Section 4. Level of Service

Nothing in this Agreement shall require the City to provide a uniform level of full municipal services to each area of the City, including the annexed areas, if different characteristics of topography, land use, and population density are considered a sufficient basis for providing different levels of service.

The City of Corpus Christi will provide services to the newly annexed area in a manner that is similar in type, kind, quantity, and quality of service presently enjoyed by the citizens of the City of Corpus Christi, Texas, who reside in areas of similar topography, land utilization and population density.

Section 5. Vested Rights Claims.

This Agreement is not a permit for the purposes of Texas Local Government Code Chapter 245.

The term of this Agreement (the "Term") is ten (10) years from the Effective Date. This agreement is effective upon execution by the City.

Section 7. Force Majeure

In case of an emergency, such as force majeure as that term is defined in this Agreement, in which the City is forced to temporarily divert its personnel and resources away from the annexation area for humanitarian purposes or protection of the general public, the City obligates itself to take all reasonable measures to restore services to the annexation area of the level described in this Agreement as soon as possible. Force Majeure shall include, but not be limited to, acts of God, acts of the public enemy, war, blockages, insurrection, riots, epidemics, landslides, lightning, earthquakes, fires, storms, floods, washouts, droughts, tornadoes, hurricanes, arrest and restraint of government, explosions, collisions and other inability of the City, whether similar to those enumerated or otherwise, which is not within the control of the City. Unavailability or shortage of funds shall not constitute Force Majeure for purposes of this Agreement.

Section 8. Legal Construction.

If any provision in this Agreement is for any reason found to be unenforceable, to the extent the unenforceability does not destroy the basis of the bargain among the parties, the unenforceable provision will not affect any other provision hereof, and this Agreement will be construed as if the unenforceable provision had never been a part of the Agreement. Whenever context requires, the singular will include the plural and neuter include the masculine or feminine gender, and vice versa. Headings on this Agreement are for reference only and are not intended to restrict or define the text of any section. This Agreement will not be construed more or less favorably between the Parties by reason of authorship or origin of language.

Section 9. Amendment and Modifications.

This Agreement may be amended or modified only in a written instrument that is executed by both the City and the landowner or landowners after it has been authorized by the City Council.

Section 10. Effect of Future Laws.

No subsequent change in the law regarding annexation shall affect the enforceability of this Agreement.

Section 11. Venue and Applicable Law.

Venue for this Agreement shall be in Nueces County, Texas. This Agreement shall be construed under and in accordance with the laws of the State of Texas.

Section 12. Counterparts.

This Agreement may be executed in any number of counterparts with the same effect as if all signatory Parties had signed the same document. All counterparts will be construed together and will constitute one and the same instrument.

Section 13. Entire Agreement

This Agreement contains the entire agreement between the Parties relating to the rights herein granted and the obligations herein assumed and cannot be varied except by written agreement of the Parties. Any oral representation or modification concerning this instrument shall be of no force and effect except for any subsequent modification in writing, signed by the Party to be charged.

Section 14. Binding Effect/Authority
