Why are you interested in serving on a City board, commission or committee?

There are three compelling reasons why I am interested in serving on the Corpus Christi Regional Economic Development Corporation Board. First, I feel a sense of loyalty and commitment to this community. Corpus Christi has embraced me and my family in every way. I am very fortunate to live in a community that affords me new business opportunities every day as well as provide a welcoming environment for my entire family. While many people expected me to live and work in a larger urban areas, such as Dallas or Houston, it is the future of Corpus Christi that encouraged me to make this city my home and raised my interest in serving on the Board. Second, as an investor in the Corpus Christi Regional Economic Development Corporation, I have had the privilege of witnessing the success the organization has achieved due to a visionary governing board, a dedicated staff, committed government partners and a local economy rich in resources and unlimited potential. To work with such an esteemed organization in our economic environment would be an honor for and I would dedicate myself to its mission every day. And finally, the success of the Economic Development Corporation is a compendium of the qualified of the leadership in our community. Every facet of leadership in Corpus Christi, from business, government education, non-profits and other stake holders is engaged and are asked to commit to making our community strong economically. It is my belief and confidence in this unique gathering of leadership that compels me to submit my application for a seat on the board of the Corpus Christi Regional Economic Development Corporation. I truly appreciate your consideration of this application.

Then we got a few posed and natural / candid shots of the two of them against some 200 year old doors and a 60 year old hut with the Texas flag painted on the side.
