Staff Summary:

Requested Zoning: The applicant is requesting a rezoning from the “RS-6” Single-Family 6 District and “FR” Farm Rural District to the “RS-4.5” Single-Family 4.5 District.

Development Plan: The proposed rezoning is to allow construction of Phase 1 of Riverbend Subdivision consisting of 103 residential lots. Riverbend Subdivision is planned for a total of 594 lots. Some of the subdivision is planned for cluster housing. The recently approved preliminary plat for the Riverbend subdivision is attached for reference.

Existing Land Uses & Zoning: The property to the north of the subject property is zoned “FR” Farm Rural, “RS-4.5” Single-Family 4.5 and “RM-2” Multifamily 2 Districts. The land to the north is primarily vacant except for two single-family dwellings in the “FR” Farm Rural and “RS-4.5” Single-Family 4.5 Districts. The property to the south is zoned “FR” Farm Rural and is vacant. The property to the east is zoned “RE” Residential Estate and “FR” Farm Rural Districts. Most of the property is vacant with one single-family dwelling and a commercial use in the “FR” Farm Rural District. The property to the west is zoned “FR” Farm Rural District and is vacant.

AICUZ: The subject property is not located in one of the Navy’s Air Installation Compatibility Use Zones (AICUZ).

Plat Status: The subject property is in the process of being platted.

Comprehensive Plan & Area Development Plan Consistency: The subject property is located within the boundaries of the Southside Area Development Plan (ADP) and the rezoning to “RS-4.5” Single-Family 4.5 District is consistent with elements of the Southside ADP and the adopted Future Land Use Map’s designation of the property as

a low density residential use. The proposed rezoning if approved will further various policies of the Comprehensive Plan including but not limited to the following:

- Comprehensive Plan Policy Statements:
 - o New development should occur in a pattern which is cost effective. The City should encourage new development where services can be provided economically and, wherever possible, promote contiguous development.
 - o Encouraging infill development on vacant tracts within developed areas (Comprehensive Plan, Residential Policy Statement F).

Department Comments:

- The requested rezoning to the “RS-4.5” Single-Family 4.5 District furthers various policies and goals of the Comprehensive Plan and the Southside Area Development Plan pertaining to residential development and infill development.
- The subject property is suited for the proposed uses allowed by the “RS-4.5” Single-Family 4.5 District, i.e. low density residential uses.
- The “RS-4.5” Single-Family 4.5 District is compatible with the present zoning and conforming uses of nearby property and to the character of the surrounding area.
- The Zoning Map amendment will not have a negative impact upon the surrounding neighborhood.

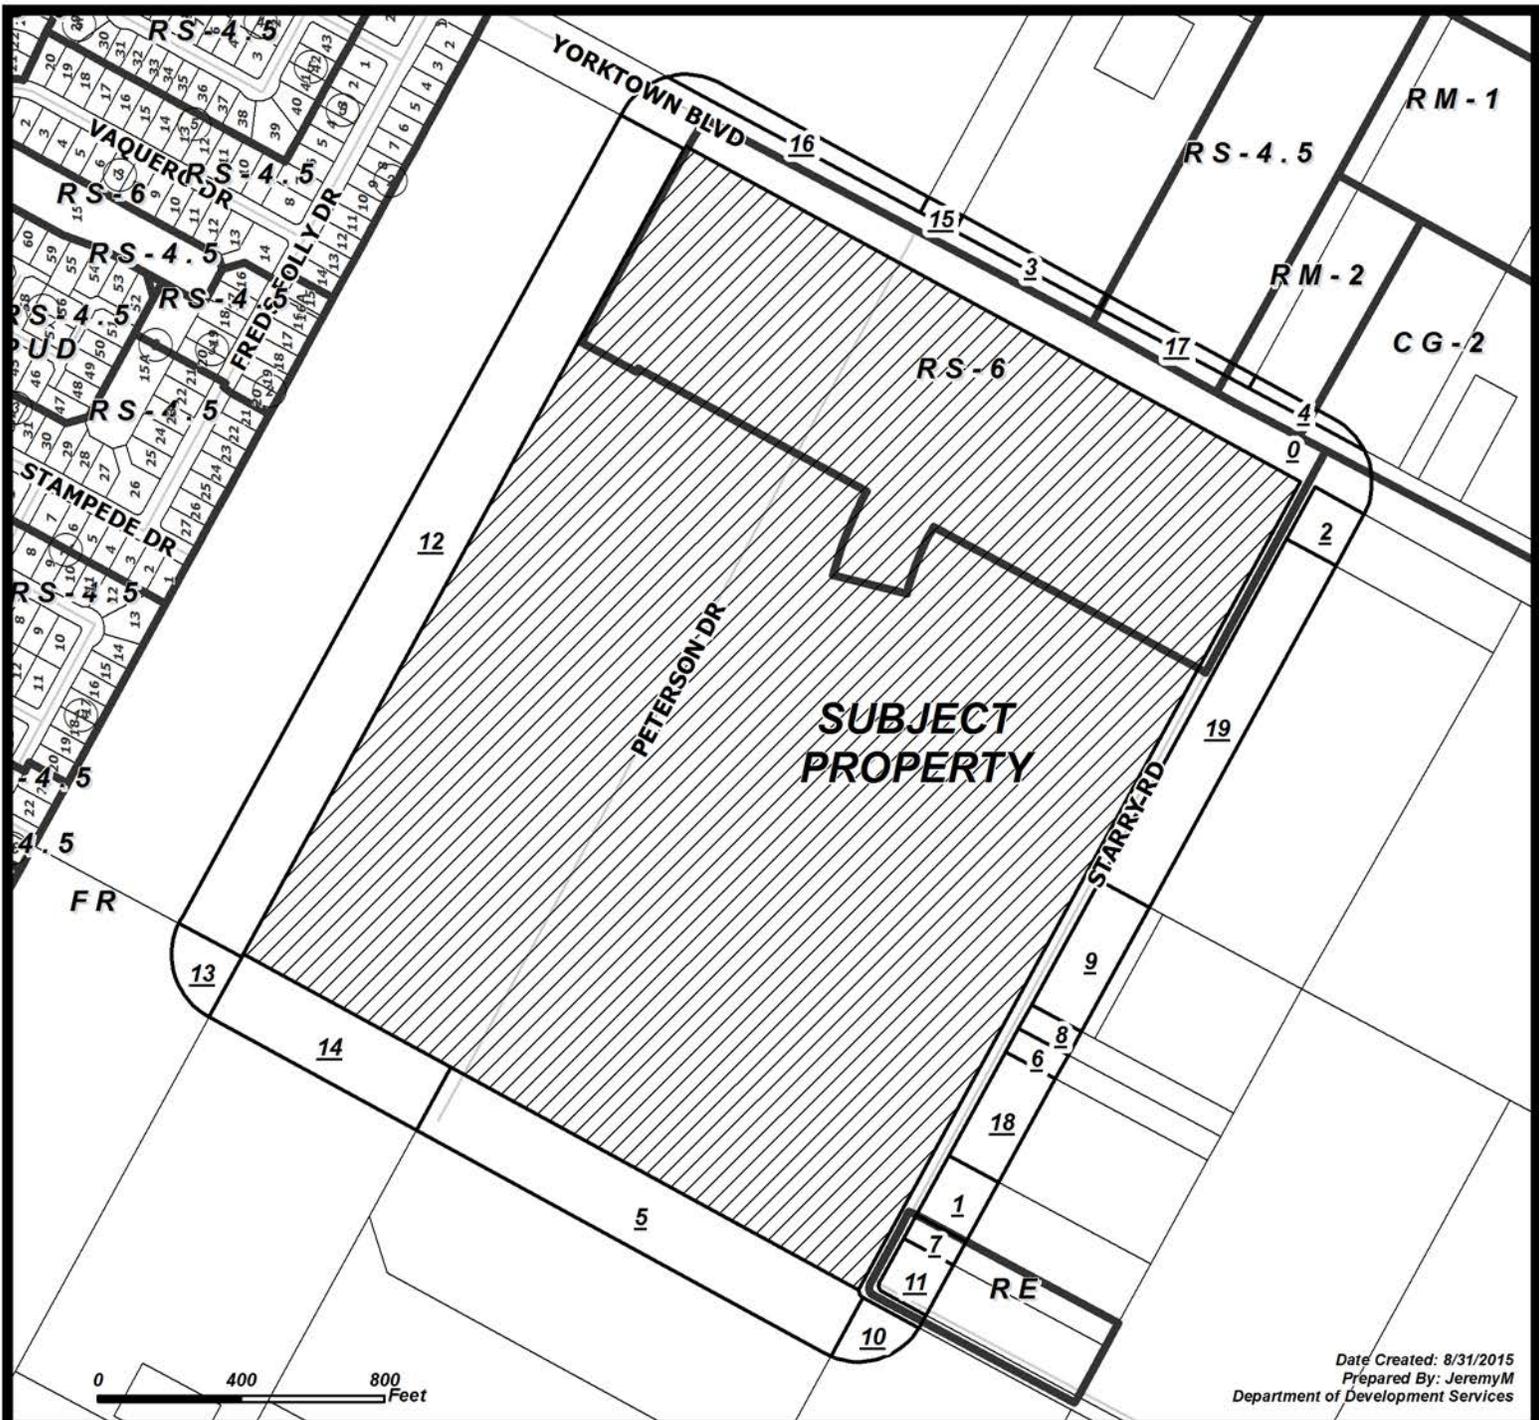

Planning Commission and Staff Recommendation:

Approval of the rezoning to the “RS-4.5” Single-Family 4.5 District.
