ARTICLE IV FUNDING

Section 4.01 Debt to State and Corporate Status.

Pursuant to Tex. Gov. Code § 403.055, the Department will not approve and the State Comptroller will not issue payment to Contractor if Contractor is indebted to the State for any reason, including a tax delinquency. Contractor, if a corporation, certifies by execution of this Contract that it is current and will remain current in its payment of franchise taxes to the State of Texas or that it is exempt from payment of franchise taxes under Texas law (Tex. Tax Code §§ 171.001 et seq.). Contractor, if a corporation, further certifies that it is and will remain in good standing with the Secretary of State's office. A false statement regarding franchise tax or corporate status is a material breach of this Contract. If franchise tax payments become delinquent during the Contract term, all or part of the payments under this Contract may be withheld until Contractor's delinquent franchise tax is paid in full.

Section 4.02 Application of Payment Due.

Contractor agrees that any payments due under this Contract will be applied towards any debt of Contractor, including but not limited to delinquent taxes and child support that is owed to the State of Texas.

Unless otherwise required under the terms of the grant funding this Contract, Contractor shall use the addition alternative, as provided in UGMS § __.25(g)(2), for the use of program income to further the program objectives of the state or federal statute under which the Program Attachment was made, and Contractor shall spend the program income on the same Program Attachment project in which it was generated. Contractor shall identify and report this income in accordance with the Compliance and Reporting Article of these General Provisions, the Contractor's Financial Procedures Manual located at <http://www.dshs.state.tx.us/contracts/cfpm.shtm> and the provisions of the Program Attachment(s). Contractor shall expend program income during the Program Attachment term and may not carry forward to any succeeding term. Contractor shall refund program income not expended in the term in which it is earned to DSHS. DSHS may base future funding levels, in part, upon Contractor's

proficiency in identifying, billing, collecting, and reporting program income, and in using it for the purposes and under the conditions specified in this Contract.

Section 4.06 Nonsupplanting.

Contractor shall not supplant (i.e., use funds from this Contract to replace or substitute existing funding from other sources that also supports the activities that are the subject of this Contract) but rather shall use funds from this Contract to supplement existing state or local funds currently available for a particular activity. Contractor shall make a good faith effort to maintain its current level of support. Contractor may be required to submit documentation substantiating that a reduction in state or local funding, if any, resulted for reasons other than receipt or expected receipt of funding under this Contract.

ARTICLE V PAYMENT METHODS AND RESTRICTIONS

Section 5.01 Payment Methods.

Except as otherwise provided by the provisions of the Program Attachment(s), the payment method for each Program Attachment will be one of the following methods:

Contractor shall maintain all documentation that substantiates billing submissions and make the documentation available to DSHS upon request.

Section 5.03 Final Billing Submission.

Unless otherwise provided by the Department, Contractor shall submit a reimbursement or payment request as a final close-out bill not later than forty-five (45) calendar days following the end of the term of the Program Attachment for goods received and services rendered during the term. If necessary to meet this deadline, Contractor may submit reimbursement or payment requests by facsimile transmission. Reimbursement or payment requests received in DSHS's offices more than forty-five (45) calendar days following the end of the applicable term will not be paid. Consideration of requests for an exception will be made on a case-by-case basis, subject to the availability of funding, and only for an extenuating circumstance, such as a catastrophic event, natural disaster, or criminal activity that substantially interferes with normal business operations or causes damage or destruction of a place of business and/or records. Contractor shall submit the final FSR no later than forty-five (45) calendar days following the end of the applicable term.

Section 5.06 Third Party Payors.

A third party payor is any person or entity who has the legal responsibility for paying for all or part of the services provided. Third party payors include, but are not limited to, commercial health or liability insurance carriers, Medicaid, or other federal, state, local, and private funding sources. Except as provided in this Contract, Contractor shall screen all clients and shall not bill the Department for services eligible for reimbursement from third party payors. Contractor shall (a) enroll as a provider in Children's Health Insurance Program and Medicaid if providing approved services authorized under this Contract that may be covered by those programs, and bill those programs for the covered services; (b) provide assistance to individuals to enroll in such programs when the screening process indicates possible eligibility for such programs; (c) allow clients who are otherwise eligible for Department services, but cannot pay a deductible required by a third party payor, to receive services up to the amount of the deductible and to bill the Department for the deductible; (d) not bill the Department for any services eligible for third party reimbursement until all appeals to third party payors have been exhausted, in which case the thirty (30)-day requirement in the Billing Submission section will be extended until all such appeals have been exhausted; (e) maintain appropriate documentation from the third party payor reflecting attempts to obtain reimbursement; (f) bill all third party payors for services provided under this Contract before submitting any request for reimbursement to Department; and (g) provide third party billing functions at no cost to the client.

Upon receipt of a timely, undisputed invoice pursuant to this Contract, Department will pay Contractor. Payments and reimbursements are contingent upon a signed Contract and will not exceed the total amount of authorized funds under this Contract. Department may withhold all or part of any payments to Contractor to offset reimbursement for any ineligible expenditures, disallowed costs, or overpayments that Contractor has not refunded to Department, or if financial status report(s) required by the Department are not submitted by the date(s) due. Further, Contractor's governing body shall ensure separation of powers, duties, and functions of governing body members and staff. Staff members, including the executive director, shall not serve as voting members of Contractor's governing body. No member of Contractor's governing body, or officer or employee of Contractor shall vote for, confirm or act to influence the employment, compensation or change in status of any person related within the second degree of affinity or the third degree of consanguinity (as defined in Tex. This prohibition does not prohibit the continued employment of a person who has been continuously employed for a period of two (2) years prior to the election, appointment or employment of the officer, employee, or governing body member related to such person in the prohibited degree. These restrictions also apply to the governing body, officers and employees of Contractor's subcontractors. Ignorance of any Contract provisions or other

The fidelity bond or insurance must provide for indemnification of losses occasioned by (1) any fraudulent or dishonest act or acts committed by any of Contractor's employees, either individually or in concert with others, and/or (2) failure of Contractor or any of its employees to perform faithfully his/her duties or to account properly for all monies and property received by virtue of his/her position or employment. Contractor shall make a good faith effort to subcontract with HUBs during the performance of this Contract and shall report HUB subcontract activity to the Department's HUB Coordinator by the 15th day of each month for the prior month's activity, if there was any such activity, in accordance with 34 Tex. Prior to entering into a subrecipient agreement equaling or exceeding \$100,000, Contractor shall obtain written approval from DSHS. Contractor shall establish written policies and procedures for competitive procurement and monitoring of subcontracts and shall produce a subcontracting monitoring plan. Contractor shall monitor subrecipient subcontractors for both financial and programmatic performance and shall maintain pertinent records that must be available for inspection by DSHS. Contractor shall ensure that subcontractors are fully aware of the requirements placed upon them by state/federal statutes, rules, and regulations and by the provisions of this Contract.

Each subrecipient subcontract contract must also include a copy of these General Provisions and a copy of the Statement of Work and any other provisions in the Program Attachment(s) applicable to the subcontract. Contractor shall ensure that all written agreements with subrecipient subcontractors incorporate the terms of this Contract so that all terms, conditions, provisions, requirements, duties and liabilities under this Contract applicable to the services provided or activities conducted by a subcontractor are passed down to that subcontractor. No provision of this Contract creates privity of contract between DSHS and any subcontractor of Contractor. If a subcontractor is unable to certify to any of the statements in Section 14.13 or any of the certifications stated in the Assurances and Certifications Article, Contractor shall submit an explanation to the contract manager assigned to the Program Attachment. Prior approval by DSHS of the purchase of controlled assets is not required, but such purchases must be reported on the Contractors Property Inventory Form as detailed under Section 14.23.

Section 14.22 Changes to Equipment List.

All items of equipment to be purchased with funds under this Contract must be itemized in Contractor's equipment list as finally approved by the Department in the executed Contract. Any changes to the approved equipment list in the executed Contract must be approved in writing by Department prior to the purchase of equipment. Contractor shall submit to the contract manager assigned to the Program Attachment, a written description including complete product specifications and need justification prior to purchasing any item of unapproved equipment. Section 14.24 Bankruptcy.

In the event of bankruptcy, Contractor shall sever Department property, equipment, and supplies in possession of Contractor from the bankruptcy, and title must revert to Department. If directed by DSHS, Contractor shall return all such property, equipment and supplies to DSHS. Contractor shall ensure that its subcontracts, if any, contain a specific provision requiring that in the event the subcontractor's bankruptcy, the subcontractor must sever Department property, equipment, and supplies in possession of the subcontractor from the bankruptcy, and title must revert to Department, who may require that the property, equipment and supplies be returned to DSHS.

Contractor shall establish safeguards to prohibit employees and subcontractors and their employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest or personal gain. If, at any time during the term of this Contract, Contractor or any of its subcontractors has a conflict of interest or potential conflict of interest, Contractor shall disclose the actual or potential conflict of interest to the contract manager assigned to the Program Attachment within ten (10) days of when Contractor becomes aware of the existence of the actual or potential conflict of interest. DSHS has the right to obtain and hold in its name any and all patents, copyrights, registrations or other such protections as may be appropriate to the subject matter, and any extensions and renewals thereof. Contractor shall place an acknowledgment of federal awarding agency grant support and a disclaimer, as appropriate, on any publication written or published with such support and, if feasible, on any publication reporting the results of or describing a grant-supported activity. An acknowledgment must be to the effect that “This publication was made possible by grant number _____ from (federal awarding agency)” or “The project described was supported by grant number _____ from (federal awarding agency)” and “Its contents are solely the responsibility of the authors and do not necessarily represent the official views of the (federal awarding agency).”
- d) If the terms of a federal grant award the copyright to Contractor, DSHS reserves a royalty-free, nonexclusive, worldwide and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for DSHS, public health, and state governmental noncommercial purposes (1) the copyright, trademark, service mark, and/or patent on an invention, discovery, or improvement to any process, machine, manufacture, or composition

of matter; products; technology; scientific information; trade secrets; and computer software, in any work developed under a grant, subgrant, or contract under a grant or subgrant; and (2) any rights of copyright, service or trademarks or patents to which a grantee, subgrantee or a Contractor purchases ownership with contract funds.

At the conclusion of the contractual relationship between Department and Contractor, for any reason, Department shall have the sole ownership rights and interest in all non-copyrightable intangible property that was developed, produced or obtained by Contractor as a specific requirement under this Contract or under any grant that funds this Contract, such as domain names, URLs, software licenses with a value of \$500 or more, etc. Contractor shall inventory all such non-copyrightable intangible property. Contractor shall cooperate with Department and perform all actions necessary to transfer ownership of such property to the Department or its designee, or otherwise affirm Department's ownership rights and interest in such property. This provision will survive the termination or expiration of this Contract.

Section 15.07 Severability and Ambiguity.

If any provision of this Contract is construed to be illegal or invalid, the illegal or invalid provision will be deemed stricken and deleted to the same extent and effect as if never incorporated, but all other provisions will continue. The Parties represent and agree that the language contained in this Contract is to be construed as jointly drafted, proposed and accepted.

Section 15.08 Legal Notice.

Any notice required or permitted to be given by the provisions of this Contract will be deemed to have been received by a Party on the third business day after the date on which it was mailed to the Party at the address specified by the Party to the other Party in writing or, if sent by certified mail, on the date of receipt.

Section 15.09 Successors.

This Contract will be binding upon the Parties and their successors and assignees, except as expressly provided in this Contract.

Section 15.10 Headings.

The articles and section headings used in this Contract are for convenience of reference only and will not be construed in any way to define, limit or describe the scope or intent of any provisions.

Section 15.11 Parties.

The Parties represent to each other that they are entities fully familiar with transactions of the kind reflected by the contract documents, and are capable of understanding the terminology and meaning of their terms and conditions and of obtaining independent legal advice pertaining to this Contract.

Section 15.12 Survivability of Terms.

Termination or expiration of this Contract or a Program Attachment for any reason will not release either Party from any liabilities or obligations in this Contract that (a) the Parties have expressly agreed will survive any such termination or expiration, or (b) remain to be performed or (c) by their nature would be intended to be applicable following any such termination or expiration.

Section 15.13 Direct Operation.

At the Department's discretion, the Department may temporarily assume operations of a Contractor's program or programs funded under this Contract when the continued operation of the program by Contractor puts at risk the health or safety of clients and/or participants served by Contractor.

Section 15.14 Customer Service Information.

If requested, Contractor shall supply such information as required by the Department to comply with the provisions of Tex. Gov. Code Chapter 2114 regarding Customer Service surveys.

Section 15.15 Amendment.

The Parties agree that the Department may unilaterally reduce funds pursuant to the terms of this Contract without the written agreement of Contractor. All other amendments to this Contract must be in writing and agreed to by both Parties, except as otherwise specified in the Contractor's Notification of Change to Certain Contract Provisions section or the Contractor's Request for Revision to Certain Contract Provisions section of this Article. Contractor's request for certain budget revisions or other amendments must be submitted in writing, including a justification for the request, to the contract manager assigned to the Program Attachment; and if a budget revision or amendment is requested during the last quarter of the Contract or Program Attachment term, as applicable, Contractor's written justification must include a reason for the delay in making the request. Revision or other amendment requests may be granted at the discretion of DSHS. Except as otherwise provided in this Article, Contractor shall not perform or produce, and DSHS will not pay for the performance or production of, different or additional goods, services, work or products except pursuant to an amendment of this Contract that is executed in compliance with this section; and DSHS will not waive any term, covenant, or condition of this Contract unless by amendment or otherwise in compliance with this Article.

Section 15.16 Contractor's Notification of Change to Certain Contract Provisions.

The following changes may be made to this Contract without a written amendment or the Department's prior approval:

- a) contractor's contact person and contact information;
- b) contact information for key personnel, as stated in Contractor's response to the Solicitation Document, if any;
- c) cumulative budget transfers that exceed 25% among direct cost categories, other than the equipment category, of cost reimbursement contract Program Attachments of less than \$100,000, provided that the total budget amount is unchanged (This subsection does not apply to contracts funded by funding sources that have different percentage requirements);
- d) minor corrections or clarifications to the Contract language that in no way alter the scope of work, objectives or performance measures; and

- e) a change in Contractor's share of the budget concerning non-DSHS funding other than program income and match, regardless of the amount of the change, provided that in changing the budget, Contractor is not supplanting DSHS funds.

Contractor within ten (10) calendar days shall notify in writing the contract manager assigned to the Program Attachment of any change enumerated in this section, but the contract will not be amended. The notification may be by letter, fax or email. Except for contracts funded by funding sources that have different percentage requirements, cumulative budget line item transfers of 25% or less among direct cost categories, other than equipment, of cost reimbursement contracts of any amount do not require written amendment or prior approval or notification.

Section 15.17 Contractor's Request for Revision of Certain Contract Provisions.

A Contractor's Revision Request is an alternative method for amending certain specified provisions of this Contract that is initiated by Contractor, but must be approved by DSHS. The following amendments to this Contract may be made through a Contractor's Revision Request, rather than through the amendment process described in the Amendment section of this Article:

- a) cumulative budget transfers among direct cost categories, other than the equipment category, that exceed 25% of Program Attachments of \$100,000 or more, provided that the total budget amount is unchanged (This subsection does not apply to contracts funded by funding sources that have different percentage requirements);
- b) budget transfer to other categories of funds for direct payment to trainees for training allowances;
- c) change in clinic hours or location;
- d) change in the equipment list substituting an item of equipment equivalent to an item of equipment on the approved budget;
- e) changes in the equipment category of a previously approved equipment budget;
- f) changes specified in applicable OMB Circular cost principles as requiring prior approval, regardless of dollar threshold (e.g., foreign travel expenses, overtime premiums, membership fees; and
- g) cumulative budget transfers into or out of the equipment category that do not exceed 10% of any Program Attachment, provided that the total budget amount is unchanged (cumulative transfers from or to the equipment category that equal or exceed 10% of any Program Attachment require an amendment to this Contract as described in the Amendment section of this Article).

In order to request a revision of any of the enumerated provisions, Contractor shall request the change in writing from their assigned contract manager. A separate Contractor Revision Request is required for each Program Attachment to be revised. Circumstances of a requested contract revision may indicate the need for an amendment described in the Amendment section of this Article rather than a contract revision amendment under this section.

Section 15.18 Immunity Not Waived.

The Parties expressly agree that no provision of this contract is in any intended to constitute a waiver by Department or the State of Texas of any immunities from suit or from liability that Department or the State of Texas may have by operation of law.

Section 15.19 Hold Harmless and Indemnification.

Contractor, as an independent contractor, agrees to hold Department, the State of Texas, individual state employees and officers, and the federal government harmless and to indemnify them from any and all liability, suits, claims, losses, damages and judgments; and to pay all costs, fees, and damages to the extent that such costs, fees, and damages arise from performance or nonperformance of Contractor, its employees, subcontractors, joint venture participants or agents under this Contract.

Section 15.20 Waiver.

Acceptance by either Party of partial performance or failure to complain of any action, non-action or default under this Contract will not constitute a waiver of either Party's rights under this Contract.

Section 15.21 Electronic and Information Resources Accessibility and Security Standards.

(a) This section applies if the Contract requires the Contractor to procure or develop Electronic and Information Resources (EIR) for DSHS, or to change any of DSHS' EIR. This section also applies if the Contract requires the Contractor to perform a service or supply goods that include EIR that (i) DSHS employees are required to use or permitted access to; or (ii) Members of the public are required or permitted to access. This section does not apply to incidental uses of EIR in the performance of a contract, unless the parties agree that the EIR will become property of the state or will be used by DSHS clients after completion of the Contract.

Nothing in this section is intended to prescribe the use of particular designs or technologies or to prevent the use of alternative technologies, provided they result in substantially equivalent or greater access to and use of a product/service.

(b) Definitions.

1. "Accessibility Standards" means the Electronic and Information Resources Accessibility Standards in 1 TAC Chapter 213, and the Web Site Accessibility Standards/Specifications in 1 TAC Chapter 206.
2. "Electronic and Information Resources" means information resources, including information resources technologies, and any equipment or interconnected system of equipment that is used in the creation, conversion, duplication, or delivery of data or information. The term includes, but is not limited to, telephones and other telecommunications products, information kiosks, transaction machines, Internet websites, multimedia resources, and office equipment, including copy machines and fax machines.
3. "Electronic and Information Resources Accessibility Standards" means the accessibility standards for electronic and information resources contained in Volume 1 Texas Administrative Code chapter 213.
4. "Web Site Accessibility Standards/Specifications" means standards contained in Volume 1 Texas Administrative Code Chapter 206.
5. "Products" means information resources technologies that are, or are related to, EIR.

(c) Accessibility Requirements. Under Texas Government Code Chapter 2054, Subchapter M, and implementing rules of the Department of Information Resources (DIR), DSHS must procure Products that comply with the Accessibility Standards when such Products are available in the commercial marketplace or when such Products are developed in response to a procurement solicitation. Accordingly, Contractor must provide electronic and information resources and

associated Product documentation and technical support that comply with the Accessibility Standards.

(d) Evaluation, Testing and Monitoring.

1. DSHS may review, test, evaluate and monitor Contractor's Products and associated documentation and technical support for compliance with the Accessibility Standards. Review, testing, evaluation and monitoring may be conducted before and after the award of a contract. Testing and monitoring may include user acceptance testing. Neither (1) the review, testing (including acceptance testing), evaluation or monitoring of any Product; nor (2) the absence of such review, testing, evaluation or monitoring, will result in a waiver of the State's right to contest the Contractor's assertion of compliance with the Accessibility Standards.

2. Contractor agrees to cooperate fully and provide DSHS and its representatives timely access to Products, records, and other items and information needed to conduct such review, evaluation, testing and monitoring.

(e) Representations and Warranties.

1. Contractor represents and warrants that (i) as of the effective date of the Contract, the Products and associated documentation and technical support comply with the Accessibility Standards as they exist at the time of entering the Contract, unless and to the extent the Parties otherwise expressly agree in writing; and (ii) if the Products will be in the custody of the state or a DSHS client after the Contract expiration or termination, the Products will continue to comply with such Accessibility Standards after the expiration or termination of the Contract term, unless DSHS and/or client, as applicable, uses the Products in a manner that renders it noncompliant.

2. In the event Contractor should have known, becomes aware, or is notified that the Product and associated documentation and technical support do not comply with the Accessibility Standards, Contractor represents and warrants that it will, in a timely manner and at no cost to DSHS, perform all necessary steps to satisfy the Accessibility Standards, including but not limited to remediation, replacement, and upgrading of the Product, or providing a suitable substitute.

3. Contractor acknowledges and agrees that these representations and warranties are essential inducements on which DSHS relies in awarding this Contract.

4. Contractor's representations and warranties under this subsection will survive the termination or expiration of the Contract and will remain in full force and effect throughout the useful life of the Product.

(f) Remedies.

1. Pursuant to Texas Government Code §2054.465, neither Contractor nor any other person has cause of action against DSHS for a claim of a failure to comply with Texas Government Code Chapter 2054, Subchapter M, and rules of the Department of Information Resources.

2. In the event of a breach of Contractor's representations and warranties, Contractor will be liable for direct and consequential damages and any other remedies to which DSHS may be entitled. This remedy is cumulative of any and all other remedies to which DSHS may be entitled under this Contract and other applicable law.

Section 15.22 Force Majeure.

Neither Party will be liable for any failure or delay in performing all or some of its obligations, as applicable, under this Contract if such failure or delay is due to any cause beyond the reasonable

control of such Party, including, but not limited to, extraordinarily severe weather, strikes, natural disasters, fire, civil disturbance, epidemic, war, court order, or acts of God. The existence of any such cause of delay or failure will extend the period of performance in the exercise of reasonable diligence until after the cause of the delay or failure no longer exists and, if applicable, for any reasonable period of time thereafter required to resume performance. A Party, within a period of time reasonable under the circumstances, must inform the other by any reasonable method (phone, email, etc.) and, as soon as practicable, must submit written notice with proof of receipt, of the existence of a force majeure event or otherwise waive the right as a defense to non-performance.

Section 15.23 Interim Contracts.

The Parties agree that the Contract and/or any of its Program Attachments will automatically continue as an “Interim Contract” beyond the expiration date of the term of the Contract or Program Attachment(s), as applicable, under the following circumstances: (1) on or shortly prior to the expiration date of the Contract or Program Attachment, there is a state of disaster declared by the Governor that affects the ability or resources of the DSHS contract or program staff managing the Contract to complete in a timely manner the extension, renewal, or other standard contract process for the Contract or Program Attachment; and (2) DSHS makes the determination in its sole discretion that an Interim Contract is appropriate under the circumstances. DSHS will notify Contractor promptly in writing if such a determination is made. The notice will specify whether DSHS is extending the Contract or Program Attachment for additional time for Contractor to perform or complete the previously contracted goods and services (with no new or additional funding) or is purchasing additional goods and services as described in the Program Attachment for the term of the Interim Contract, or both. The notice will include billing instructions and detailed information on how DSHS will fund the goods or services to be procured during the Interim Contract term. The Interim Contract will terminate thirty (30) days after the disaster declaration is terminated unless the Parties agree to a shorter period of time.

Section 15.24 Cooperation and Communication.

Contractor shall cooperate with Department staff and, as applicable, other DSHS contractors, and shall promptly comply with requests from DSHS for information or responses to DSHS inquiries concerning Contractor’s duties or responsibilities under this Contract.

ARTICLE XVI BREACH OF CONTRACT AND REMEDIES FOR NON-COMPLIANCE

Section 16.01 Actions Constituting Breach of Contract.

Actions or inactions that constitute breach of contract include, but are not limited to, the following:

- a) failure to properly provide the services and/or goods purchased under this Contract;
- b) failure to comply with any provision of this Contract, including failure to comply with all applicable statutes, rules or regulations;
- c) failure to pay refunds or penalties owed to the Department;
- d) failure to comply with a repayment agreement with the DSHS or agreed order issued by DSHS;
- e) failure by Contractor to provide a full accounting of funds expended under this Contract;

- f) discovery of a material misrepresentation in any aspect of Contractor's application or response to the Solicitation Document;
- g) any misrepresentation in the assurances and certifications in Contractor's application or response to the Solicitation Document or in this Contract; or
- h) Contractor is on or is added to the Excluded Parties List System (EPLS).

Section 16.02 General Remedies and Sanctions.

The Department will monitor Contractor for both programmatic and financial compliance. The remedies and sanctions in this section are available to the Department against Contractor and any entity that subcontracts with Contractor for provision of services or goods. HHSC OIG may investigate, audit and impose or recommend imposition of remedies or sanctions to Department for any breach of this Contract and may monitor Contractor for financial compliance. The Department may impose one or more remedies or sanctions for each item of noncompliance and will determine remedies or sanctions on a case-by-case basis. Contractor is responsible for complying with all of the terms of this Contract. The listing of or use of one or more of the remedies or sanctions in this section does not relieve Contractor of any obligations under this Contract. A state or federal statute, rule or regulation, or federal guideline will prevail over the provisions of this Article unless the statute, rule, regulation, or guideline can be read together with the provision(s) of this Article to give effect to both. If Contractor breaches this Contract by failing to comply with one or more of the terms of this Contract, including but not limited to compliance with applicable statutes, rules or regulations, the Department may take one or more of the following actions:

- a) terminate this Contract or a Program Attachment of this Contract as it relates to a specific program type. In the case of termination, the Department will inform Contractor of the termination no less than thirty (30) calendar days before the effective date of the termination in a notice of termination, except for circumstances that require immediate termination as described in the Emergency Action section of this Article. The notice of termination will state the effective date of the termination, the reasons for the termination, and, if applicable, alert Contractor of the opportunity to request a hearing on the termination pursuant to Tex. Gov. Code Chapter 2105 regarding administration of Block Grants. Contractor shall not make any claim for payment or reimbursement for services provided from the effective date of termination;
- b) suspend all or part of this Contract. Suspension is an action taken by the Department in which the Contractor is notified to temporarily (1) discontinue performance of all or part of the Contract, and/or (2) discontinue incurring expenses otherwise allowable under the Contract as of the effective date of the suspension, pending DSHS's determination to terminate or amend the Contract or permit the Contractor to resume performance and/or incur allowable expenses. Contractor shall not bill DSHS for services performed during suspension, and Contractor's costs resulting from obligations incurred by Contractor during a suspension are not allowable unless expressly authorized by the notice of suspension;
- c) deny additional or future contracts with Contractor;
- d) reduce the funding amount for failure to 1) provide goods and services as described in this Contract or consistent with Contract performance expectations, 2) achieve or maintain the proposed level of service, 3) expend funds appropriately and at a rate that will make full use of the award, or 4) achieve local match, if required;

- e) disallow costs and credit for matching funds, if any, for all or part of the activities or action not in compliance;
- f) temporarily withhold cash payments. Temporarily withholding cash payments means the temporary withholding of a working capital advance, if applicable, or reimbursements or payments to Contractor for proper charges or obligations incurred, pending resolution of issues of noncompliance with conditions of this Contract or indebtedness to the United States or to the State of Texas;

Section 16.03 Notice of Remedies or Sanctions.

Department will formally notify Contractor in writing when a remedy or sanction is imposed (with the exception of accelerated monitoring, which may be unannounced), stating the nature of the remedies and sanction(s), the reasons for imposing them, the corrective actions, if any, that must be taken before the actions will be removed and the time allowed for completing the corrective actions, and the method, if any, of requesting reconsideration of the remedies and sanctions imposed. Other than in the case of repayment or recoupment, Contractor is required to file, within fifteen (15) calendar days of receipt of notice, a written response to Department acknowledging receipt of such notice. If requested by the Department, the written response must state how Contractor shall correct the noncompliance (corrective action plan) or demonstrate in writing that the findings on which the remedies or sanction(s) are based are either invalid or do not warrant the remedies or sanction(s). If Department determines that a remedy or sanction is warranted, unless the remedy or sanction is subject to review under a federal or state statute, regulation, rule, or guideline, Department's decision is final. Department will provide written notice to Contractor of Department's decision. If required by the Department, Contractor shall submit a corrective action plan for DSHS approval and take corrective action as stated in the approved corrective action plan. If DSHS determines that repayment is warranted, DSHS will issue a demand letter to Contractor for repayment. If full repayment is not received within the time limit stated in the demand letter, and if recoupment is available, DSHS will recoup the amount due to DSHS from funds otherwise due to Contractor under this Contract.

Section 16.04 Emergency Action.

In an emergency, Department may immediately terminate or suspend all or part of this Contract, temporarily or permanently withhold cash payments, deny future contract awards, or delay contract execution by delivering written notice to Contractor, by any verifiable method, stating the reason for the emergency action. An "emergency" is defined as the following:

- a) Contractor is noncompliant and the noncompliance has a direct adverse effect on the public or client health, welfare or safety. The direct adverse effect may be programmatic or financial and may include failing to provide services, providing inadequate services, providing unnecessary services, or using resources so that the public or clients do not receive the benefits contemplated by the scope of work or performance measures; or
- b) Contractor is expending funds inappropriately.

Whether Contractor's conduct or noncompliance is an emergency will be determined by Department on a case-by-case basis and will be based upon the nature of the noncompliance or conduct.

ARTICLE XVII CLAIMS AGAINST THE DEPARTMENT

Section 17.01 Breach of Contract Claim.

The process for a breach of contract claim against the Department provided for in Tex. Gov. Code Chapter 2260 and implemented in Department Rules §§ 4.11- 4.24 will be used by DSHS and Contractor to attempt to resolve any breach of contract claim against DSHS.

Section 17.02 Notice.

Contractor’s claims for breach of this Contract that the Parties cannot resolve in the ordinary course of business must be submitted to the negotiation process provided in Tex. Gov Code Chapter 2260, subchapter B. To initiate the process, Contractor shall submit written notice, as required by subchapter B, to DSHS’s Office of General Counsel. The notice must specifically state that the provisions of Chapter 2260, subchapter B, are being invoked. A copy of the notice must also be given to all other representatives of DSHS and Contractor. Subchapter B is a condition precedent to the filing of a contested case proceeding under Tex. Gov. Code Chapter 2260, subchapter C.

Section 17.03 Sole Remedy.

The contested case process provided in Tex. Gov. Code Chapter 2260, subchapter C, is Contractor’s sole and exclusive process for seeking a remedy for any and all alleged breaches of contract by DSHS if the Parties are unable to resolve their disputes under this Article.

Section 17.04 Condition Precedent to Suit.

Compliance with the contested case process provided in Tex. Gov. Code Chapter 2260, subchapter C, is a condition precedent to seeking consent to sue from the Legislature under Tex. Civ. Prac. & Rem. Code Chapter 107. Neither the execution of this Contract by DSHS nor any other conduct of any representative of DSHS relating to this Contract will be considered a waiver of sovereign immunity to suit.

Section 17.05 Performance Not Suspended.

Neither the occurrence of an event nor the pendency of a claim constitutes grounds for the suspension of performance by Contractor, in whole or in part.

ARTICLE XVIII TERMINATION AND TEMPORARY SUSPENSION

Section 18.01 Expiration of Contract or Program Attachment(s).

Except as provided in the Survivability of Terms section of the General Terms Article, Contractor’s service obligations stated in each Program Attachment will end upon the expiration date of that Program Attachment unless extended or renewed by written amendment. Prior to completion of the term of all Program Attachments, all or a part of this Contract may be terminated with or without cause under this Article.

Section 18.02 Effect of Termination.

Termination is the permanent withdrawal of Contractor's authority to obligate previously awarded funds before that authority would otherwise expire or the voluntary relinquishment by Contractor of the authority to obligate previously awarded funds. Contractor's costs resulting from obligations incurred by Contractor after termination of an award are not allowable unless expressly authorized by the notice of termination. Upon termination of this Contract or Program Attachment, as applicable, Contractor shall cooperate with DSHS to the fullest extent possible to ensure the orderly and safe transfer of responsibilities under this Contract or Program Attachment, as applicable, to DSHS or another entity designated by DSHS. Upon termination of all or part of this Contract, Department and Contractor will be discharged from any further obligation created under the applicable terms of this Contract or the Program Attachment, as applicable, except for the equitable settlement of the respective accrued interests or obligations incurred prior to termination and for Contractor's duty to cooperate with DSHS, and except as provided in the Survivability of Terms section of the General Terms Article. Termination does not, however, constitute a waiver of any remedies for breach of this Contract. In addition, Contractor's obligations to retain records and maintain confidentiality of information will survive this Contract.

Section 18.03 Acts Not Constituting Termination.

Termination does not include the Department's (1) withdrawal of funds awarded on the basis of Contractor's underestimate of the unobligated balance in a prior period; (2) withdrawal of the unobligated balance at the expiration of the term of a Program Attachment; (3) refusal to extend a Program Attachment or award additional funds to make a competing or noncompeting continuation, renewal, extension, or supplemental award; (4) non-renewal of a contract or Program Attachment at Department's sole discretion; or (5) voiding of a contract upon determination that the award was obtained fraudulently, or was otherwise illegal or invalid from inception.

Section 18.04 Termination or Temporary Suspension Without Cause.

- a) Either Party may terminate this Contract or a Program Attachment, as applicable, with at least thirty (30) calendar days prior written notice to the other Party, except that if Contractor seeks to terminate a Contract or Program Attachment that involves residential client services, Contractor shall give the Department at least ninety (90) calendar days prior written notice and shall submit a transition plan to ensure client services are not disrupted.
- b) The Parties may terminate this Contract or a Program Attachment by mutual agreement.
- c) DSHS may temporarily suspend or terminate this Contract or a Program Attachment if funds become unavailable through lack of appropriations, budget cuts, transfer of funds between programs or health and human services agencies, amendments to the Appropriations Act, health and human services consolidations, or any disruption of current appropriated funding for this Contract or Program Attachment. Contractor will be notified in writing of any termination or temporary suspension or of any cessation of temporary suspension. Upon notification of temporary suspension, Contractor shall discontinue performance under the Contract as of the effective date of the suspension, for the duration of the suspension.
- d) Department may terminate this Contract or a Program Attachment immediately when, in the sole determination of Department, termination is in the best interest of the State of Texas.

Section 18.05 Termination For Cause.

Either Party may terminate for material breach of this Contract with at least thirty (30) calendar days written notice to the other Party. Department may terminate this Contract, in whole or in part, for breach of contract or for any other conduct that jeopardizes the Contract objectives, by giving at least thirty (30) calendar days written notice to Contractor. Such conduct may include one or more of the following:

- a) Contractor has failed to adhere to any laws, ordinances, rules, regulations or orders of any public authority having jurisdiction;
- b) Contractor fails to communicate with Department or fails to allow its employees or those of its subcontractor to communicate with Department as necessary for the performance or oversight of this Contract;
- c) Contractor breaches a standard of confidentiality with respect to the services provided under this Contract;
- d) Department determines that Contractor is without sufficient personnel or resources to perform under this Contract or that Contractor is otherwise unable or unwilling to fulfill any of its requirements under this Contract or exercise adequate control over expenditures or assets;
- e) Department determines that Contractor, its agent or another representative offered or gave a gratuity (e.g., entertainment or gift) to an official or employee of DSHS or HHSC for the purpose of obtaining a contract or favorable treatment;
- f) Department determines that this Contract includes financial participation by a person who received compensation from DSHS to participate in developing, drafting or preparing the specifications, requirements or statement(s) of work or Solicitation Document on which this Contract is based in violation of Tex. Gov. Code § 2155.004; or Department determines that Contractor was ineligible to receive this Contract under Tex. Gov. Code §§ 2155.006 or 2261.053 related to certain disaster response contracts;
- g) Contractor appears to be financially unstable. Indicators of financial instability may include one or more of the following:
 - 1) Contractor fails to make payments for debts;
 - 2) Contractor makes an assignment for the benefit of its creditors;
 - 3) Contractor admits in writing its inability to pay its debts generally as they become due;
 - 4) if judgment for the payment of money in excess of \$50,000 (that is not covered by insurance) is rendered by any court or governmental body against Contractor, and Contractor does not (a) discharge the judgment, or (b) provide for its discharge in accordance with its terms, or (c) procure a stay of execution within thirty (30) calendar days from the date of entry of the judgment, or (d) if the execution is stayed, within the thirty (30)-day period or a longer period during which execution of the judgment has been stayed, appeal from the judgment and cause the execution to be stayed during such appeal while providing such reserves for the judgment as may be required under Generally Accepted Accounting Principles;
 - 5) a writ or warrant of attachment or any similar process is issued by any court against all or any material portion of the property of Contractor, and such writ or warrant of attachment or any similar process is not released or bonded within thirty (30) calendar days after its issuance;
 - 6) Contractor is adjudicated bankrupt or insolvent;
 - 7) Contractor files a case under the Federal Bankruptcy Code or seeks relief under any provision of any bankruptcy, reorganization, arrangement, insolvency, readjustment of

- debt, dissolution, receivership or liquidation law of any jurisdiction then in effect, or consents to the filing of any case or petition against it under any such law;
- 8) any property or portion of the property of Contractor is sequestered by court order and the order remains in effect for more than thirty (30) calendar days after Contractor obtains knowledge of the sequestration;
 - 9) a petition is filed against Contractor under any state reorganization, arrangement, insolvency, readjustment of debt, dissolution, receivership or liquidation law of any jurisdiction then in effect, and the petition is not dismissed within thirty (30) calendar days; or
 - 10) Contractor consents to the appointment of a receiver, trustee, or liquidator of Contractor or of all or any part of its property;
- h) Contractor's management system does not meet the UGMS management standards; or
 - i) Any required license, certification, permit, registration or approval required to conduct Contractor's business or to perform services under this Contract is not obtained or is revoked, is surrendered, expires, is not renewed, is inactivated or is suspended.

Section 18.06 Notice of Termination.

Either Party may deliver written notice of intent to terminate by any verifiable method. If either Party gives notice of its intent to terminate all or a part of this Contract, Department and Contractor shall attempt to resolve any issues related to the anticipated termination in good faith during the notice period.

ARTICLE XIX VOID, SUSPENDED, AND TERMINATED CONTRACTS

Section 19.01 Void Contracts.

Department may void this Contract upon determination that the award was obtained fraudulently or was otherwise illegal or invalid from its inception.

Section 19.02 Effect of Void, Suspended, or Involuntarily Terminated Contract.

A Contractor who has been a party to a contract with DSHS that has been found to be void, or is suspended, or is terminated for cause is not eligible for Any renewal or increase of funding for an existing contract, or new contracts or renewals until, in the case of suspension or termination, the Department has determined that Contractor has satisfactorily resolved the issues underlying the suspension or termination. Additionally, if this Contract is found to be void, any amount paid to the Contractor is subject to recoupment by DSHS.

Section 19.03 Appeals Rights.

Pursuant to Tex. Gov. Code § 2105.302, after receiving notice from the Department of termination of a contract with DSHS funded by block grant funds, Contractor may request an administrative hearing under Tex. Gov. Code Chapter 2001.

ARTICLE XX CLOSEOUT

Section 20.01 Cessation of Services At Closeout.

Upon expiration of this Contract or Program Attachment, as applicable, (and any renewals of this Contract or Program Attachment) on its own terms, Contractor shall cease services under this Contract or Program Attachment; and shall cooperate with DSHS to the fullest extent possible upon expiration or prior to expiration, as necessary, to ensure the orderly and safe transfer of responsibilities under this Contract to DSHS or another entity designated by DSHS. Upon receiving notice of Contract or Program Attachment termination or non-renewal, Contractor shall immediately begin to effect an orderly and safe transition of recipients of services to alternative service providers, as needed. Contractor also shall completely cease providing services under this Contract or Program Attachment by the date specified in the termination or non-renewal notice. Contractor shall not bill DSHS for services performed after termination or expiration of this Contract or Program Attachment, or incur any additional expenses once this Contract or Program Attachment is terminated or has expired. Upon termination, expiration (with no renewal) or non-renewal of this Contract or a Program Attachment, Contractor shall immediately initiate Closeout activities described in this Article.

Section 20.02 Administrative Offset.

The Department has the right to administratively offset amounts owed by Contractor against billings.

Section 20.03 Deadline for Closeout.

Contractor shall submit all financial, performance, and other Closeout reports required under this Contract within forty-five (45) calendar days after the Contract or Program Attachment end date.
