Why are you interested in serving on a City board, commission or committee?

Since I've moved back to Corpus Christi from law school, I've had an interest in our community. I'm always looking for ways to better our community, and I believe serving on a city board is a great way to do so. I consider the Crime Control & Prevention District to be one of the most important commissions in the City of Corpus Christi. It assures we monitor and support a strong, competent police force by adequate staffing. It is important to maintain a safe and healthy community, thereby improving the quality of life for all. Reduction to crime starts at a very young age. We can develop plans to improve our youth.
