or committee?

I am a trained, quantitative sociologist. I regularly use data from the Bureau of Labor Statistics, the American Community Survey, and the U.S. Census in my research and while teaching my classes. I've spent nearly two decades teaching a course titled, "Social Class and Inequality" where I've required my students to apply concepts to these regional data. What's more, I've been a researcher for Health Needs Assessments in the Coastal Bend since 2010, and I have conducted research that examines the impact of economic inequality on people's life chances. Moreover, as a concerned citizen, I've paid close attention to the operations of the Port of Corpus Christi as well as economic reports produced by the Coastal Bend Council of Governments. I believe my professional training as a social scientist, as well as my research activities, as well as my years of civic engagement make me a uniquely qualified person to serve as a Port Commissioner.

Question applies to CAPITAL IMPROVEMENTS ADVISORY COMMITTEE

The Capital Improvement Advisory Committee must include representatives from certain industries. Do you qualify for any of the following industries? *

- Real Estate
 Development
 Building Industry\,

One member shall be a representative of the City's extraterritorial jurisdiction if impact fees are proposed. Do you qualify?

Yes No

Verification

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application or in any attachment (e.g. resume or supporting documentation) for appointment it is subject to and must be disclosed under the Texas Public Information Act. I understand that under the Texas Public Information Act, my home address and home telephone number is subject to public disclosure unless I am elected or appointed to the position which I seek. I hereby consent to the release of my home address and home telephone number should it be requested under the Texas Public Information Act prior to my possible appointment or election. I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Texas Public Information Act.

Coordinate and facilitate two stakeholder groups to develop Implementation Plans for the Cole and Ropes Parks, and Oso Bay and Oso Creek TMDLs. The IPlans provide a road map for improving water quality by reducing pollutants. The IPlan Coordination Committees are composed of people from within the community (stakeholders) who come together, set goals, create management measures, and identify partners to implement those measures, with the goal of restoring water quality.

Formerly:

Coastal Bend Bays Foundation, Associate Director (Previously, Executive Director)
1227 Agnes Street, Suite B-1, Corpus Christi, Texas 78401

Coordination of stakeholder processes (CARP and Oso) to create Implementation Plans (2), with the goal of benefitting the public, and fish/wildlife resources (as above). Launched the CARP Video Workgroup, which created educational videos for the general public, and school-age kids on protecting our coastal waters, fish and wildlife resources, and reducing personal impacts on those resources.

Project management. Earth Day Bay Day and CBBF Environmental Awards Banquet – Two multi-partner, annual events that 1) educate and entertain area residents about our environment; 2) honor area people and entities that have helped our area environments. Both events are funded in cooperation with private, local, and state partners, including the Coastal Bend Bays & Estuaries Program.

Avian Biologist, Project Consultant

Locations include Brownsville/SPI International Airport, South Texas ranches, and other locations.

U.S. Fish & Wildlife Service, Corpus Christi Field Office

Fish and Wildlife Biologist. Conducted contaminants research in Lavaca Bay, Nueces Bay, Corpus Christi Bay. Responded to area oil spills. Partnered with US Coast Guard, Texas General Land Office and others to create SENSITIVE HABITAT MAPS of the Texas Gulf Coast, which prioritized protection of sensitive habitats in the event of oil or chemical spill. Commented on USCOE permits, state discharge permits, endangered species issues.

Corpus Christi-Nueces County Health Department

Registered Sanitarian. Food Handler/Food Manager education. Inspection of food establishments.

Yes No

Verification**City Code Requirement - Residency**

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

I Agree

- Pay monthly dues and pass security background check to drive on base.

LETTERS OF RECOMMENDATION

September 1, 2022

To Whom it may concern,

It's my absolute pleasure to recommend Janie Gifford for your employment.

Janie and I were coworkers at Unique Employment for the 7 months that I was employed there. I have since moved on, but have kept in close contact with her.

I thoroughly enjoyed working with Janie and always admired her positive, upbeat spirit and willingness to learn. Her organization skills and commitment are top-notch and I believe she can do anything she puts her mind to because she fully engulfs herself in any task she is presented with.

Her goals and ambitions are an inspiration to others as she continues her journey through life. Her willingness to be part of a team, foster positive discussions, and her dedication were truly admirable. Couple that with her ever-growing intelligence, insights and ideas, and work/life experiences, I believe she would be an asset to any organization that chooses her to be part of their team.

Please feel free to contact me at (806)-893-4263 or jaycezuniga16@gmail.com should you like to discuss Janie's qualifications and experience further. I'd be happy to expand on my recommendation.

Sincerely,

Jayce Zuniga

To Whom This May Concern:

I am pleased to write this letter of recommendation for Janie Gifford, who is currently applying to your graduate program.

I have had the pleasure of knowing Janie for a little over a year. She was a student in my upper-level research methods course at Texas A&M University – Corpus Christi. As a student in the classroom, Janie was engaged and performed well overall. She picked up new tasks quickly and was able to present her results effectively both in written and oral form. She also worked well under the unusual circumstances created by the early stages of the COVID-19 pandemic and was able to continue her learning process, even in a format that may not have been her first choice.

In addition to her work in the classroom, Janie has worked in the field, often in positions that would give her more insight into the courtroom and surrounding processes. She has been a paralegal as well as a receptionist/court runner for several legal firms. As a result, Janie, more than many other undergraduate students that I have taught, may have a clearer sense of the role in the criminal justice system that she is wishing to undertake. As a result of Janie's knowledge of the system, her persistence when it comes to continued learning, her ability to successfully complete difficult new tasks under difficult conditions, and her abilities to communicate both orally and in writing, I highly recommend Janie for your program. If there is anything else I can do to further her application, please do not hesitate to contact me.

Sincerely,

Wendi Pollock

Corpus Christi, TX 78401

November 17, 2021

To Whom It May Concern:

I am highly recommending Janie Gifford to you. I am a paralegal at Bandas Law Firm and I have worked with Janie in redeveloping our litigation filing system. I believe Janie would be a great asset to the position she applies for.

Janie has displayed a very positive and ambitious work ethic with all tasks I did present to her. On top of that, she had excellent organizational skills and was very prompt.

I believe that Janie will be a great fit for your business. She was amazing to work with and shows she is very knowledgeable while also has a interest to learn more.

Sincerely

Brittani Ortiz
Paralegal

To Whom It May Concern:

It is my great pleasure to write this recommendation letter to Janie Gifford for her application to law school. Janie Gifford is one of my students at Texas A&M University of Corpus Christi. She took communication theory course with me. I was impressed by her diligence, critical thinking, and exceptional communication skills.

I am an assistant professor of Department of Communication and Media at Texas A&M University-Corpus Christi. I have taught communication related courses since 2015. Janie Gifford is one of the most talented students I have worked with.

In Communication Theory class, Janie is one of the students who progressed tremendously at the end of the class. At the beginning, Janie was a little bit struggled with her case study idea. With tons of hard work and deep research, at the end of the semester, Janie developed a great piece of final work. I am surprised by her perseverance and determination. Her immense improvement resulted from her hard work and unstoppable spirit.

In addition to schoolwork, Janie also has various professional experience. She has been a hiring recruiter for unique employment agency. In addition to that, she also worked as a paralegal for years. Janie is enthusiastic about her work and developing numerous important skills and abilities for her future career. With years of working experience, Janie is excellent at multitasking, planning and communication. To be a good paralegal, she needs to greet clients, take calls, manage social networking, interact with courthouse, jails, and police officers. Her extraordinary multitasking and planning skills made her survive and thrive in her job. Meanwhile, communication is another integral part in her work, an exceptional communication skill made Janie work with various people smoothly and productively.

To sum up, Janie is a self-motivated person with great passion on her study and job. With all the above-mentioned remarkable qualities, I believe that Janie Gifford will continue to be great in her future. I highly recommend her for admission to your program. She is talented, dedicated, hardworking and never stops chasing her dream. Janie's outstanding multitasking abilities, planning and communication skills will also make her a brilliant student in law school. Please feel free to contact me if you have any questions at sining.kong@tamucc.edu.

Sincerely,
Sining Kong
Assistant Profess of Communication

Attn: Law School Admissions Committee

Re: Recommendation for Admission to Law School
Janie Gifford

Dear Law School Admissions Committee,

It is with great pleasure that I recommend Ms. Janie Gifford for admission to your law school. Throughout her employment with my prior law firm, Ms. Gifford has proven to be very observant, a quick learner and exhibited professionalism and commitment to her work.

Ms. Gifford was initially brought into my office as additional office support with the understanding her responsibilities would be increased after her abilities were demonstrated. Ms. Gifford quickly shined and excelled.

Ms. Gifford was entrusted with maintaining client communications, handling sensitive documents and financial information, and keeping the office a welcoming and professional environment for my clients and colleagues. I was most impressed with her inquisitive nature. I took that to be demonstrative of both her attention to detail but also sincere desire to learn. Unfortunately, my prior partner began transitioning to retirement in August of 2018, and I was unable to continue to employ her as our office staff was downsized.

I believe Ms. Gifford has the character, work ethic and natural abilities necessary to excel in law school as well as practice. Having Ms. Gifford as a student at your law school will be a credit to your institution.

Sincerely,

STEVE LOPEZ

Available Upon Request

If I am given the opportunity to become a Port Commissioner, my priority would be to work at strengthening the communication network between the appointing authorities, the Port, industry stakeholders, various community leaders and the public. My time will be committed to help guide the Port in the vital role POCCA has in supporting jobs and the economy of the Coastal Bend. I keep up with Commission meetings, I study the agendas, budgets, contracts and future projects. It is very important to be well informed and not be afraid to question expenses and projects and to make informed suggestions for improvement.

During my 40 years of marriage, I've been given a unique opportunity to observe Port operations. My husband served as Executive Director of the Port in Philadelphia for 10 years and was subsequently chosen to be in charge of the Port of Corpus Christi for the next 25 years. I have personally served during those years in many diverse organizations but most notably in leadership roles with the Blessed Sacrament Auxiliary, the American Heart Association, the United Corpus Christi Chamber Foundation, the Pan American Round Table, the South Texas Botanical Gardens, the Port Aransas Garden Club, the New Neighbors League, and Mission 911. Throughout those years, I have gained a significant amount of knowledge about the inner workings of boards as well as specific insight into ports, their stakeholders and the unique and diverse challenges they encounter. I feel with my strong commitment to community service and dedication to our region, I would be a good Port Commissioner.

Education, Professional and/or Community Activity (Present)

Juris Doctorate Degree, Southern Methodist University (1990), Bachelor of Science Degree (Government, United States Coast Guard Academy (1982)

Why are you interested in serving on a City board, commission or committee?

I have been involved in the maritime community for the past 41 years as a sailor, military officer and an attorney specializing in maritime law. During that time, I have been and continue to be intimately involved with all activities that involve the maritime industry of Corpus Christi, Nueces County, San Patricio County and the Coastal Bend on a local and international level. Additionally, my background teaching ethics to the Coast Guard (and on advising on ethical issues) for a 10 year period of time would enhance the makeup of the Commission and add more public trust during a time that the Commission has been challenged (in the perception of the public) ethically and in expenditures of the public's money. I speak the language of the maritime industry, know the companies and governmental entities involved and will not take any "rampup" time to be an effective member. I am fortunate to have sufficient personal funds to dedicate a full time effort to the public. I have no ambitions of other office or to obtain information that would benefit me on a business basis. It is my intention to keep the City Council fully briefed on the status of the port. The Port Commission members should be picked based on a "best qualified" basis and not on the political influence the applicant has. I am extremely qualified for the position, have the time to devote to the position and will do an excellent job for the people.

Corpus Christi, Texas 78401

Re: Application to the Port of Corpus Christi Authority of Nueces County, Board of Commissioners

Dear Mayor and Council members:

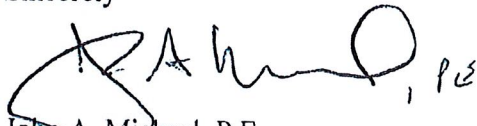

After careful consideration and thought, as well as encouragement from numerous members of the business and environmental community, I have decided to submit my name as an applicant for appointment to the Port of Corpus Christi Authority of Nueces County Board of Commissioners.

I am certain that you will receive many applicants from well qualified individuals, but I believe that my Engineering, Community and Business background will be a strong asset to the Port Commission. I have attached a short biography and my Professional Resume which reflects my work ethic, experience and my dedication to my profession and community.

As you know, I have spent most of my 41 years as an Engineer working with elected officials and I understand very well the responsibility of the public's trust. If appointed, I would commit to keeping you informed and available to you as you deem necessary. I have known many of you for nearly my entire business career and have greatly valued your confidence and most importantly your friendship. Your support as an appointment to the Board of Commissioners would truly be an honor.

I thank you for your consideration and look forward to answering any questions you may have of me. Feel free to contact me at any time at (361) 816-3700 (cell phone). I look forward to meeting with each one of you.

Sincerely

John A. Michael, P.E.
Sr. Vice President

CC: Michael Hunter, Jim Klein, Mike Pusley, Everett Roy, Sylvia Campos, Roland Barrera, Dan Suckley, Gil Hernandez

Attachments

JOHN A. MICHAEL, P.E.

John A. Michael, P.E. attended Texas A&M University in College Station, where he received his degree in Civil Engineering in 1981. John moved to Corpus Christi in 1982 and joined Naismith Engineering. Naismith Engineering, Inc. was an Architectural, Engineering, Survey, and Environmental headquartered in Corpus Christi, with branch offices located in Austin and Brownsville and Laredo. John served as the President and Chairman of the Board. Prior to joining Hanson Professional Services in 2016 as a Senior Vice President.

Since joining Naismith Engineering/Hanson. John has spent most of his professional career on the design of Public Works infrastructure improvements for city and county governments located throughout South Texas. In addition to overseeing the financing, design and construction of numerous public infrastructure projects exceeding several billion dollars in value, John has led many regional planning efforts involving flood control-planning, securing long term water supplies, wastewater treatment and reuse, solid waste management activities, industrial site selection and development, transportation, and recreational facilities. John led a team of architects, engineers and environmental scientists which resulted in the federal authorization for the reopening of Packery Channel, the raising of the JFK Causeway, and the development of a Master Plan for both the Nueces County Regional Fairgrounds and the San Patricio County Fairgrounds.

John has devoted a great deal of his time to the advancement of the Civil Engineering Profession in the State of Texas. After having served in every office capacity for the Corpus Christi Branch of ASCE, John went on to serve on numerous Professional and Technical Committees at the State level. In 2002, John served as the State President of the Texas Section of ASCE and currently serves as a founding member of the Texas Civil Engineering Foundation. John received the TSPE Nueces Chapter Young Engineer of the Year award in 1988, TSPE Nueces Chapter Engineer of the Year in 2004, and the State Texas Section ASCE Professional Service Award in 2001.

In 2010 John was appointed to the Ombudsman Fairness Board by the Administrator of the U.S. Small Business Administration (SBA). John was one of the two Texans representing Region VI which includes Arkansas, Louisiana, Oklahoma, New Mexico, and Texas. This Board position assists small businesses when they experience excessive or unfair federal regulatory enforcement actions.

On a local level, John has served in leadership positions on numerous community and civic boards including the United Way, March of Dimes, Mayors Task Force for Water Supply, Corpus Christi Bay National Estuary Program, Coastal Bend Bays and Estuaries Program, Nueces County Colonias Task Force, Flour Bluff Foundation for Educational Excellence (Chairman), Corpus Christi Chamber of Commerce (Chairman) and the Nueces County Beach Management and Dune Protection Committee (Past Chairman), and the Corpus Christi Regional Economic Development Commission.

John and his wife Jackie have two children, Chris and Michelle, and reside in the Flour Bluff area of Corpus Christi.

RELEVANT EXPERIENCE

Mr. Michael has over 41 years of intensive project design and management experience in assisting numerous public and private entities throughout South and Central Texas. These projects include innovative and cost-effective solutions for potable and non-potable water supply, distribution and treatment, wastewater collection and treatment, storm water management, municipal solid waste collection and disposal, industry site development, transportation, and recreational facilities.

MAJOR PERTINENT PROJECTS

- Civil and Environmental Services for the San Patricio Municipal Water District; Rincon Water Supply Corp.; Nueces County Water Control and Improvement District No. 3; San Patricio Municipal Utility District No. 1; South Texas Water Authority; San Patricio County Drainage District; Port of Corpus Christi Authority; San Patricio County and Corpus Christi Economic Development Corporations; Nueces County Hospital District, Regional Transportation Authority, and Aransas, Brooks, Nueces, Kleberg, Kennedy, Cameron, Refugio, Webb, Jim Hogg, and San Patricio Counties.
- Civil and Environmental engineering services for the municipalities of Aransas Pass, Driscoll, Gregory, Mathis, Bishop, City of Corpus Christi, Ingleside, Ingleside on the Bay, Odem, Port Aransas, Los Fresnos, Orange Grove, Alice, Port Lavaca, Fulton, Laredo, Portland, Sinton and Taft, Texas.
- Project Manager for over 100 Colonia water distribution system and wastewater treatment and collection system projects funded through the Texas Water Department Board (TWDB) Economically Distressed Areas Program (EDAP), Texas Department of Housing and Community Affairs (TDHCA) and the Office of Rural Community Affairs (ORCA). Projects have included service to San Patricio, Aransas and Nueces County Commissioners Court, the South Texas Water Authority, Violet Water Supply Corporation, the Nueces Water Supply Corporation, City of Ingleside, St. Paul Water

Supply Corporation, City of Ingleside of the Bay, Rincon Water Supply Corporation, and numerous municipalities located in South and Central Texas.

- Project Manager of the Regional Northshore Wastewater Re-Use, Water Supply and Flood Control Planning Study, San Patricio County, Texas. Project scope included analyzing the feasibility of re-routing municipal wastewater treatment plant effluents and combing these efforts with water supply and flood control associated with the Green Lake Facility located between the City of Portland and Reynolds Metals Plant in San Patricio County, Texas. This represented a cooperative venture between several public and private entities located within the planning region. This innovative project resulted in both short- and long-term cost savings to Region in dealing with these varieties of issues.
- Project Engineer for numerous potable water treatment, transmission, and pump station improvements for the San Patricio Municipal Water District, including repairs and modifications to the District's 36" diameter untreated and 24" diameter treated water transmission lines; major pump station rehabilitation to the District's three (3) raw and treated water booster pump stations; and design services associated with the District's industrial and municipal water treatment facilities.
- Extensive environmental engineering services for governmental, private, and industrial clients including municipal solid waste collection and disposal facilities and hazardous and nonhazardous remedial action planning and final closure.
- Project Manager for the Regional Water and Wastewater Master Plan for the Live Oak Ridge Area of San Patricio County, including the Cities of Ingleside, Ingleside on the Bay and Aransas Pass, Texas. This planning report was prepared to outline the adequacy of the existing water and wastewater facilities in the Aransas pass/ Ingleside area of San Patricio Count known as Live Oak Ridge. This project was funded in part by the Texas Water Development Board in anticipation of infrastructure needs associated with the Homeport facilities located near Ingleside, Texas. The Report is used daily as the primary planning document for this area.
- Project Manager for the San Patricio County Drainage District Flood Study. This project included evaluating major drainage and flood control issues throughout San Patricio County, Texas. Project scope included preliminary design, hydrology and hydraulic analysis, project feasibility analysis, environmental considerations, and preparing a cost-to-benefit analysis for each project recommended. The project recommended approximately \$38 million in needed priority flood control projects for San Patricio County.
- Project Engineer for the Regional Wastewater Planning Study for the Nueces Bay Estuary, Phases I and II in the areas of Corpus Christi and San Patricio County. The primary objective of this study was to determine the feasibility of supplementing

freshwater inflow to the Nueces Bay system through diversion of reservoir releases and municipal and industrial wastewater return flows, and to consider the potential benefits and impacts associated with these diversions.

- Project Manager, Sanitary Landfill Site Selection for the City of Corpus Christi, Texas. This work included assisting the City of Corpus Christi and the City Council's appointed Citizens Advisory Council in the evaluation and selection of potential sites for a future sanitary landfill to serve the City of Corpus Christi, as well as other public and private entities on a region-wide basis.
- Project Manager, Regional Solid Waste Management Plan for the Coastal Bend Council of Governments. This study included preparation of a comprehensive 20-year solid waste management plan for the twelve county Coastal Bend Areas of Aransas, Bee, Brooks, Duval, Jim Wells, Kenedy, Kleberg, Live Oak, McMullen, Nueces, San Patricio and Refugio Counties. The plan evaluated existing collection practices, landfill operations and facilities (18 sanitary landfills were evaluated), waste streams, and projections of future waste disposal requirements. The plan addressed source reduction, composting, recycling, and combustion. In addition, it outlined future requirements for solid waste management facilities, as well as preparing implementation schedules over the 20-year period.
- Project Manager for the \$90,000,000 Nueces County Recreational Capital Improvement Project. Mr. Michael led a team of engineers, architects, coastal resource planners, and economist during a three-year planning effort which investigated the technical, environmental, and financial feasibility of raising the JFK Causeway, reopening Packery Channel from the Laguna Madre to the Gulf of Mexico, and the development of a new regional fairground complex.
- Project Engineer and Member of the Nueces County Colonias Task Force. This two-year planning effort included coordination of public infrastructure Investments to several Colonias located throughout Nueces County. Work effort included presiding over numerous public meetings, participating in workshop meetings with local civic and social services groups, coordinating fund raising efforts, participating in a health fair event for Colonias residents, and assisting the Nueces County Commissioners Court and County Attorney with legal and engineering considerations to help stem future Colonias development. A relocation plan for the Tierra Grande Subdivision was developed and implemented.
- Project Manager overseeing the planning, design, and construction of the Nueces County Regional Fairgrounds Complex. This project was completed in several phases and includes a \$7 million-dollar Minor League Baseball Stadium and a \$37 million dollar Master Planned Regional Fairgrounds Complex.

- Project Manager overseeing the planning, design, and construction of the \$22 million dollar San Patricio County Fairgrounds Complex.
- Project Manager for the 2009 Nueces County Regional Stormwater Management Master Plan. This project included the development of a comprehensive GIS System for Nueces County.
- Project Manager for the Ingleside Industrial Highway Corridor for the Local Redevelopment Authority (LRA). This project includes all planning, environmental studies, and engineering design to comply with NEPA and TxDOT/FHA standards.
- Project Manager for the Nueces County Hospital District, including the Westside and Robstown medical clinics, evaluation and demolition of Memorial Medical Center and planning for new medical facilities.
- Project Manager for the \$15.3M City of Alice Natatorium and the \$13M Flour Bluff Independent School District Natatorium.
- Project Manager for the Aransas County Storm Water Master Plan.

Which Boards would you like to apply for?

PORT OF CORPUS CHRISTI AUTHORITY OF NUECES COUNTY, TX: Submitted

Interests & Experiences

Are you a registered voter?

Yes No

Do you currently serve on any other City board, commission or committee at this time? If so, please list:

No

Education, Professional and/or Community Activity (Present)

M.A Trinity University, Co Chair Citizens Alliance for Fairness and Progress, and former Vice Chairman Board Member CCRTA, Former Vice Chairperson of Planning Commission

Why are you interested in serving on a City board, commission or committee?

I have a desire for public service and my skillset will provide another opportunity for diverse input for the future growth in our community. As a life long neighbor to the Port of Corpus Christi and the port related industries I can provide a unique perspective and add value to the Port's business model and its impact on our community and the nation as we continue to supply petrochemicals to the world.

[Upload a Resume](#)

Are you an ex-Officio member of a City Board, commission or committee?

Yes No

No person shall be appointed by the Mayor or Council Members to serve on more than one board, commission, committee or corporation at the same time. If you currently serve as a voting member for a board, commission, committee or corporation are you willing to resign your current seat to serve on another board, commission, committee or corporation?

Yes No

Are you a current candidate in an election for a non-city public office?

Yes No

Do you currently serve as an elected official for a non-city public office?

Yes No

Will you seek re-election to the non-city public office? If not in a non-city public office, please enter N/A

I am an Officer of the Hillcrest Residents Association who has filed an objection with TECQ concerning the application of the desalinization project.

Board-specific questions (if applicable)

Question applies to PORT OF CORPUS CHRISTI AUTHORITY OF NUECES COUNTY, TX

(For Port of CC) Are you a resident of the Port Authority district and an elector* of Nueces County?

Yes No

Question applies to PORT OF CORPUS CHRISTI AUTHORITY OF NUECES COUNTY, TX

(For Port of CC) Have you been a resident of Nueces County for at least 6 months?

Yes No

Verification

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application or in any attachment (e.g. resume or supporting documentation) for appointment it is subject to and must be disclosed under the Texas Public Information Act. I understand that under the Texas Public Information Act, my home address and home telephone number is subject to public disclosure unless I am elected or appointed to the position which I seek. I hereby consent to the release of my home address and home telephone number should it be requested under the Texas Public Information Act prior to my possible appointment or election. I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Texas Public Information Act.

I Agree

Oath

I swear that all of the statements included in my application and attached documents, if any, are true and correct.

I Agree

Lamont C. Taylor

Do you currently serve on any other City board, commission or committee at this time? If so, please list:

no

Education, Professional and/or Community Activity (Present)

Registered Professional Engineer, State of Texas, Number 66328 Bachelor of Science, Maritime Systems Engineering, Texas A & M University, 1979

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Marina

Why are you interested in serving on a City board, commission or committee?

I believe in serving the community and have skills that will add value to decisions made. When I moved to Corpus Christi as a young Engineer I personally conducted the underwater survey of damage to our Seawall and L-Head/T-Head structures with Goldston Engineering. The resultant reports and design proposal was adopted by the city and is in place today. Furthermore I was instrumental in collecting and presenting data to Congress that brought the Homeport to Corpus Christi. I worked on the GCCA Redfish hatchery and King Ranch Shrimp Farm in the 1980. I went on to work in the International Oil and Gas Industry as an engineer and progressed to VP of a Major Supplier of Equipment and Services Worldwide. I had 200 employees and offices in Corpus Christi, Houston, Chicago, Norway, Dubai and Singapore. After retiring I started an independent engineering company focused on Texas Windstorm Certifications and Marine Industrial Infrastructure.
