Re: Proposed Increase in Court Fees – Al Kruse and HEB Tennis Centers

Dear City of Corpus Christi Officials:

On behalf of the Corpus Christi Tennis Association, we would like to formally express our support for the proposed increase in court fees at the HEB Tennis and Al Kruse Tennis Centers, specifically including the proposed increase from (\$3.00) to (\$4.00) per player for each (1.5) hour session.

It has been a considerable amount of time since the last fee adjustment, and we recognize the importance of periodically reviewing and updating user fees to ensure the continued maintenance, improvement, and sustainability of our public tennis facilities. Quality courts and well-maintained amenities are essential to providing a positive experience for residents and visitors alike.

Even with the proposed increase, the (\$4.00) fee remains below the prevailing market rate for court fees at comparable public tennis facilities throughout Texas. We believe this modest adjustment is both reasonable and necessary to help the City offset operational costs while still keeping tennis accessible and affordable for our community.

The Corpus Christi Tennis Association appreciates the City's ongoing commitment to supporting tennis in our community and maintaining facilities that serve players of all ages and skill levels. We look forward to continuing our partnership in promoting and growing the sport locally.

Please feel free to contact us if we can provide any additional information or support.

Respectfully,

CORPUS CHRISTI TENNIS ASSOCIATION
