Corpus Christi, TX 78401

Dear Mr. Culbertson:

LiftFund, Inc. respectfully requests a renewal of the Type A agreement from the Corpus Christi Business and Job Development Corporation to continue the City of Corpus Christi Buy Down Program.

We appreciate the opportunity to partner with you again and provide critical funding for Corpus Christi small business owners. The \$250,000 provided for the City of Corpus Christi Buy Down from October 1, 2017 through September 6, 2018 allowed LiftFund to provide 19 low-interest loans for a total of \$360,643.21 in the City of Corpus Christi, to date. We are on course to provide an additional five loans for a total of \$175,000 by September 30, 2018.

The reauthorization request of \$250,000.00 will fund the program from October 1, 2018, through September 30, 2019 and will make a significant and meaningful impact on our work and the lives of small business owners in Corpus Christi.

Best Regards,
