#### **CAPTION:**

Ordinance authorizing acceptance of a grant in an amount of \$48,724.61 from State of Texas, Criminal Justice Division for Violence Against Women Program with a cash match of \$14,402.72 and in-kind match of \$6,960.00; transferring \$14,402.72 from the General Fund to the Police Grants Fund; appropriating \$63,127.33 in the Police Grants Fund; and authorizing one full-time civilian employee for a Victim Case Manager.

#### **SUMMARY:**

Funding is available from the State of Texas, Criminal Justice Division, under the Violence Against Women Act (VAWA). The grant provides funds to projects with the primary mission of reducing and preventing violence against women.

#### **BACKGROUND AND FINDINGS:**

The grant continues to support the Family Violence Unit by utilizing civilians and volunteers to contact family violence victims when a written report is made by an officer. The grant provides funds for one civilian victim case manager to contact female victims who often fear retaliation and violence when the offender is released following arrest. The Case Manager provides information concerning alternatives, available services, and protective orders to avoid continued violence. The case manager serves to establish a working relationship between social agencies and the Corpus Christi Police Department to provide educational opportunities to the community through speaking engagements and the distribution of literature.

The long-term goal of the grant is to provide victims of domestic violence and other serious crimes with crisis intervention, follow up assistance, encourage cooperation with law enforcement, facilitate utilization of available resources, and assist with immediate and long-term safety needs of victims.

The State provides \$48,724.61 for the salary/benefits of one Victim Case Manager, equipment, supplies, training, and mileage. The Case Manager also coordinates volunteer hours that contribute \$6,960 in-kind contribution. The City contributes \$14,402.72 for training, travel, supplies and miscellaneous equipment as the required match. The grant period is October 1,

2021 through September 30, 2022. The City has received this grant for the past 22 years. Last year the City received \$48,211.68.

**ALTERNATIVES**
