Re: Corpus Christi International Airport
Taxiway K Construction – Project No E16451
Recommendation of Award

Dear Mr. Edmonds:

Bids were received for the "Taxiway K Construction" project at City Hall at 2:00 p.m. (local time) on February 1, 2017. The bids have been checked for accuracy and for compliance with the contract documents. A tabulation of the bids received is enclosed with this letter.

There were two Base Bids as part of this project – Base Bid I was a concrete option and Base Bid II was an asphalt option. A total of 3 bids were received. SpawGlass Civil Construction, Inc. submitted the low bid for the project in the amount of \$2,203,523.71 for Base Bid I and did not submit a bid on Base Bid II. The contract documents did not require submitting both Base Bids. The Engineer's Opinion of Probable Cost was \$1,893,000.00 for Base Bid I and \$1,887,000.00 for Base Bid II. The bid submitted by Mahan Foundation & Contractors, LLC was deemed non-responsive by the City.

We believe that the bid for Base Bid I, submitted by SpawGlass Civil Construction, Inc., represents a good value for the Corpus Christi International Airport. Contingent upon funding approved by the Federal Aviation Administration, we recommend that the construction contract for the "Taxiway K Construction" project be awarded to SpawGlass Civil Construction, LLC.

Please call me if you have any questions.

Sincerely,

GARVER, LLC

Josh Crawford, P.E.
Project Manager
