Dear Ms. Huerta:

I am submitting my application for a position on the Human Relations Commission along with my resume for your review. I am a junior at W.B. Ray High School and I am actively involved in school activities including varsity football, as well as Young Life.

I plan to study political science and then law so serving on this Commission will be a good learning experience for me. I believe that the leadership roles that I have held in the past will allow me to give the Commission insight from a youth's perspective.

Thank you for your consideration of my application to be of service to the City of Corpus Christi.

Sincerely,
Robert Bonilla

I'm extremely proud to be recommending a young inspiring lady by the name of Ms. Melody Theresa Guerreo.

This letter serves as my formal recommendation that this young lady deserves the opportunity to be selected to

serve as a member of the Human Relations Commission Council. I have known the parents of this young lady and

her to be a family that continues to be involved in our community. Melody is one that will empower other younger men and women in devoting time into our community, which the outcome is always positive for all.

I am very impressed with her talents as a young bright student, her communication skills, her love to be involved

and understanding the importance of positively empowering her peers and competing in this world of competitiveness.

She has an advantage compared to her peers that she comes into contact with:

Great Grades! (Flour Bluff High School)

Punctual!

Self Motivated!

Great Communication Skills!

Positive Self- Esteem!

Active at Church, 1st Baptist

Active in Sports, (Basketball, Softball)

Ballet

Melody builds high self-esteem and encouraging other young peers not to give up. After much thought, I have come to the conclusion that it would be in the interest of herself, her community and peers to be

appointed. Her natural ability to empowering young men and women to be our leaders of tomorrow is paramount. This only goes to show her true commitment as wanting to continue to be an outstanding role model

for our younger generation.

Case point: She does personify a young, bright teenager wanting to be involved and making a difference in our city.

She does embody visionary leadership skills as a teenager and exemplify outstanding achievements, and represents the best for our teenagers.

She is someone who is not only diligent and lively, but someone that I would definitely enthusiastically recommend, as she is a gem as a young lady trying to make a difference in our younger generation. She has

immense potential not only to make a difference, but to empower our younger men and women in society by constantly challenging it, and can implement as a young lady the remarkable positive changes as only she can.

Should you require any further details regarding Ms. Melody Theresa Guerero, you may contact me at 361-633-9308.

Sincerely,

Joe Benavides

Personal Mission Statement

My purpose is to gain professional experience, expand my current professional and personal networks, and prepare myself to work with an array of individuals.

Maria G. Rodriguez

1001 N. 1st St. #101

January 28, 2015

To whom it may concern,

I have lived in the city my whole life and after graduating from Collegiate High School I had a new gained love and respect for the city. Dr. Rodriguez taught me that volunteering in the community was an essential part of growing into a civic minded community member, and since graduation I have been attempting to find a way to make a difference in the city.

Applying for two commissions that include activities and topics that are close to my heart seem like the perfect way to give back to the city that has given so much to me. I would adore being able to work on the various arts and even human relations within the city.

Thank you for the opportunity to apply for a position.

Respectfully yours,

Maria G. Rodriguez
