

CORPUS CHRISTI REGIONAL TRANSPORTATION AUTHORITY

Five (5) vacancies with term ending 6-30-2028, representing the following categories: 4 - City and 1 - City Transportation Disadvantaged.

Duties

The Corpus Christi Regional Transportation Authority operates and provides for a public transportation system for Nueces County and the cities included in the Authority.

Composition

Board of Directors consist of eleven (11) members - five (5) appointed by the City Council; three (3) appointed by Nueces County Commissioners Court; two (2) appointed by the Mayors of Cities in the Transit Authority other than Corpus Christi (Agua Dulce, Bishop, Driscoll, Gregory, Port Aransas, Robstown and City of San Patricio); and the Chairman who is appointed by the Board. The principal municipality shall make its appointments to the board so that at least one of the appointees is designated to represent the interests of the transportation disadvantaged (elderly, persons with disabilities or low-income individual.) The statute does not mandate that this Board member be transportation disadvantaged. If the Chairman is from the membership, the entity that appointed that person will appoint a replacement. Terms shall be for two years; members may serve up to eight consecutive years per State Law. The State Sunset Committee suggests that the appointing bodies should consider the appointment of a regular rider of the transit system. A member of the board must be a qualified voter residing in the authority.

Creation/Authority

Ordinance No. 18285 in accordance with Article 1118x, V.A.C.S. Approved by electors in the cities of Corpus Christi, Agua Dulce, Driscoll, Gregory, Robstown, San Patricio, and in Nueces County on August 10, 1985. Resolution No. 20363- Amended terms to two-years and set an eight-year service limitation for members; House Bill 1621. Transportation Code, Chapter 451.501, Metropolitan Rapid Transit Authorities.

Why are you interested in serving on a City board, commission or committee?

I am interested in serving on the City of Corpus Christi RTA board because as Moshe Feldenkrais so brilliantly stated "Movement (transportation) is life. Life is a process. Improve the quality of the process and you improve the quality of life itself." Corpus Christi is an amazing city with wonderful residents. I would love to be part of the movement that improves the process which would improve the quality of an already phenomenal city. Furthermore, although I do not have any disabilities I do have family members, clients, and friends who are either elderly, have disabilities or are low income. I have heard their struggles with transportation and would love to be their voice on the RTA.

I have seen first hand what mobility means ... think back remember the freedom when you first rode a bike .. When you first drove ... how it felt ...the whole world ... because you are elderly disadvantaged or poor you should not be denied this, your ability to go to the doctor to the store. To live

Why are you interested in serving on a City board, commission or committee?

My commitment to accessible, equitable, and forward-thinking transportation remains unwavering. I believe the progress we have made together reflects the value of stable, engaged leadership and invocation for public transportation. The key for education of public transit is to understand that it crosses all classes, cultural backgrounds and ages. My goal is to always give back to the City of Corpus Christi and provide the best professional insight to the future growth of Corpus Christi. In partnership with the elected City Council, I strongly believe in the partnership that boards, commissions and committees serve. I am Jeremy Coleman, a seasoned human resource and people management professional with over 11 years of experience in office management, human resources and operations. Among my greatest strengths is self-sufficiency and working with excellence. My communication, human development and business skills are my strongest attributes. My experience with a wide variety of companies and organizations allows me to be effective and develop a culture with the current leadership. I want you to personally know that I am precise in my work; stress-testing to ensure the work is accurate and completed in excellence. You will be getting more than an RTA Board Member or team leader; but an advocate for the city who will ensure to the highest degree of professionalism is reflected all around.

**Explain how you represent the interests of the transportation disadvantaged.
(If No, enter "N/A")**

I believe this question should apply to all applicants and current board members because equitable transit requires intentional representation. My advocacy is grounded in listening to riders, understanding barriers they face, and ensuring that policies, routes, and investments reflect the needs of those who depend on public transportation the most. I can represent the interests of the transportation disadvantaged because my work and service have consistently centered on ensuring that all riders—especially ADA riders, seniors, individuals with disabilities, and low-income residents—have a meaningful voice in public transportation decisions. As a current CCRTA Board Member, I have demonstrated this commitment through strong attendance, active engagement, and service on the Legislative Committee, where I supported efforts that resulted in historic funding for the CCRTA. These resources directly strengthen services relied upon by transportation-disadvantaged riders. My goal is to continue championing accessibility, ADA compliance, community outreach, and rider-centered improvements so that every member of our community—regardless of age, ability, or income—can travel safely, reliably, and with dignity.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Regional Transportation Authority

Why are you interested in serving on a City board, commission or committee?

Corpus Christi is strategically significant to Texas, United States and to our allies abroad, and has a bright future when coupling our geographic strengths with sound policy. Corpus Christi is also my home, and I want to be a part of the continued development of this community for the betterment of all, including my family. My experience in the domestic and international energy trade, first at the Port of Corpus Christi and then the Texas Oil and Gas Association, force multiplied with my role in advocacy at all levels of government positions me well to serve this community in a holistic, and thorough capacity.

EXPERIENCE

Texas Oil & Gas Association (TXOGA), Austin, TX
Director of Community Relations – Corpus Christi & The Coastal Bend

August 2019 – Present

The Texas Oil & Gas Association (TXOGA) is a statewide trade association representing every facet of the Texas oil and gas industry including small independents and major producers. Collectively, the membership of TXOGA produces approximately 90 percent of Texas' crude oil and natural gas and operates the vast majority of the state's refineries and pipelines. In fiscal year 2023, the Texas oil and natural gas industry supported over 480,000 direct jobs and paid \$26.3 billion in state and local taxes and state royalties, funding our state's schools, roads and first responders.

- Advocated on issues important to the prosperity of Texas such as responsible economic development, critical infrastructure expansion, and enhanced grid reliability during the 87th, 88th and 89th Texas Legislative Session
- Advocated federally on issues around permitting reform, carbon capture, and critical water infrastructure
- Advocate locally on project specific items such as facility expansion, buildout of critical infrastructure and serve as a bridge between the community and industry
- In a newly created role, developed and executed a holistic engagement strategy from the ground up
- Launched a successful and ongoing informational series on topical issues in the energy space, focused on providing insight to a wide range of stakeholders
- Highlighted the strides the industry is making in global efforts, including the role energy systems play in the dual challenge of satiating global and domestic energy needs while simultaneously lowering our emissions footprint
- Routinely serve as an industry spokesperson toward a variety of stakeholder groups including, but not limited to, local, state, federal, and international government, military leadership, emergency responders, state agencies, 501(c)(6)/(3) organizations, media outlets, professional associations and academia
- Co-founded a scalable, multi-disciplinary, cross-industry public education effort with sustainable funding and mobilization resources
- Personal focus on helping form bonds between geographically separated communities to unify from an advocacy standpoint, so that the voice of the entire region becomes strengthened

Port of Corpus Christi Authority, Corpus Christi, TX
PR/Communications Coordinator

February 2014 – August 2019

The Port of Corpus Christi has been in operation since 1926 and has since become the largest port in the United States, based on total revenue tonnage, and the nation's largest energy export gateway. The Port boasts a 54-foot-deep channel, three Class I railroads – BNSF, KCS, and UP – and a location adjacent to

connecting Texas highways Interstate 37 and Highway 181. With all these assets at our disposal, our mission is and always will be to leverage commerce to drive prosperity for Corpus Christi and the Coastal Bend.

- Represented the organization via speaking engagements, event participation and through tours to stakeholders including regional and international trade associations, community organizations, media outlets and policymakers
- Led the sitting 27th District of Texas Congressman on a tour of the Port of Corpus Christi Authority, emphasizing the need for federal funding of the Corpus Christi Ship Channel.
- Advised Texas House of Representatives Transportation Committee Chair of the strategic value of Texas ports, leading to focused interest in state support of port-specific projects
- Championed the strategic value of intermodal fluidity to national security to members of the National Defense University
- Routinely as conduit for dialogue between the Port of Corpus Christi Authority and the communities it serves

PROFESSIONAL AFFILIATIONS / COMMUNITY INVOLVEMENT

- Currently serving on Rally Credit Union Board of Directors as an Advisory Director. Rally Credit Union is the largest credit union in South Texas, with over 200,000 members and nearly \$5B in assets
- Currently serving on Board of Directors as member and past Chairman of the Finance Committee for the Boys and Girls Club of the Coastal Bend (BGCCB). Since 1957, it has been Boys & Girls Clubs of the Coastal Bend's (BGCCB) mission to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens
- Currently serving as Chair of the Corpus Christi Strategic Workforce & Education Plan Priority Three Committee, with the mission of enhancing collaboration and partnerships among education, business, industry, and community organizations to align student skills with workforce needs
- Currently serving on the South Texas Military Task Force
- Currently serving on the Texas A&M University – Corpus Christi Alumni Association Board of Directors
- Served as an Executive Committee member of the Rising Tide Society, a dynamic group of young leaders and professionals in the Coastal Bend community who are passionate about service, education, conservation and furthering the mission of the Texas State Aquarium
- Served as an inaugural Co-Chair of the South Texas Energy & Economic Roundtable (STEER) Millennial Committee, whose mission was to empower employees to be proud ambassadors of the oil and gas industry in their everyday lives, and immediately engage South Texans
- Served as a mentor in the Texas A&M University - Corpus Christi (TAMUCC) Islander Mentorship Program
- Current Rotarian affiliated with the Rotary Club of West Corpus Christi

Why are you interested in serving on a City board, commission or committee?

I can represent both the disadvantaged and the elderly since I belong to both groups, as well as all riders, having ridden the bus to my first job. I still ride the bus at least a few times a year. I believe it is essential for representation to come from someone who interacts with people on the. Buses understand their needs and are approachable. I have been asked by my riders to speak on their behalf. I am not seeking this position for privilege- I am seeking it because those who depend on public transportation deserve a true advocate,

Question applies to CORPUS CHRISTI REGIONAL TRANSPORTATION AUTHORITY

Explain how you represent the interests of the transportation disadvantaged. (If No, enter "N/A")

I am able to represent both the elderly and individuals with disabilities, as I belong to both groups. Additionally, I can advocate for all bus riders. I would be the only board member who regularly rides the bus and understands its users' needs. I am not pursuing this position for prestige; I seek it because those who rely on public transportation deserve a genuine advocate. Riders have encouraged me to apply for this position during conversations at places like HERB, Walmart, and other public locations.

Verification**City Code Requirement - Residency**

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. Corpus Christi Regional Transportation Authority

Why are you interested in serving on a City board, commission or committee?

As a lifelong resident of Corpus Christi, I'm deeply invested in the city's success. My extensive experience in the engineering and construction industry, particularly with leading national firms, has provided me with a strong understanding of project management, cost control, and efficient execution across a wide range of project sizes (from \$50 million to \$5 billion). This experience has also given me valuable insights into the best practices employed by world-class organizations. I'm passionate about leveraging this expertise to contribute to our city's growth and development. Serving on a board, commission, or committee would allow me to directly participate in shaping a thriving future for Corpus Christi and its citizens.

Question applies to CORPUS CHRISTI REGIONAL TRANSPORTATION AUTHORITY

Explain how you represent the interests of the transportation disadvantaged. (If No, enter "N/A")

Representing the transportation disadvantaged—our elderly, individuals with disabilities, and low-income residents—requires looking at public transit not just as a network of vehicles, but as an essential, high-reliability infrastructure system that drives economic mobility and community health. With a professional background rooted in complex systems engineering, large-scale infrastructure project management, and financial analysis, I bring a structured, data-driven approach to advocating for these communities. I understand that for an elderly resident heading to a medical appointment or a low-income worker commuting to a shift, a late bus or an inaccessible stop isn't just an inconvenience; it is a systemic failure that impacts their livelihood. If appointed, I will represent these crucial interests by focusing on three areas: System Reliability & Accessibility: Applying rigorous engineering oversight to ensure asset management, route planning, and specialized services (like B-Line paratransit) minimize downtime and maximize physical accessibility. Fiscal Responsibility & Grant Optimization: Leveraging financial stewardship to ensure that CCRTA capital investments and federal funding are deployed efficiently, prioritizing modernizations that directly improve safety and lower barrier-to-entry costs for low-income riders. Future-Proofing Infrastructure: Evaluating long-term transit investments with an eye toward sustainability and resilience, ensuring our system remains robust and affordable for the communities that rely on it most. Ultimately, I believe a transit authority is measured by how effectively it serves those with the fewest alternatives. I am fully committed to ensuring that the voices of Corpus Christi's transportation-disadvantaged residents are central to every infrastructure, policy, and budgetary decision the Board makes.

Explain how you represent the interests of the transportation disadvantaged. (If No, enter "N/A")

My first job with the City of Corpus Christi after graduate school was to develop the Elderly and Handicapped Transportation System. The system was located with Senior Community Services Center Lindale from 1976 - 1980 then the system was combined into City Transit from 1980 - 1986, with the creation of the Regional Transportation Authority who operates the Care B system today, giving me a unique experience with Disability Rights and transportation , I sit on MHID foundation Board and as a member of the CBCIL (Coastal Bend Center for Independent Living) . My unique experience having insight with Urban and Rural Transportation, experience with disability rights groups, and being a stage IV cancer survivor gives me an insight that 95% of the applicants would not possess. my perspective of developing the para transit system as it stands today I feel I look back and they look forward to how the citizens of CORPUS CHRISTI can maintain an increase regional approach to transportations to truly establish an economic connection to the region I feel transportation is a key component to connecting those dots. I appreciate the opportunity. Thank you for your consideration

Verification**City Code Requirement - Residency**

Education, Professional and/or Community Activity (Present)

I am currently employed with the Boys & Girls Club of the Coastal Bend, where I work closely with youth and families from low-income communities, supporting their development and access to essential resources. In addition, I serve on the Board of CASA of the Coastal Bend, where I help advocate for children in the foster care system and support efforts to ensure their safety, stability, and well-being. Through both my professional role and community involvement, I remain actively engaged in serving and advocating for underserved and vulnerable populations in my community.

Why are you interested in serving on a City board, commission or committee?

I am interested in serving on a City board because I want to be more actively involved in decisions that directly impact my community. Through my work with the Boys & Girls Club of the Coastal Bend and my service on the Board of CASA of the Coastal Bend, I see firsthand how policies and services affect youth, families, and vulnerable populations—especially those facing transportation and economic challenges. Serving on a City board would allow me to bring those perspectives forward, ensuring that the needs of underserved communities are considered in planning and decision-making. I am particularly interested in contributing to solutions that improve access, opportunity, and quality of life for all residents. I value collaboration and community engagement, and I see this as an opportunity to give back, represent voices that are often underrepresented, and help create meaningful, positive change in our city.

Question applies to CORPUS CHRISTI REGIONAL TRANSPORTATION AUTHORITY

The City Council designates at least one of its appointees to represent the interests of the “transportation disadvantaged”. “Transportation disadvantaged” is defined as meaning the elderly, persons with disabilities, and low-income individuals. State law does not mandate that the board member be transportation disadvantaged. Can you represent the interests of the “transportation disadvantaged”?

Yes No

Question applies to CORPUS CHRISTI REGIONAL TRANSPORTATION AUTHORITY

Explain how you represent the interests of the transportation disadvantaged. (If No, enter "N/A")

I represent the interests of the transportation disadvantaged through my work with the Boys & Girls Club of the Coastal Bend and my service on the board of CASA of the Coastal Bend. In both roles, I work closely with low-income families and vulnerable youth who often face significant transportation barriers. At the Boys & Girls Club, I regularly interact with families who struggle with limited access to reliable and affordable transportation, which affects their ability to attend school, participate in programs, and access employment and essential services. Through CASA, I advocate for children in the foster care system, many of whom depend on others for transportation to attend court hearings, medical appointments, school, and family visitations. These experiences give me direct insight into the challenges faced by transportation disadvantaged populations. I actively listen to their needs and use that understanding to advocate for more accessible, reliable, and equitable transportation solutions. My involvement in both organizations allows me to serve as a strong and informed voice for individuals who might otherwise go unheard.
