

# AIRPORT CONFERENCES UPDATE

## American Airlines

Met with: **Dylan Stern**, Manager of Northeast hubs and **Humza Geoffrey**, Manager of West hubs

Discussed: Upgauging aircraft, DFW, PHX

Feedback: DFW is doing well. Possible upgauging in the future, as we are hitting all of the DFW banks.

*\*Follow-up sent*

## Breeze

Met with: **Peter Nielson**, Analyst, Government & Airport Affairs

Discussed: LAS & MCO

Feedback: Interested in a potential MCO - CRP – LAS route.

Similar to existing TPA – GPT – LAS done Mon/Fri.

Requested presentation, leakage data, and SCASDP info.

*\*Follow-up in progress*

## Southwest

Met with: **Michael Beck**, Sr. Business Consultant and **Catherine Rylee**, Analyst

Discussed: CRP & HOU reduced capacity impacts, opportunity for DEN or LAS connectivity

Feedback: SWA is monitoring the reduction in capacity. Load factors are up.

*\*Follow-up sent*

*\*Had additional meeting with Network Planning*

Met with: **Sarah Richardson**, Manager, Airport Affairs and **Bill Roswell**, Regional Manager, Airport Affairs

Discussed: LAS & MCO

Feedback: Wanted information on rates and charges, as well as Air Service Incentive Program (ASIP)

*\*Follow-up in progress*

Met with: **Matthew Falkler**, Team Leader – Network Planning

Discussed: AUS

Feedback: Showed some interested. Requested presentation, leakage, drive data, & ASIP.

*\*Follow-up in progress*

Met with: **Austin Mayer**, Director, Airline & Airport Relations

Discussed: Intra Texas Route, Looking at AUS, SAT, BRO, LRD

Feedback: Interested in pursuing an intra-Texas route
