

**Resolution of the City Council of the City of Corpus Christi, Texas  
authorizing the City's participation in the Texas Department of  
Transportation Federal Off-System Bridge Program.**

**WHEREAS**, the Federal Off-System Bridge Program is administered by the Texas Department of Transportation ("TXDOT") to replace or rehabilitate structurally deficient and functionally obsolete (collectively referred to as deficient bridges) located on public roads and streets off the designated state highway system; and

**WHEREAS**, the City of Corpus Christi, Texas hereinafter referred to as the "Local Government" has assumed responsibility for the local match and owns the bridges located at;

**SECTION 2.** that in receiving this waiver the Local Government acknowledges its obligation to conform with all conditions of 43 TAC Section 15.55(d); such conditions that include but are not restricted to the following:

1. The Local Government must be currently in compliance with load posting and closure regulations as defined in National Bridge Inspection Standards under US Code of Federal Regulations, Title 23, Section 650.303.
2. The equivalent-match project work increases the load capacity of the existing bridge or other mainlane cross-drainage structure or upgrades the structure to its original load capacity with a minimum upgrade to safely carry school bus loading if located on a school bus route.
3. In performing, or causing to be performed, the equivalent-match projects, the Local Government assumes all responsibilities for engineering and construction and complying with all applicable state and federal environmental regulations and permitting requirements for the structures being improved.
4. The work on the proposed equivalent-match projects has not begun and will not begin until the local match fund participation waiver approval process has been completed.
5. The Local Government will be allowed three years after the contract award of the participation waived projects to complete the structural improvement work on the equivalent-match projects.
6. Should this waiver request be approved, an appropriate written agreement or amendment to a previously executed agreement will be executed between the State and Local Government.

**SECTION 3.** that the Local Government will work with the State to develop and execute an Advance Funding Agreement on the participation-waived project, and that this resolution shall become an attachment to such Advanced Funding Agreement. The City Manager, or his designee is hereby authorized by the City Council to execute an Advance Funding Agreement, with this resolution attached, on behalf of the Local Government once terms are agreed upon.
