FIRE DEPARTMENT

December 6, 2022

# Summary

- Proposing 10-year interlocal agreement between the City of Corpus Christi and Del Mar College
- Automatic one-year renewals every year thereafter for a term of one year each renewal
- Agreement will consolidate several current agreements and define the current relationship between the City and the College

# Background

- 1980: Training facilitated by Del Mar College began when CCFD moved from Basic Life Support (BLS) to Advanced Life Support (ALS) EMS services
- 1985: DMC supported CCFD's conversion to an all-ALS department
- 1990: Establishment of CCFD ALS first responder program

## Current Agreements

- 2005: Agreement of Affiliation; Joint use of DMC drill field
- 2008: Lease agreement for offices and classroom use
- 2015: Interlocal agreement for ambulance training for EMS students

# Proposal

- Will allow CCFD and DMC to consolidate previous agreements
- Provide assurance of training activities currently in place and exercised
- Will allow CCFD to enroll fire cadets in DMC EMS and Fire training programs

# Benefits

- CCFD maintains control of academy and cadet activities throughout their training
- CCFD cadets receive training provided by an accredited institution
- CCFD cadets receive college credit hours towards a college degree

## Benefits Continued

- CCFD receives a 20% discount toward tuition rates
- DMC provides CCFD with training facilities at no cost in a hurricane/tornado proof building that includes offices and classrooms
- DMC provides CCFD with the use of their fire training field
  - Burn house
  - Burn tower
  - Fire training props
