Execute an amendment to the Radio Communications System Interlocal Agreement

CAPTION:

Resolution authorizing execution of an amendment to Radio Communications System Interlocal Agreement between City of Corpus Christi, Regional Transportation Authority and Nueces County to include Port of Corpus Christi Authority as a participant.

PURPOSE:

The existing interlocal agreement must be modified to include the Port of Corpus Christi.

BACKGROUND AND FINDINGS:

The original agreement with PCCA was approved December 2014. At that time the City/County/RTA agreed to allow PCCA to participate in the radio system free of charge. In return PCCA provided radio/microwave equipment for incorporation into the radio system in lieu of compensating radio system user fees. The term of the agreement was for 14 years after which PCCA donated the equipment to the radio system.

Through this agreement PCCA will pay the City:

1. System annual service fees of \$124.08 per radio per year
2. System monthly maintenance fees of \$14.99 per control unit, \$5.63 per mobile unit, and \$5.63 per portable unit.

The City will bill PCCA quarterly as with other users of the system.

PCCA approved the agreement on March 6, 2019. Nueces County will consider on March 13, 2019.
