

ONSWTP Fluoride System Improvements

Council Presentation
September 3, 2024

Project Location

**ONSWTP FLUORIDE SYSTEM
IMPROVEMENTS**

CITY COUNCIL EXHIBIT
CITY OF CORPUS CHRISTI, TEXAS
DEPARTMENT OF ENGINEERING SERVICES

Project Scope

This project will consist of:

- Upgrade the Fluoride system at ONSWTP. The system components to be upgraded are all the existing mechanical, structural, plumbing, HVAC, electrical, and instrumentation utilized in the feed process for hydrofluorosilicic acid. The design will also focus on ensuring functional operation, efficient maintenance, and safe operation.

Project Schedule

2024 – 2025		2025 - 2026		2026 – 2027	
October – October		November – February		March – October	
Design		Bid/Award		Construction	

Project schedule reflects City Council award in September 2024 with anticipated design completion by October 2025 and construction anticipated to start in March 2026 with an estimated construction completion of October 2027.
