

ISLAND STRATEGIC ACTION COMMITTEE

Seven (7) vacancies with terms to 3-23-2024 and 3-23-2025, representing the following preferred but not required categories: 1 - Padre Isles Property Owners Association, 2 - At-Large, 1 - Developer, 1 - Commercial Property Owner, 1 - Padre Island Business Association and 1 - Professional Engineer. (The Padre Island Business Association nominated Meagan Furey and the Padre Isles Property Owner Association nominated Robert Corbett).

Duties

The Island Strategic Action Committee (ISAC) advises the Mayor and City Council on development and implementation of the Mustang-Padre Island Area Development Plan. The ISAC shall develop specific strategies for implementation of the Mustang-Padre Island Development Plan with specific timelines to implement the respective strategies and a clear determination of which agency or individual is responsible to implement specific projects or programs.

Composition

The committee shall consist of fourteen (14) members appointed by the City Council. Membership in one or more of the following categories is preferred but not required: Padre Isles Property Owners Association, residential property owner who owns property and resides on Mustang or Padre Island; commercial property owner who owns property and operates a business on Mustang or Padre Island; developer of property on Mustang or Padre Island; member of the Padre Island Business Association; architect or professional engineer, who does work on projects on Mustang or Padre Island; realtor, who primarily represents buyers or sellers of property on Mustang or Padre Island; construction contractor, who primarily works on projects on Mustang or Padre Island; representative of an environmental group; person who resides on Mustang Island or who is an employee of a Mustang Island property owner; and at-large representatives who are residents of the City. Not less than twelve (12) members must reside or own property on Mustang or Padre Island. One (1) of the at-large representatives may, but is not required to, reside on Mustang or Padre Island. The City Council may appoint not more than five (5) members of the action committee who do not reside within the City if they own or represent the owner of property on Mustang or Padre Island. The following organizations may appoint a representative to serve as an ex-officio advisory member of the action committee without vote: Planning Commission, Watershore and Beach Advisory Committee, Park and Recreation Advisory Committee, Nueces County, Nueces County Water Control and Improvement District No. 4, and Corpus Christi Convention and Visitors Bureau.

Board-specific questions (if applicable)

ISAC preferred representatives from certain categories. Do you qualify for any of the following categories? *

- Residential Property Owner (Who owns property and resides on Mustang or Padre Island)
- At Large Representative who is a City Resident

Verification

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application or in any attachment (e.g. resume or supporting documentation) for appointment it is subject to and must be disclosed under the Texas Public Information Act. I understand that under the Texas Public Information Act, my home address and home telephone number is subject to public disclosure unless I am elected or appointed to the position which I seek. I hereby consent to the release of my home address and home telephone number should it be requested under the Texas Public Information Act prior to my possible appointment or election. I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Texas Public Information Act.

I Agree

Oath

I swear that all of the statements included in my application and attached documents, if any, are true and correct.

SUMMARY OF QUALIFICATIONS

- Over 24 years managerial and supervisory experience as a U.S. Navy Corpsman with experience as a DoD Physical Therapy Instructor and Medical Clinic Manager overseeing and providing complete general and emergency medical care needs to military members and their dependents.
- Experienced working with the Joint Commission to ensure medical facility compliance with stringent protocols and procedures; extensive training and education including hands-on experience in Health Care Management and Administration.
- Worked with preventive medicine, occupational health, and environmental and health safety programs.
- Documented history of superior work performance; numerous awards for leadership and Sailor growth.

CORE COMPETENCIES

- | | | |
|----------------------------|-------------------------------|---------------------------|
| •Leadership/Supervision | •Healthcare Management | •Project Planning |
| •Industrial Health/Hygiene | •HIPPA/OSHA Compliance | •Emergency Management |
| •HAZMAT Safety | •Health Systems Databases | •Logistics Support |
| •Instructing/Training | •Health Clinic Administration | •Data Collection/Analysis |

PROFESSIONAL EXPERIENCE

- 10/19– Present: **Electronic Health Records System Administrator/Tier 1 and Tier 2 IT Technical Support Specialist**
Community Action Corporation of South Texas

Leadership/Supervision

- As eClinicalWorks (eCW) System Administrator for Community Action Corporation of South Texas (CACOST), delivers efficient, professional and friendly software support to CACOST Practitioners and staff via phone, Customer Relationship Management (CRM) ticketing system, on-site field visits and remote desktop connections. Provides staff with knowledgeable responses to inquiries, resolves issues pertaining to the CACOST Electronic Health Record (EHR) Software - eCW and related business process/workflow best practices.
- Handles resolution of functional questions from Practitioners and end users of the CACOST EHR records system via phone, Customer Relationship Management ticketing system, on-site field visits and remote desktop connections within designated Service Level Agreement time frames.

Professional Expertise

- Creates and monitors support tickets with EHR vendor eCW and work to resolve problems quickly and accurately.
- Deliver EHR training to newly reporting employees as well as training on new features to existing employees while maintaining eCW training materials as necessary.
- Thoroughly document all research and customer interactions in the CRM system to ensure product service reliability and assist in various reporting functions, using both native eCW tools and external reporting tools.
- Manage all upgrades and feature implementations, including hardware-based solutions (e.g., eCW Kiosks, and eClinicalTouch, etc).

Organization

- Work with various departments (Clinical, Operations, Finance, etc.) to examine workflows within eCW and make updated recommendations as appropriate. Work with other IT Department staff during outages to ensure (as best possible) access to eCW through alternative means.
- Work with outside entities as required with regards to eCW interfaces (e.g., Immunizations, laboratory, pharmacy, Health Information Exchange, etc.)

STEPHEN ARMSTRONG

•07/16– 02/2019: **Patient Administration Department Supervisor/Directorate of Health Services Supervisor**

Naval Health Clinic Corpus Christi

Leadership/Supervision

- Patient Administration Department Supervisor: Directed and managed medical office operations managing a staff of 16 military and civilian staff; managed administrative, personnel issues, human resource policies, HIPPA compliance, and updating policies and procedures.
- Directorate of Health Services Supervisor: Managed and led 22 Naval Officers (8 Doctors, 7 Nurses, 5 Dentists, 2 Mental Health Specialists, 5 Nurses), 27 Civilian/Contractor's (1 Doctor, 4 Nurses, 4 CMA's, 4 LVN's, 2 Case Workers, 12 Administration staff), 49 Medical Para-professionals in the day to day activities of four departments providing high patient care in 12,224 patient encounters.
- Watch Team Lead for Hurricane Harvey Advance Team during mandatory evacuation of command. Led team of 10 Sailors ensuing all military, civilian and contract personnel were 100% accounted for in twice daily accountability musters. Flawlessly submitted all reports through Chain of Command to Navy Medicine East Chief of Staff.

Operations Support

- Directorate of Health Services Supervisor: Creative thinking and calculated risks were key to effectively managing 98 diverse Sailors and Civilians. Achieved an 97% medical and 99% dental readiness exceeding Navy's Bureau of Medicine and Surgery's goal by 16% and a 92% Patient Satisfaction survey score. Increased Healthcare Effectiveness Data and Information metrics in five out of 10 categories/ increased Relay Health Enrollment, Secure Messaging and Well Child Screenings to number one in Navy Medicine East for six consecutive months.
- Managerial and planning skills were the driving force in the Command's increased Command Tactical Combat Casualty Care compliance from 60% to 89% (Number 1 in Navy Medicine East) within four months.
- As Senior Supervisor for the Patient Administration Directorate, led four Security staff responsible for tracking, maintaining and assigning 10 command vehicles. Responsible for proper vehicle preventative maintenance schedules and availability of vehicles. Managed service levels with all modes of transportation services used by the command including cars, vans and 1/2 ton trucks to improve motor services for command travel and transportation needs.
- Manage relationships with base transportation staff to minimize cost to the command and government while maintaining availability of vehicles and transportation needs to include all vehicle maintenance and service contracts totaling \$100K annually.

Human Resources

- Direct leadership led to two promotions to Chief Petty Officer, five to First Class Petty Officer, nine to Second Class Petty Officer and 15 to Third Class Petty Officer. Nine Sailors recognized as Sailors of the Quarter and two selected for Sailor of the Year.
- Responsible for 130 Limited Duty Coordinator's (LIMDU) and Physical Evaluation Board Liaison Officer's (PEBLO's) in processing 680 total Limited Duty and Physical Evaluation Board cases in CY18. Re-invigorated staff cross communication within three departs and throughout the Area of Responsibility covering five states and 130 commands, leading to a 50% increase in return to duty stats from LIMDU.

•06/13–06/16: **Leading Chief Petty Officer**

Navy Medical Logistics Command

Leadership/Supervision

- Commitment to developing and mentoring Sailors resulted in a Sailor under his direct charge as being selected as Naval Medical Logistics Command #1 Second Class Petty Officer and Fiscal Year 2015 Sailor of the Year.
- Led joint effort with 5th Fleet Medical Staff Planners to design 12 Expeditionary Resuscitative

STEPHEN ARMSTRONG

Surgical System (ERSS) assemblages. Provided sourcing, pricing, material/equipment availability and manually placed requisitions for 2.4K general, refrigerated, and hazardous material items valued at \$2.4M. His efforts allowed for ERSS to deploy rapidly establishing treatment and improving quality of care to the deployed Warfighter.

- Coordinated and supervised two Community Relations projects for 86 Chief Petty Officers at the Remember Museum, a Belgium World War II Museum. Projects resulted in cost savings to the museum of over \$10K in maintenance costs to paint, clean and help re-arrange museum to capture the historic important events in the Battle of the Bulge.

Operations Support

- In support of Operation United Assistance (OUA), researched and designed an Ebola Personal Protective Equipment set for use by USMC personnel. Joint Chief's of Staff and AFRICOM adopted this kit as a part of the requirement for US Forces to use for protection against Ebola Virus Disease.
- Provided out of sector Class VIII(Medical) ordering, picking, packing and shipping assistance to COMPACFLEET in support for quick-turn special missions. His knowledge and leadership resulted in the early delivery of 112 items of general, refrigerated and hazardous material valued at \$17K, resulting in enhanced material readiness for current operations.
- Served as Customer Facing liaisons for European Command, Africa Command Theater Lead Agent for Medical Material for Military Health Systems, out of sector support to Department of State, Humanitarian Assistance and Central Command in Southwest Asia. Responsible for medical logistics support and training to 95 Tri-Service medial units throughout the Area of Responsibility; managed \$14M material and equipment sales annually.

Logistics Support

- In support of Operation United Assistance (OUA), researched and designed a nine item Ebola Personal Protective Equipment set for use by USMC personnel. Defense Logistics Agency submitted over 300 orders for an average of 300 line item orders valued at a total of \$65M.
- Supporting three high profile 3rd Fleet Expeditionary Surgical Services missions, superb medical logistics acumen ensured a \$200K, 631 item Class VIII(Medical) requirement was ordered, processed and shipped to Okinawa, Guam and Yokosua within a 90 timeframe.
- Navy Medical Logistics Leading Chief Petty Officer: Established first U.S. Pacific Fleet out-of- sector Class VIII (Medical), ordering, picking, packing and shipping assistance to support Pacific Fleet Command's quick-turn special missions.

•06/10–06/13: Physical Therapy Technician Program Instructor/Basic Medical Technician and Corpsman Program Support Staff

Navy Medicine Training Support Center

Leadership/Supervision

- Led three subordinates in developing several data tracking matrixes and process improvements that monitored student relief/recycle rates and reduced processing times by two days, saving \$111K and was instrumental in the Basic Medical Technical Corpsman Program's curriculum validation for continued Community College of the Air Force accreditation.
- Facilitated and developed an eight week in-depth Navy Wide Exam study guide and training session for 100 staff and students resulting in the advancement of over 74% of Sailors that attended.
- Spearheaded the development and implementation of 48 training subjects, 900 individual skill sets for 360 hours of mandated hands on clinical training. Coordinated eight site affiliation agreements for 70 Navy students to obtain mandatory Medical Treatment Facility training and hands on clinical knowledge increasing requited skills and training in a real world environment.

Instructor/Instructional Systems Specialist

- High caliber organizational ability and technical skills led to hand selection as Testing Officer for the Interservice Training Review Organization, Physical Therapist Assistant (PTA) program. Managed 13 instructors to compile and update testing bank of 2,700 questions for 40 separate written and practical

STEPHEN ARMSTRONG

examinations. Ensured all test questions adhered to American Council on Education Accreditation policies.

- Strategically placing 70 Navy PT Technicians into the Navy Medicine Workforce and increasing the Navy Enlisted Classification 8466 community manning to 92%, allowing for global opportunity's for PT Sailors.
- Instructed over 500 hours of in-depth course material that contributed to the successful graduation of over 400 Tri-Service PTA students; ensured entry level PTA students obtained critical real world clinical education.

Community Ambassador

- Planned and coordinated 56 fundraising events for 250 staff and 900 volunteer hours for various command events to include Hospital Corpsman Birthday Ball, Navy Ball and San Antonio area Toys for Tots. Spearheaded the overall raising of over \$80K for use for many different command programs to support junior Sailors and comradery in the command.
- Conducted 10 Command Career fairs showcasing the Physical Therapy Assistant Program for current Sailors and High School students, increasing Navy Medicine's visibility within the San Antonio area.
- Organized, Led and attended 20 community relations events totaling 400 volunteer hours for Marine Corps Toys for Tots, Judson Alternative School Mentorship, San Antonio Sports Foundation, Haven For Hope homeless shelter and Habitat for Humanity.

•06/07–06/10: **Senior Medical Department Representative/Senior Supervisor**
Headquarters Battalion, Battalion Aid Station, Second Marine Division

Leadership/Supervision

- Responsible for the force health protection of more than 1,800 Marines and Sailors as well as the career development of 60 enlisted personnel. Provided ready expeditionary forces capable of rapid worldwide deployment in any hostile or operational environment in support of real world contingencies.
- Multifaced skillset sought out by senior Navy and Marine Corps leadership for all medical program matters; ensured unit medical readiness was above 90% and received "Noteworthy comments on Commanding Generals Readiness Inspection with a grade of Mission Capable."
- Responsible for medical and dental readiness of 1,800 Marines and Sailors and manages the day-to-day operations of the Battalion Aid Station and provides leadership and guidance to 60 junior medical personnel. Authored and completed 120 performance evaluations and mid-term counseling's providing growth and development to his staff.

Professional Expertise

- Completely engaged and committed to his subordinates and peers professional and personal growth; advanced 30 of 75 personnel, portrayed a physical fitness atmosphere by garnering a 100% Navy Physical Training Test pass rate for four consecutive periods and increased Fleet Marine Force qualifications by 40%.

Operation Iraqi Freedom

- Operating in an austere environment as the sole medical representative, worked single-handedly to provide treatment to 70 patients in a remote location. Personally, provided superior medical care to 15 Iraqi civilians (4 military casualties and 11 civilians) and eight Army members while in combat operations in the Diyala/Al Anbar Providence. Participated in over 100 combat patrols and vehicle convoys with Iraqi counterparts despite daily exposure to enemy improvised explosive devices, mortar, rocket and small arms fire.
- Led and trained 20 Iraqi medical personnel to provide the skills necessary for them to be successful across a wide range of military medical programs to include MEDEVAC procedures, routine medical evaluations and preventative medical aspects of care; fundamentally necessary for the success of the Iraqi Army to work independently without U.S. Forces support.
- Directly engaged in counterinsurgency and kinetic operations to provide medical expertise to enhance

STEPHEN ARMSTRONG

the medical capability and combat readiness of Iraqi Army unit 1-3-1. When unit fell victim to a complex ambush, directed the triage procedures, stabilized six wounded Iraqi Army Soldiers and directed the immediate medical evacuation to save their lives.

- As Assistant Supply Officer and Vehicle Officer, responsible for the daily preventative maintenance schedule (PMS), inventory and proper maintenance schedules of five HUMVEE's and Two Mine Resistant Ambush Protected vehicles to include all vehicle Electronic IED Countermeasure devices and vehicle tactical communication equipment valued at over \$5.2M.
- Provided scheduling and route planning of effectiveness of vehicle employment and tracking of all vehicles while on over 100 combat patrols.
- Created detailed reports on vehicle performance, mileage used, damage to vehicles and maintenance performed in reports to higher headquarters as required.

•01/03–11/06: Physical Therapy Technician

Naval Hospital Bremerton, Physical Therapy Department

Leadership/Supervision

- As Senior Physical Therapy Technician, developed and implemented a peer review program to ensure highest standard of care to hospital beneficiaries and aided in proper documentation for fellow staff.
- As the departments Tricare Regional Appointment Center representative, tackled, solved and managed patient complaints that resulted in decreased patient booking complications and errors. Modified departments booking criteria to increase booking capability by 25%.
- Created a comprehensive Post Operative Physical Therapy Protocol Standard Operating Procedure that enhanced Physical Therapists competencies and established communication guidelines with other departments to streamline patient care goals and rehabilitative plans.

Professional Expertise

- Designed an in-depth and comprehensive knee school class educating 50 patients in common injuries, problems, treatments and interventions enhancing awareness and allowing patients to be proactive in their health management and rehabilitation.
- Provided physical and hand therapy to over 1,100 casualties while deployed with Fleet Hospital Eight, maintained all Physical Therapy equipment and supplies valued at over \$125K.
- While deployed to Landstuhl Army Medical Center, promoted clinical improvement initiatives by enhancing and modifying patient hand-out literature, developing and instructing Low Back Pain classes and upgrading Baumholder Army Medical Clinics Brace and Orthotic Program.

Organization

- Arranged monthly Department of the Navy training for 40 Auxiliary Security Forces Personnel, contributing to overall mission readiness and force posture.
- Organized and coached Softball, football and volleyball teams increasing morale and Esprit de corps among Junior Sailors stationed at the command.

CAREER MILESTONES

- Navy and Marine Corps Commendation Medal:
For meritorious service while serving as Leading Chief Petty Officer, Naval Medical Logistics Command, Detachment Pirmasens Germany from June 2013 to July 2016. Chief Armstrong continually displayed extraordinary leadership and innovation, leading the design of 12 Expeditionary Resuscitative Surgical System assemblages valued at \$2 Million. This joint effort with United States Fifth Fleet allowed for rapid team reintegration and treatment establishment. He provided out-of-sector class VIII support to the Commander, Pacific Fleet for a "quick turn" special mission. His outstanding effort shattered customer expectations and were an outstanding example of teamwork between the Navy and the Army.
- Navy and Marine Corps Commendation Medal:
For outstanding meritorious achievement while serving as Leading Petty Officer, Headquarters Battalion, Second Marine Division from June 2007 to 2010. During this period, Petty Officer Armstrong's stellar leadership and personal devotion to all Sailors and Marines facilitated the Battalion's overall success. Through his diligence, the Battalion Aid Station staff successfully prepared multiple individuals and units for deployment into a combat environment, ensure optimum combat readiness throughout the force. As the Battalion Limited Duty Coordinator, his expertise insured the Commanding Officer remained aware of all Marines on Limited Duty or pending Physical Evaluation Boards. His guidance and commitment to the Battalion's Limited Duty program resulted in the efficient functioning of a very challenging effort and garnered many noteworthy comments from external units. Overall, his personal influence and focused guidance and supervision facilitative Mission Capable grades during two Commanding General's Readiness Inspections. Petty Officer Armstrong's dedication, professional abilities and devotion to duty reflected great credit upon him and upheld the highest traditions of the Marine Corps and United States Naval Service.
- Navy and Marine Corps Commendation Medal with Combat Distinguishing Device (V):
For Heroic achievement while serving as Medical Advisor, Military Transition Team 1-3-1 and 1-29-, 1st Marine Expeditionary Force (FORWARD), from December 2007 to June 2008, in support of Operation Iraqi Freedom FY-08. Directly engage in counterinsurgency and kinetic operations, Hospital Corpsman Armstrong's medical expertise and effort yielded dramatic improvement in the medical capability and combat readiness of the Battalion. On 11 March 2008, Military Transition Team 1-3-1 fell victim to a complex ambush outside the village of Bejyt. During the confusion and chaos, Hospital Corpsman Armstrong directed the triage procedures and began treating and stabilize the wounded with injuries ranging from missing limbs, burns, gunshots and shock. Had it not been for his quick actions, several

STEPHEN ARMSTRONG

Iraqi soldiers would have lost their lives. Throughout the deployment, he selflessly disregarded his own safety to treat wounded Iraqi soldiers and was instrumental in the Battalion becoming among the first in the Iraqi Army to operate without Military Advisors. Hospital Corpsman's noteworthy accomplishments, perseverance and devotion to duty reflected credit upon him and were in keeping with the highest traditions of the Marine Corps and United States Naval Service.

- Navy and Marine Corps Achievement Medal:

Professional achievement while serving as Instructor, Basic Medical Training Corpsman Program, Navy Medicine Training Support Center, Joint Base San Antonio, Fort Sam Houston, Texas from June 2010 to June 2013. Petty Officer Armstrong expertly led the combined administrative and accountability process for 1,600 students on a daily basis and managed the completion of vital correspondence for the largest directorate within the command. Additionally, as the fundraising co-chairperson for the 2011-2013 Hospital Corpsman Ball, he led 300 staff in completing 20 volunteer events which raised \$75,000 that contributed to lowering ticket prices.

- Army Achievement Medal:

For Meritorious achievement while serving as Physical Therapy Technician in Support of Operation Iraqi Freedom from 9 June 2004 to 1 March 2005. Your extraordinary efforts and accomplishments reflect great credit upon you, Baumholder Health Clinic, The European Regional Medical Command, The Army Medical Department, The United States Army and the United States Navy.

- Navy and Marine Corps Achievement Medal:

Professional Achievement in the superior performance of his duties while serving as Mate of the Day for Naval Air Station, Joint Reserve Base, New Orleans on 9 January 2002. Petty Officer Armstrong's flawless coordination with Security Personnel prevented a possible suicide by a sailor in severe distress at an unknown location on the Air Station. As a result of his efforts, the individual was quickly located and provided appropriate medical care.

ISAC preferred representatives from certain categories. Do you qualify for any of the following categories? *

- Realtor (Who primarily represents buyers or sellers of property on Mustang or Padre Island)
- Residential Property Owner (Who owns property and resides on Mustang or Padre Island)
- Padre Isles Property Owners Association Member

Verification

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application or in any attachment (e.g. resume or supporting documentation) for appointment it is subject to and must be disclosed under the Texas Public Information Act. I understand that under the Texas Public Information Act, my home address and home telephone number is subject to public disclosure unless I am elected or appointed to the position which I seek. I hereby consent to the release of my home address and home telephone number should it be requested under the Texas Public Information Act prior to my possible appointment or election. I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Texas Public Information Act.

I Agree

Oath

I swear that all of the statements included in my application and attached documents, if any, are true and correct.

I Agree

Joe Casey

15010 Reales Drive
Corpus Christi, Texas 78418
(361) 331-7936

OBJECTIVE

To obtain a challenging sales position with career growth potential, that will effectively utilize acquired consultative sales experience, creative talents and commitment to excellence.

PROFESSIONAL EXPERIENCE

Joe Adame & Associates, Inc.
Commercial Real Estate Agent

CORPUS CHRISTI, TX
2016 - Present

Principal Responsibilities

- Responsible for all aspects of commercial brokerage – Retail Leasing & Sales, Investment Property Sales, Land Sales, Industrial Leasing & Sales and Office Leasing & Sales.
- Make cold calls to schedule listing appointments and follow up, to create a book of business for the brokerage firm.
- Complete market surveys/analysis for clients to determine what their specific property they own, or are interested in obtaining is worth in the current marketplace.

Accomplishments

- Generated approximately \$4,000,000 of commercial real estate leasing & sales for first year of employment.

NATIONAL OILWELL VARCO – PORTABLE POWER DIVISION
Sales Representative

CORPUS CHRISTI, TX
2012 - 2016

Principal Responsibilities

- Responsible for soliciting to businesses for NOV Portable Power in South Texas.
- Make cold calls, follow leads, create opportunities and land key accounts. Also includes cultivating customer relationships in sectors such as: oil & gas, plants, refineries, marine and industrial servicing, among others.
- Complete weekly sales call sheets, monthly expense reports, monthly mileage reports.
- Responsible for entertaining customer and attending sales conferences and industry tradeshow.

Accomplishments

- First Sales Representative to open an account directly with a refinery in Corpus Christi.
- Developed and maintained the largest account for the South Texas Branch.
- Generated approximately \$3,000,000 of revenue in first full year of employment.
- Increased equipment rentals by 234% from June, 2013 – June, 2014.
- Increased sales revenue by 34% in 2015.

TDL PLASTICS
Sales Representative

CORPUS CHRISTI, TX
2009 - 2012

Principal Responsibilities

- Provide technical knowledge to current and potential customers for their applications and future projects for development.
- Provide quality commodity and engineering grade resins to end users and molders throughout the United States, Mexico, Canada and Europe.
- Cold call end users for potential business leads to increase my personal book of business.
- Maintain customer and supplier relationships.

Accomplishments

- Generated revenue of approximately \$500,000 a year for the company.
- Developed and maintained an international account that brought in the highest single customer revenue from 2009 - 2012.

Principal Responsibilities

- Cold call and recruit daily Physical, Occupational, Speech Therapist, and Clinical Pharmacist in the marketplace.
- Cold call and prospect daily to various Directors and CEO's of rehabilitation companies and pharmacy departments.
- Daily negotiation of recruiting fees and terms to Directors and CEO's.
- Negotiate compensation and benefit packages to both candidates and hiring authorities in the process.

Accomplishments

- Successfully assisted in the origination of Canient Search Partners, an executive recruiting firm, in September 2007.
- Lead the Health Care Recruiting Team that produced approximately \$400,000 in billings per year.
- Trained and Managed new Healthcare Recruiters upon hire.

Principal Responsibilities

- Responsible for effectively promoting and selling all commercial products and services, and providing a primary contact for the customer regarding Cash Management Products.
- Sold and promoted all commercial products and services (i.e.: depository accounts, electronic delivery products, and commercial services) to both existing and potential customers.
- Performed demonstrations and presentations for commercial products and services to internal and external customers.
- Prepared account analysis on commercial accounts for both current customers and prospects to assist in the selection of the products and services most appropriate for their needs.
- Accompanied Bank Officers on prospect and follow-up calls with customers regarding Cash Management products.
- Prepared proposals for prospective customers as required.

Accomplishments

- Successfully rolled out the new Digital Deposit System to new and existing customers. This system targeted customers with high check volumes to save the bank money by taking pressure off of the back line employees, by already having an image of the check to send directly to the Federal Reserve.
- Ranked top sales ongoing for business banking products.

Principal Responsibilities

- Meet with high-profile customers on a regular basis to discuss plans regarding loan requests.
- Perform analytical analysis of customer financial information for new and renewal loans.
- Assist loan officers in the loan granting process.
- Review commercial appraisals to provide feedback to the loan officers.
- Attend weekly Director's Loan Committee meeting to support loan officers with information pertaining to the prepared loan package.

Accomplishments

- Brought in a new, high profile customer that requested and was granted approximately \$9,000,000 in commercial loans in April 2005.
- Average approximately \$8,400,000 in new loans (not counting renewals) granted per month.
- 90% of all prepared loan packages are granted approval by the Director's Loan Committee.
- Successfully completed Texas Real Estate program and obtained Texas Real Estate license while employed full-time at American Bank.

PLATYPUS FITNESS CENTER*Personal Trainer/Membership Sales/Group Fitness Instructor***CORPUS CHRISTI, TX***2001 – 2015***Principal Responsibilities**

- Assist in increasing revenue by selling gym memberships.
- Assist customers in meeting fitness goals through individualized personal training.
- Teach up to four group Spin classes weekly.

Achievements

- Assisted in the expansion of the fitness facility in January 2004 and the relocation in August 2010.
- Generated enough income through personal training to pay cash for college; resulting in no student loans.
- Generated revenue for the gym by splitting my personal training income 50/50, which amounts to \$35 per session, averaging \$1,000 in net revenue for the gym per month, on a part time basis.
- Article written about my personal training in February 2002 Corpus Christi Caller Times, resulting in twice as many clients and doubling my monthly personal training income.
- Successfully balance working a primary job position full-time and providing part-time personal training at Platypus Fitness Center since January 2003.

NUECES COUNTY PARKS*Beach Lifeguard Supervisor***CORPUS CHRISTI, TX***1999 – 2004***Principal Responsibilities**

- Responsible for the safety of all beach patrons.

Achievements

- Maintained lifeguard supervisor position, personal training position, and attended summer school simultaneously in order to graduate from TAMU-CC in four years.
- Promoted to lifeguard supervisor during second year of employment, supervised approximately 10 lifeguards per day and trained rookie lifeguards on rescue techniques and beach safety.

B.S. Geology Texas A&I University- Kingsville, Texas

Why are you interested in serving on a City board, commission or committee?

I am a long time resident of Padre Island, since 1987. The Island has many positive achievements to include chartering the Seashore Learning Center to accommodate our population growth, new businesses being established, to include safe, orderly and well maintained neighborhoods. I am a proponent of controlled growth that insures a continued tax base to maintain essential City services.

Experience

Arconic Fastening Systems, Waco TX 2005- 2017

Director of Technical Services

Headed up a product development and technical support department to grow revenue with advanced fastening systems.

Released a continuous stream of new and patented products that in five years reached \$100million in new product sales per year out of \$320 million in total revenue.

Developed high performance corrosion protective coatings that increased steel fastener salt spray test life from 70 to over 500 hours.

Simpler Consulting Company, Ottumwa IA 2003-2005

Senior Consultant

Implemented Lean conversions at numerous client companies including Nordson, MTD, Lockheed Martin, US Army, Theda Care Health Services, Camfil-Farr, and KB Homes. The Dawsonville GA Nordson plant won Industry Week's ten top plant awards.

Trained client personnel improvement teams in Lean techniques based on the Toyota Production System (TPS) to achieve outstanding results in quality, cost, delivery and safety.

Most notable successes were in areas of Total Productive Maintenance (TPM) where operators and maintenance personnel team up to bring all types of capital assets to better than their new condition.

Although coming from a strong manufacturing background I developed the experience to apply the Toyota Production System to wherever work is done from healthcare to software development. We would leave our clients with visual management systems that would quickly provide real time ahead or behind status.

**Kaiser Fluid Technologies (KFT), Charlotte NC
2000-2003**

Vice President and General Manager

KFT, a Division of Rockwell Collins, developed and manufactured a broad line of aerospace fluid control devices.

Increased production and efficiency to keep pace with a 35% sales increase over two years while delivering record breaking financial performance.

Commissioned improvement teams in a union workforce to improve long standing production problems, expand product retrofit department, and increase capital equipment uptime using advanced maintenance concepts.

**Huck International, Waco TX
1993-2000**

Vice President and General Manager

The Waco Operation is Huck International's largest facility, employing 450 people, engaged in the development and manufacture of advanced fastening systems for a global customer base.

Implemented a Lean Manufacturing program improving profit, cash flow, and productivity.

Reduced inventory from 3 to 8 turns with 95% on time delivery and 100% on time to automotive customers.

Managed the consolidation of a \$20 million automotive fastener plant acquisition on schedule and under budget.

Managed a \$12million capital equipment annual budget.

Oversaw the implementation of a new enterprise resource planning (ERP) system.

**Huck International, Waco TX
1984-1993 Manufacturing Engineering Manager**

Developed new products and the manufacturing methods needed to make them.

A Career of Increasing Top Line Revenues to Drive the Bottom Line

Sea Oats Group/Cinnamon Shore LLC, Port Aransas, TX, 2014 – Present

Land Development, Realty Sales, Resort & Vacation Management, Home Owner Association

MANAGING DIRECTOR & CMO

Directed all land planning and entitlements for a \$1.5 Billion expansion of Cinnamon Shore South. Recruited new executive management team and negotiated strategic partnerships with banking partners, architects, builders, technology, and information management companies.

Transitioned the start-up venture to full-scale operational hospitality businesses and aggressively grew the Resort development, through Strategic Marketing, Realty Sales, Property and Vacation Management, Resort Services that included Food & Beverage and Concierge Services. Directed the entire Internet/website development process, leveraged past success with one-on-one marketing concept (developed as Managing Partner/ Vice President of Radians) to create an immediate and sustainable market presence.

- Grew the business with asset of \$100 million to over \$300 million in 2.5 years
-

- Expansion leadership and direction. Managing relationships with: board of directors, land planner, civil engineers, city, county, the core of engineers, and other outside agencies.
- Negotiated several rounds of private financing for rapid growth and expansion

Arion Perfume & Beauty, San Antonio, TX, 2013 – 2014

Importer/Exporter Sales & Distribution of HBA Products

PRESIDENT & COO

Turned a struggling business that in 11 years had never made money. Expanded sales into new channels of distribution. Overhauled operational issues within supply chain, finance and new product development that aided in the overall business success, marketing effectiveness, quality, service and cost-effective management of resources. Formulated policy and quickly developed new strategies and procedures. Created Latin American offering that surpassed competition. Held P&L responsibility with 65 employees.

- Grew the business to over \$25 million in less than eight months
- Led the Research and Development of a new product line that has expanded the business into two new channels of distribution, which has diversified the company's customer base and represents 45% of the overall business
- Identified operational cost-cutting measure that will save the company over \$650,000 per year in bottom line savings
- Formulated policy and quickly developed new strategies and procedures. Created Latin American offer that surpassed competition

Dalphis Holdings, Memphis, TN, 2010 – 2013

Manufacturer of Interior Window Coverings

PRESIDENT & COO

Developed marketing plan that introduced new products and services into business sector. Directed development of new businesses and alliance relationships. Build upon an entrepreneurial culture. Integrated new management team. Oversaw company operations to ensure sales success, production efficiency, marketing effectiveness, quality, service and cost-effective management of resources. Held P&L responsibility with 120 employees.

- Cut manufacturing costs from \$26 a unit to \$8. Kept labor at fixed percentage by increasing efficiency.
- Led development of new channel strategies that generated 8% from old business and 18% in new business.
- Positioned company for sale in January 2012. Asked to stay on for the transition period.

Pure-Air, Greenwood, MS, 2008 – 2010

Commercial Services Business/Facilities Management.

MANAGING DIRECTOR

Wrote businesses' plans and budgets for multiple production locations, sales and marketing efforts and full-service engineering and design capability. Oversaw executive team to build organization and competencies. Evaluated and upgraded IT systems. Closely monitored P&Ls, balance sheets, forecasting, pricing and value creation. Set up all sales and compensation programs. Held full business unit P&L with nine direct and 300 indirect reports.

- Grew sales almost two-fold in 18 months by expanding current base of business into large national accounts, including Wal-Mart, Dollar General, Family Dollar and PetSmart.
- Drove sales growth of 15% by initiating marketing plan that introduced new technology into education segment that increased market share.

NPG & Lifetime Industries, Inc., Memphis, TN, 2007 - 2009

Manufacturer of commercial filtration. An OEM supplier environment with highly engineered product components design and manufacturing sold in Latin and South America, Europe and Australia.

PRESIDENT NEW PRODUCT GROUP**VICE PRESIDENT LIFETIME INDUSTRIES** concurrent positions

Thinking out of the box, spearheaded one licensing agreement with DuPont to go after Brita and Pur resulting in rapid expansion. Ensured branded communication and public relations. Provided strategic planning and execution. Held P&L responsibility with four direct and 50 indirect reports.

- Doubled sales in 2007 through new customers and new distribution channels.
- Spearheaded acquisition of cut and sew liquid and dust collection business to increase product lines which generated more than 35% in 2007 sales due to knowledge of contracting, negotiating and change management. Projected five-year ROI, which was completed in 24 months.
- Delivered more than 22% in new business as key executive for major national accounts of Trane, Carrier, Lennox, DuPont and Honeywell.

Radians, Inc., Memphis, TN, 2004 – 2007

Global personal protection equipment vendor.

MANAGING PARTNER AND VICE PRESIDENT MARKETING**PRESIDENT, SSI** concurrent positions

Oversaw development of businesses, alliance relationships and event marketing with DEWALT, Black & Decker, Remington, and NASCAR. Formulated policy and quickly developed new strategies and procedures. Created Latin American offer that surpassed competition. Expanded business on global scale and, as flagship business unit, led overall enterprise by example and results. Steered company to the forefront of the industries served. Held full P&L responsibility with three direct and 20 indirect reports.

- Led acquisition of DEWALT footwear business that generated over 45% in 2006 sales.
- Increased new business more than 35% as key executive for major national accounts, including Costco, Sam's Club, Wal-Mart, Home Depot, Lowe's and Sears at Radians.

International Paper Company, Memphis, TN, 1992 – 2004

Forest products industry.

MANAGING DIRECTOR, HEWLETT PACKARD GLOBAL BUSINESS.

Launched fastest growing global office paper product line (HP Everyday brands). Chaired corporate-to-corporate partnership between International Paper and Hewlett Packard. Moved US business from development organization to fully functioning entity, working within control environment of global management and process structure. Analyzed and interpreted financial data; held P&L responsibility with cross-functional team of five direct reports and 25 indirect reports.

- Took sales from zero to \$750M in seven years by overcoming cultural differences to grow a truly global business that utilized outsourced partners resulting in highest profits in the company.
- Faced challenge of no initial capital investment.
- Negotiated agreements with outside suppliers and converters to launch in new global regions.
- Results - \$2M of ongoing annual profit.
- Achieved 250% increase in US sales revenue with full responsibility for negotiating major, multi-year contracts generating revenues of up to \$18M per contract.
- Created and introduced 75 new products that generated over \$500K in first-year profits.

Climbed the corporate ladder, beginning career within paper mill engineering department and Georgia-Pacific customer service and outside sales.

Which Boards would you like to apply for?

ISLAND STRATEGIC ACTION COMMITTEE: Submitted

Interests & Experiences

Are you a registered voter?

Yes No

Do you currently serve on any other City board, commission or committee at this time? If so, please list:

Yes. President of Padre Island Business Association for four consecutive years and I serve on several committees within the Association of Realtors.

Education, Professional and/or Community Activity (Present)

Creator and Chair of the Padre Island Ambassadors with a reciprocal membership to the Chamber and Chamber Champions.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

NA

Why are you interested in serving on a City board, commission or committee?

ISAC directly effects my personal life as an Island resident, my business as a Realtor and my role as President of the PIBA Board. I feel that my involvement and experience would be very beneficial to Island residents and businesses.

Are you an ex-Officio member of a City Board, commission or committee?

Yes No

No person shall be appointed by the Mayor or Council Members to serve on more than one board, commission, committee or corporation at the same time. If you currently serve as a voting member for a board, commission, committee or corporation are you willing to resign your current seat to serve on another board, commission, committee or corporation?

Yes No

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application or in any attachment (e.g. resume or supporting documentation) for appointment it is subject to and must be disclosed under the Texas Public Information Act. I understand that under the Texas Public Information Act, my home address and home telephone number is subject to public disclosure unless I am elected or appointed to the position which I seek. I hereby consent to the release of my home address and home telephone number should it be requested under the Texas Public Information Act prior to my possible appointment or election. I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Texas Public Information Act.

I Agree

Oath

I swear that all of the statements included in my application and attached documents, if any, are true and correct.

No not at this time

Education, Professional and/or Community Activity (Present)

Human Resources, OSHA Safety, Public Speaking, Crisis Management Park and Recreation Board member 2005, Billings, Montana

Why are you interested in serving on a City board, commission or committee?

I am a resident of North Padre Island, and have chosen to retire and live here. I have a vested interest as a home/property owner in the continual growth and improvements of the Island. I believe that I have a fresh outlook being a fairly new resident, that would be beneficial to the Island. I am not a Business Owner, Real Estate Broker, nor a Realtor. Therefore my interests are purely for the betterment of the Island and I am able to look at things with an open mind.

Are you an ex-Officio member of a City Board, commission or committee?

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Citizens Health Advisory Committee Island Strategic Action Committee

Why are you interested in serving on a City board, commission or committee?

I first came to Corpus Christi as a medical student. I had always wanted to visit Texas (I am originally from New Jersey) and my medical school had an opportunity to rotate at Bay Area Medical Center (which included room and board) so of course I jumped at the chance. I immediately fell in love with Corpus, I took advantage of my month here and learned to windsurf. I visited the Botanical Gardens, the Lexington, the Texas State Aquarium, North Beach, and the Padre National Seashore, and when I was done, I left Corpus with the promise that as soon as I finished my residency.....I would move to Corpus Christi TX and I would buy myself a house on "the island." Immediately after finishing residency, I applied to the one job that I saw listed in Corpus Christi. I came for my interview and knew that living here in Corpus was what I truly wanted. (I knew absolutely no one in Corpus Christi, and I left my entire family to come here). IT WAS THE BEST DECISION I HAVE EVER MADE IN MY LIFE. I owe all the professional and personal success that I have to the opportunities that this area has offered me. After finishing Leadership Corpus Christi, I decided that I wanted to become more involved in our city, and to have a small impact in how wonderful this area is. I may lack in experience when it comes to serving on a committee, commission or board, but I do have a significant passion for Corpus Christi, and I have a long history of strong work and dedication which should prove to you that I can learn how best to serve the community. Corpus Christ is my present and my future. I am thoroughly committed to the community and my passion for this city. Personally, I cannot think of a better place to live, have a family and retire. I desperately want to be a part of the future of Corpus Christi

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application or in any attachment (e.g. resume or supporting documentation) for appointment it is subject to and must be disclosed under the Texas Public Information Act. I understand that under the Texas Public Information Act, my home address and home telephone number is subject to public disclosure unless I am elected or appointed to the position which I seek. I hereby consent to the release of my home address and home telephone number should it be requested under the Texas Public Information Act prior to my possible appointment or election. I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Texas Public Information Act.

I Agree

Oath

I swear that all of the statements included in my application and attached documents, if any, are true and correct.

Interests & Experiences

Are you a registered voter?

Yes No

Do you currently serve on any other City board, commission or committee at this time? If so, please list:

ISAC

Education, Professional and/or Community Activity (Present)

Earned a Bachelor's of Business Administration from Texas A&M University-Corpus Christi (2006) and a Master's of Business Administration from Saint Leo University (2010). Completed OSHA, Information Technology and Emergency Response training throughout my professional career.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Corpus Christi Downtown Management District, Marina Advisory Committee, Corpus Christi Convention & Visitors Bureau

Why are you interested in serving on a City board, commission or committee?

I would like to do my part, as a lifelong resident of Corpus Christi, to understand the driving forces of progression and/or obstacles the City of Corpus Christi faces and contribute to the enhancement and/or discontinuation of the city's processes/operations. I can bring diversity and a "well-traveled" viewpoint to the committee or board that I am selected for.

Melanie Salinas, MBA

2210 Abeto Drive
Corpus Christi, TX 78414
(361) 944-6747

Personable and motivated professional with 20+ years comprehensive Information Technology experience. Able to provide in-depth knowledge of business processes and operations for large organizations. Capable of providing detailed answers to improve and build relationships while delivering a strong work ethic and high level of optimism. Resourceful, collaborative team coordinator and leader, proficient in operations, process enhancements, training, and serving both, internal and external, customers.

EXPERIENCE

Motorola Solutions Inc., Corpus Christi, TX (Remote)

June 2015 - Present

Business Development Analyst

Manage the day-to-day deployment of field workforce applications (Click Mobile, Mobile OSS, MyView Portal), to enhance field performance and promote efficiencies. Serve as point of contact for the North America Field Service Organization teams to provide escalation assistance, communicate issues to engineering teams, and relay enhancement requests to ensure the voice of the user is captured in an effective and timely manner. Collaborate and maintain close relationships with user base, support team, and engineering team to address process gaps and develop strategic resolutions to close those gaps.

- Successfully onboarded 300+ users onto field applications, by performing demos, hosting both, in person and webinar training.
- Host live application demonstrations to internal and external field teams and address concerns prior to Go Live
- Provide one on one technical support to field users, who experience issues and follow through to resolution

Federal Systems Technologist

June 2013 - June 2015

Manage deployment of government radio systems including customer training, troubleshoot, repair, and install. Provided continuous support of Conventional, Trunked, Simulcast and secure communications equipment, utilizing encryption technologies. Provided world-class service to customers by optimizing and supporting complex communication systems to ensure infrastructure performance and reliability in the "Moments that Matter."

- Traveled 75% of the time to over 20 government customer sites
- Maintain a Secret Level Security Clearance
- Maintain Network+, OSHA, and Security+ Certifications
- Received accolades for my ability to effectively document processes and history of customers' infrastructures

SKILLS

Communications Management, Tableau, Salesforce, Microsoft Office Suite, Chrome Web Browser, Google Sheets, Google Docs, Google Slides, Social Media, GoToMeeting, Website design, Application Deployment, Change Management, Employee Onboarding, Disaster Preparedness & Recovery, OSHA (Training, Policy & Procedures), Events Management/Coordinating, Corporate Compliance

CTI Resource Management Services, Inc., Corpus Christi/Kingsville, TX
August 2008 - March 2013
Telecommunications Analyst

Serving as the U.S. Navy's Telecommunications Analyst allowed me to become a vendor liaison to review and meet project milestones with third-party service providers. I was relied upon to provide strategic expertise in recommending solutions and course of actions in relation to IT enhancements. From a technician stand point, I provided daily VTC and Enterprise Land Mobile Radio technical support to the U.S. Navy personnel, while consistently achieving user satisfaction, stellar rapport amongst users, and promoting best in class support.

- Compiled an effective database for resources needed throughout the US Navy personnel to maximize resources and minimize costs (saved the US Navy \$5000+).
- Maintained an annual Information Assurance certificate
- Successfully maintained over 500 radio resources to alleviate replacement costs
- Active member of the Mission Critical First Responder Team and Information Assurance workforce
- Conducted data call to construct cost analysis, based on budget and requirements, for telecommunications components valuing over \$50K.
- Earned CompTIA Security+ Certification

EDUCATION

2010 - Saint Leo University

Achieved Master's Degree - Information Security Management

2006 - Texas A&M University - Corpus Christi

Achieved Bachelor's Degree - Management Information Systems

Craig B. Thompson, P.E.

Mr. Thompson has almost 24 years of experience with designing and managing numerous site development, utilities, transportation, and municipal engineering projects. His overall project management experience includes site and subdivision development, water and wastewater system analysis and design, and stormwater management planning, modeling and design. During the past several years Mr. Thompson has managed and coordinated numerous private and public projects across South Texas. Additionally, Mr. Thompson is very familiar with dune protection, permitting, BCCs, and local beach management regulations. Currently, Mr. Thompson's role at Hanson includes managing over 20 people (nationwide) in Civil/Sitework Discipline.

Professional Work Experience

Engineer/Assistant VP/Discipline Manager, Hanson, Corpus Christi, Texas, 2016 - Present

Engineer/Partner, Naismith Engineering, Inc., Corpus Christi, Texas, 1999 - 2016

Department Manager for Geotechnical Services, PSI, Corpus Christi, Texas, 1998 - 1999.

Project Manager, PSI, Houston, Texas, 1997 - 1998.

Relevant Project Experience

Land Development Projects:

- **Outlet Malls of Corpus Christi, Robstown, Texas** - Mr. Thompson was the Project Manager for the Civil Engineering and components of the 50-acre retail complex. Project management tasks include coordination with multiple review and regulatory agencies, the architect's team, the Owner and third-party general contractor involved in the design effort. The elements involved in the planning and design effort include people moving and accessibility, parking lot layout, stormwater management low-impact techniques, water distribution and wastewater collection systems, and pavement design.
- **Best Western Hotel, Corpus Christi, Texas** - Mr. Thompson was the Project Manager for the site development for a 5-story hotel on McKenzie Lane. Civil and site engineering components involved, platting, site layout and utility coordination with the architect and the City of Corpus Christi, detention analysis and a stormwater management pond design, accessibility analysis, water and wastewater design. *Mr. Thompson has been the engineer or project manager on 6 different hotel projects in South Texas (CC, Ingleside, Portland, and Port Aransas).*
- **The Cove Apartments, Ingleside, Texas** - Mr. Thompson was the Project Manager/Engineer for the site development for a large apartment complex (15 acres) in Ingleside, Texas. Civil and site engineering components involved, site layout and utility coordination with the architect and the City of Ingleside, accessibility analysis, water and wastewater design, and a stormwater analysis including a detention pond and outfall design with TxDOT permitting. *Mr. Thompson has been the engineer or project manager on 4 different apartment complex projects in South Texas (CC, Ingleside, and Portland).*
- **Residential Developments, Corpus Christi, Texas.** Mr. Thompson has served as Project Manager or Project Engineer for over 50 single-family or multi-family residential developments, from a 1-acre townhome development on the Island to a 15-acre apartment complex in Ingleside to a typical 20-acre single family development in Flour Bluff or a multi-unit, layered 100-acre mixed-use residential development in Calallen.
- **Alternate City Engineer - Port Aransas, Texas** - Duties include plat, dune permitting and construction plan review.

Stormwater Projects:

ASCE (Texas Section President 2016-2017)

NSPE / TSPE

- **Aransas County Stormwater Management Plan, Texas** - Mr. Thompson was the project manager and design engineer for the comprehensive, integrated stormwater management plan for Aransas County. The County lacked any real criteria for drainage design. NEI used a recently approved policy to develop an integrated water quantity and quality, and ecological plan for use in future planning and stormwater regulating activities. The project included development of Construction and Development Guidelines with a detention requirement as well as a stormwater quality requirement, a comprehensive drainage modeling effort including HEC-HMS and FLO2D to develop a countywide Capital Improvement Plan and floodplain mapping, the development of an extensive GIS system, development of Design Criteria for Drainage and Stormwater Quality Improvements, and an Ecological Resources Plan. Due to Aransas County's hydrological features it made sense that one of the public educational materials developed be a Low-Impact Development Manual. This plan also consisted of the public policy that included the innovative development of "Blue Corridors" and a stormwater impact fee for future developments where regional facilities might make sense.
- **Portland Drainage Master Plan** - Mr. Thompson was the Project Manager for the recently completed Drainage Master Plan for the City of Portland (adopted 2016). The City's limited funds were used to identify development pressures on the watersheds in the western part of the City. Full HEC-HMS and HEC-RAS models were utilized to understand existing drainage conditions. The project team utilized the City's Future Land Use Plan to develop a future conditions model used to identify conveyance systems problems, propose and incorporate solutions into the models, and develop a full CIP project list with associated project costs to assist in project prioritizations.
- **City of Ingleside 2016 Bond Projects** - Mr. Thompson is the Project Manager for the city's drainage projects that were included in the 2016 Bond Projects. With recent flooding in the city, drainage has become a primary focus of the City and its Bond Project. Extensive HEC-HMS and HEC-RAS models were developed for all the projects to better understand the existing conditions, required improvements, and their impacts of flooding throughout the watersheds.

Wastewater Projects

- **Post Oak Lift Station, Fulton, Texas** - Consisting of flow evaluation, pump selection, overall project design, coordination and management for a lift station in Fulton, Texas (Rockport wastewater system).
- **Zahn Road Lift Station, Mustang Island, Texas** - A \$2.3 million lift station and force main project to serve sanitary sewer to the north side Packery Channel. The wet-well is 24' deep with a finish grade elevation of approximately 12'. Duties include the lead engineer for a project that includes a COE nationwide permit, GLO and private easement acquisition, a Beachfront Construction Certificate from the City of Corpus Christi, all coordination with the City on reimbursement procedures, construction drawings and specifications.
- **Greenfields-by-the-Bay Lift Station, Corpus Christi, Texas** - Consisting of flow evaluation, pump selection, overall project design, coordination and management for a City of Corpus Christi master planned lift station.
- **Wastewater System Improvements, St. Paul, Texas** - Consisting of evaluation and design of two duplex submersible lift stations for the residential wastewater system improvements.
- **Wastewater System Improvements, Ingleside, Texas** - Consisting of evaluation and design of a lift station, force main, and collection system to serve Kewitt Industries for s Texas Capital Fund Grant Project.

Roadway Projects

- **Navigation Boulevard, Port of Corpus Christi, Texas** - Consisting of preliminary investigation, pavement design, roadway layout, and overall project management for a major arterial roadway in an industrial corridor.
- **Zahn Road, City of Corpus Christi, Texas** - Consisting of a non-standard pavement section and roadway cross section for the primary beach access road along the north side of Packery Channel. This highly complicated cost sharing project between a developer, the City and other

available funds consisted of pavement design, roadway layout, and overall project management.

Dune Permitting and Coastal Projects:

- **Dune Permits and BCCs, Nueces County and Port Aransas, Texas.** Mr. Thompson has served as Project Manager or Project Engineer for over 20 properties in the City of Corpus Christi or Port Aransas that require dune permits and/or beachfront construction certificates.
- **Live Oak Peninsula Shoreline Stabilization and Enhancement Project - Aransas County, Texas** - Mr. Thompson was the project manager and engineer on a project that include the placement of over a mile of oyster reefs in Little Bay to dissipate wave action and protect an eroding shoreline.
- **Laguna Point Recreation Area and Coastal Lands Resource Center - Port Mansfield, Texas** - Mr. Thompson was the project manager and engineer for the design and construction of a beautiful coastal park with a pier, playground, and Coastal Resource Center and bird watching stations.
- **Tortuga Dunes - Corpus Christi, Texas** - Mr. Thompson was the project manager and engineer on a coastal land development project that include more than 9 acres of full dune mitigation and restoration.
