Do you currently serve on any other City board, commission or committee at this time? If so, please list:

No.

Education, Professional and/or Community Activity (Present)

I have a Bachelors Degree from Texas State University. I have been a commercial banker in the community for 14 years, 12 of which have been with Prosperity Bank. I am the Banking Center President of our Parkdale Plaza location, and work with clients from all over the Coastal Bend including North Padre Island. My husband and I also own Academic Outfitters of Corpus Christi, the only school uniform store in the Coastal Bend. I am on the Board of Education to Employment Partners, and am involved at Sea Sea Shore Middle Academy where my son attends school.

Why are you interested in serving on a City board, commission or committee?

I am looking to get involved with the City specifically with Island Strategic Action Committee as my family moved to the Island 1.5 years ago. My sons attend school in the district now and we are property owners in the middle of the new Whitecap Development. I have experience in management, strategic planning, and residential and commercial real estate development. My husband is a Realtor, and I am a lender providing residential and commercial development loans to high quality borrowers in the Coastal Bend. I am pro-development and excited about the projects happening on the Island. My personal and business development's future is focused on the Island, and I would like to invest my time, energy, and professional expertise to this committee to ensure a well thought out plan for our growing community's future
