Nigel Alexander, Operations Manager

Rocky Milot, Facilities Manager

About

The 2025 AAIA 35th Annual Conference in Denver provides affordable education with up to 17 hours of NASBA-approved Continuing Professional Education (CPE) credits and offers networking opportunities. This conference is designed for AAIA members working for an airport, government, or authority overseeing an airport. It also welcomes consultants or service providers to airports whose companies cover their membership fees.

Attendees

Kimberly Miller, Assistant Director, Finance and Administration
