

Resolution authorizing a three-year service agreement with PCI, LLC, for maintenance and support services of myRevenueCollector, a cashiering software used with Infor Billing and Financial systems, in an amount not to exceed \$62,132.67, with first-year funding in the amount of \$20,101.81 available in the Info Tech Fund.

WHEREAS, PCI, LLC will provide maintenance and support for myRevenueCollector software to the City;

WHEREAS, these services, are critical for processing payments with Infor and Financial systems in tandem with Central Cashiering cash registers;

WHEREAS, State law provides that such procurements, as outlined above, are subject to statutory procurement requirements, including competitive bids, unless an exception applies;

WHEREAS, there are two statutory exceptions for this procurement in Local Government Code, Section 252.022(a) (2) and (a) (7) (A), as this purchase is necessary to preserve or protect the public health and safety of the municipality's residents and this item is available from only one source because of patents, copyrights, secret processes, or natural monopolies.

Be it resolved by the City Council of the City of Corpus Christi, Texas:

Section 1. The City Council specifically finds that the foregoing statements included in the preamble of this resolution are true and correct and adopts such findings for all intents and purposes related to the authorization of this procurement.

Section 2. The City Manager, or designee, is authorized to execute all documents necessary to secure a three-year service agreement with PCI, LLC, as a sole source service agreement for maintenance and support for myRevenueCollector software, for a total amount not to exceed \$62,132.67, and funded through the Tech Fund.
