City of Corpus Christi  
P.O. Box 9277  
Corpus Christi, TX 78469-9277

Dear Friends in Corpus Christi:

At Recyclebank, we're thrilled to be providing rewards for green actions—like recycling—to residents all around Corpus Christi! We want to congratulate the city and all Corpus residents on your tremendous success over the past year, since introducing single-stream recycling and Recyclebank into your community. In that short amount of time, you have recycled more than 24 million pounds—an incredible increase from 2011 and the equivalent weight of the U.S.S. Lexington aircraft carrier!

We have some exciting news to help celebrate this achievement! Ziploc®, which has teamed up with Recyclebank and the City of Corpus Christi to support recycling rewards in the city, has donated a playground (including installation) to the City made of 99 percent-recycled plastic from Earthscapes. The new Earthscapes playground, to be installed this spring, is composed of recycled structural plastic lumber made from reclaimed post-consumer plastic products like milk jugs and other beverage containers, plastic cartons and bags. Earthscapes is committed to building quality playground equipment that puts the safety of children first, but never forgets what it means to play and make a difference for the environment.

The new Earthscapes playground, which will be located at HEB Park (1501 Shely; Corpus Christi, TX 78404), is set to be open on May 19<sup>th</sup>, 2012, following a ribbon cutting event. Images of the Earthscapes playground and warranty information can be found attached.

Installation of the playground will be completed by Noah's pARK & Playgrounds, LLC (proof of insurance attached) in collaboration with the City of Corpus Christi's Parks & Recreation Department and Solid Waste Operations. The installation will be coordinated on a mutually agreed upon timeline.

On behalf of Recyclebank, Ziploc® and everyone who cares about a greener future, we applaud Corpus Christi on your past and ongoing success, and we hope your residents young and old will enjoy the sustainable playground from Ziploc® and all the success that it represents!

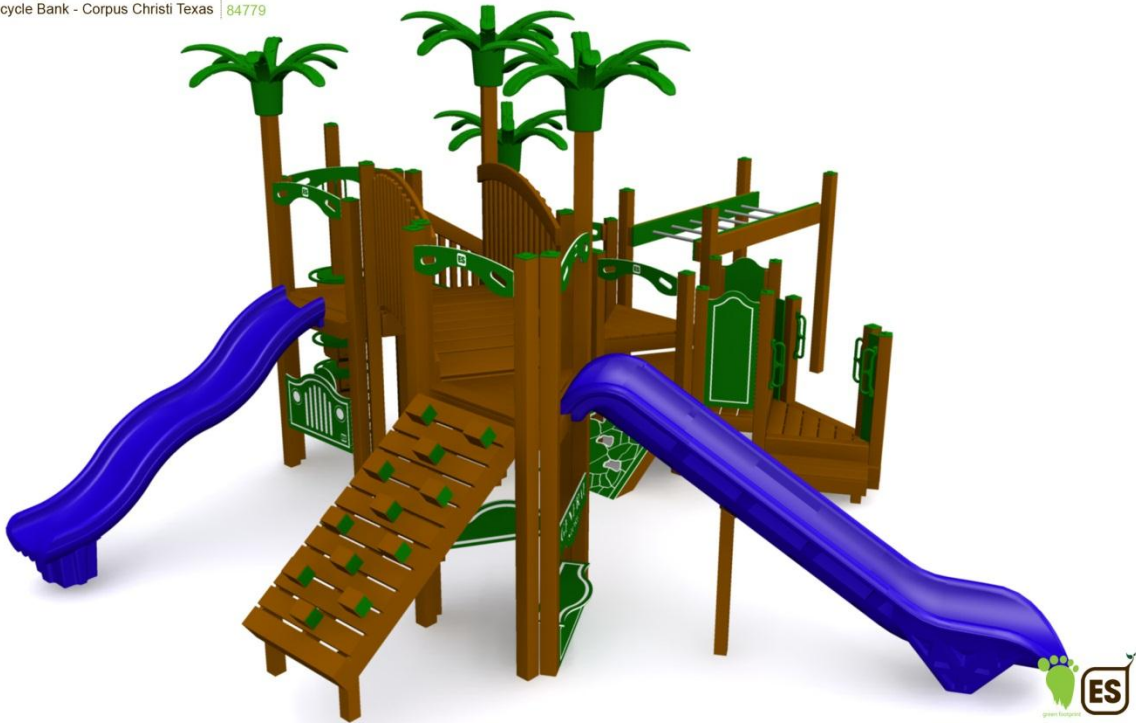

Sincerely,

Your friends at Recyclebank & Ziploc®

# Warranty Information

Universal-Kidz Zone Playsystems, Inc. and Earthscapes Structures, warrants that the equipment sold will conform in kind and quality to the specifications listed in the Order Acknowledgement and will be free of defects in the workmanship or materials. The listed above further warrant:

- **Lifetime Warranty** on all Earthscapes Structures 5" x 5" recycled post caps, posts, and stainless steel hardware against failure due to rust-through corrosion, deterioration, insect infestation, exposure to weather, or workmanship
- **Limited 10 Year Warranty** on all polyethylene components against structural failure due to deterioration defects in materials, or workmanship. This warranty excludes cosmetic issues.
- **Limited 2 Year Warranty** for structural failure of moving parts, swing seats, and any other product or part not covered by one of the above warranties. This warranty covers rust-through corrosion, exposure to UV rays, defects in materials and workmanship.

The above warranties do not cover scratches, dents, marring, fading of colors and discoloration due to weathering, and are valid if the structures are erected in conformity with the layout plan and/or installation instructions furnished by the seller; have been maintained and inspected in accordance with the Seller's instructions and other normal and prudent practices; have been subjected to normal use for the purpose for which the goods were designed; have not been subjected to addition or substitution of parts; and have not been modified, altered, or repaired by persons other than the Seller's designees in any respect which, in the judgment of the Seller, affects the condition or operation of the structures.

All warranties commence on the Seller's invoice.

Should any failure to conform to the above express warranties appear within the applicable warranty period, Seller shall, upon being notified in writing promptly after the discovery of the defect and within the applicable warranty period, correct such non-conformity by issuing new parts. Replacement parts will be warranted for the remainder of the original warranty.

To make a claim, send your written statement of claim along with digital photos and original invoice number to:
