AMERICAN ASSOCIATION
OF AIRPORT EXECUTIVES

JumpStart Air Service Development Conference - Washington D.C.

A full day of informative sessions, and two days of one-on-one meetings with representatives from nine different airlines. During these meetings, we presented comprehensive data on air service demand in Corpus Christi and highlighted specific routes that would benefit both the airlines and our community. Additionally, we shared exciting updates on tourism developments in Corpus Christi, emphasizing the region's growing appeal as a travel destination. Strengthening our relationships with current and prospective airline partners is crucial for fostering future collaborations and enhancing air service options for our region. ✈️
