

Resolution authorizing a one-year supply agreement with two one-year option periods with PVS DX, Inc., for the purchase of liquid chlorine in one-ton cylinders for O.N. Stevens Water Treatment Plant, in an amount of \$167,100.00, with a potential amount of \$501,300.00 if all option periods are exercised, with FY 2025 funding of \$83,550.00 from the Water Fund.

WHEREAS, liquid chlorine 1-ton cylinders is a necessary chemical for treatment of potable water;

WHEREAS, the price of liquid chlorine 1-ton cylinders is volatile in the current market;

WHEREAS, State law generally requires that procurements are subject to statutory requirements, including competitive bids, unless an exception applies;

WHEREAS, there is a statutory exception for this procurement in Local Government Code, Section 252.022(a)(2), as this purchase is necessary to preserve or protect the public health or safety of the City’s residents; and

WHEREAS, given the necessity of purchasing sufficient supplies of this chemical for the treatment of potable water, the City believes it is in the best interest of the City’s residents to enter into an agreement with PVS DX, Inc. that allows flexibility in pricing up to a maximum annual dollar amount in order to avoid any disruption in the City’s supply of this chemical necessary to preserve and protect the public health and safety of the City’s residents.

Be it resolved by the City Council of the City of Corpus Christi, Texas:

Section 1. The City Council specifically finds that the foregoing statements included in the preamble of this resolution are true and correct and adopts such findings for all intents and purposes related to the authorization of this procurement.

Section 2. The City Manager, or designee, is authorized to execute all documents necessary to secure a one-year supply agreement with two one-year option periods with PVS DX, Inc. for the purchase of liquid chlorine 1-ton cylinders in an amount of \$167,100.00, with a potential amount of \$501,300.00 if all option periods are exercised, with FY 2025 funding of \$83,550.00 from the Water Fund.
