Subject: La Volla Creek Drainage Channel Excavation - Phase 1
City Project No.: E10200

Dear Jeff:

Urban Engineering has received copies of, and reviewed all of the bids submitted for the subject project. We have also received and reviewed the information required in the Statement of Experience submitted by the three low bidders. We have found the bid packages and experience records submitted to be satisfactory. Attached please find a Bid Tabulation and copies of the Statement of Experience for each of two low bidders which submitted experience records.

It is the recommendation of Urban Engineering that Base Bid Phase 1 be awarded to Haas-Anderson Construction for a contract total of \$1,256,389.00.

Sincerely,
URBAN ENGINEERING
