

Replacement of Library Public Computers

Council Presentation
12/06/2022

Library

Replacement of 50 Public Computers

- Fiscal Year 2023 Budget Enhancement
 - Replace 50 public computers \$61,750.00
- Replace public computers, over 5 years old, at 4 library branches:
 - Garcia, Harte, Hopkins and Neyland
 - DIR Purchase for a total savings of \$47,593

The library strives to bridge the digital divide by providing patrons access to the internet, replacing these computers will improve the patron experience.
