

**CITY OF CORPUS CHRISTI**  
**Petition**  
**Voluntary Paving/Street Improvement Assessment Program**

We, the undersigned property owners, request the City of Corpus Christi (City) construct an improvement on the public right-of-way portion adjacent to property located at 1234 Cornerstone Drive, Corpus Christi, Texas 78418, at the corner of Flour Bluff Drive and Cornerstone, Corpus Christi, Texas.

Improvement: construction of a sound wall  
(APPROXIMATELY 275 LF OF SOUND WALL (FENCECRETE)).

Street improvement project: Flour Bluff Drive Phase 1 and 2 – SPID to Don Patricio  
Project # 6498/6499

We understand that we will be assessed on the basis of the actual construction bid price and following front foot assessment policy: One hundred percent (100%) of the applicable cost of construction.

It is understood that the petition will be accepted only if the true property owners of property fronting on the requested improvements support the project by meeting one of the following requirements:

- ~~a. Over fifty percent (50%) of the true property owners sign the petition, or~~
- ~~b. Owners of over fifty percent (50%) percent of the total front footage along the project sign the petition, or~~
- ~~c. Over 50 percent of the property owners in a subdivision, of which this street is part of, sign the petition, however.~~
- d. Both husband and wife must sign the petition
- e. In either event, all of the owners who represent this property as "Homestead Property."

We, further understand that where sufficient street right-of-way does not exist, abutting property owners shall be required to dedicate the street right-of-way necessary to construct the herein requested improvements. If this right-of-way is not dedicated the improvements cannot be constructed.

Mechanic's Lien contracts specifying our actual cost will be available to each of us after bids have been received by the City of Corpus Christi. These contracts will be prepared for periods of time to permit monthly payments, including interest, on the unpaid balance at the higher of either eight percent (8%) or the interest rate on the latest Capital Improvement Bonds sold.
