

**CITY OF CORPUS CHRISTI
CITY SECRETARY'S OFFICE
COUNCIL ACTION REQUEST**

TO: Rebecca Huerta, City Secretary

FROM: Council Member Kaylynn Paxson, Dist. 4
Council Member Eric Cantu, Dist. 3
Council Member Gil Hernandez, Dist. 5

RECEIVED
FEB 11 2026
CITY SECRETARY'S OFFICE

COPIES TO: Mayor & Council
Peter Zanoni, City Manager
Miles Risley, City Attorney

SUBJECT: Motion to Discuss and act on expanding the purpose and actions of the conservation plan committee.

Motion to Discuss and act on expanding the purpose and actions of the conservation plan committee to include evaluation and recommendations for standards pertaining technology and measures that increase fresh water conservation efforts for our various rate category users. Also to work with staff to assess system water loss actual amounts and develop a plan to reduce or eliminate that loss. Also to work with staff to develop recommendations for drought or water supply issue related curtailment measures appropriate for the various rate category users during restricted periods.

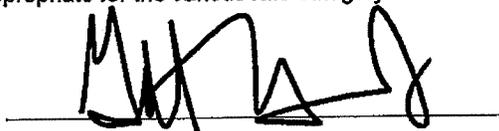

ACTION REQUEST:

Per Council Policy 16.d., we are requesting that the following item be placed on the February 17, 2026, City Council agenda for discussion and possible action:

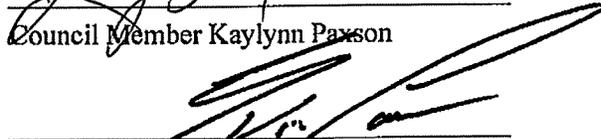

Motion to Discuss and act on expanding the purpose and actions of the conservation plan committee to include evaluation and recommendations for standards pertaining technology and measures that increase fresh water conservation efforts for our various rate category users. Also to work with staff to assess system water loss actual amounts and develop a plan to reduce or eliminate that loss. Also to work with staff to develop recommendations for drought or water supply issue related curtailment measures appropriate for the various rate category users during restricted periods.

Council Member Kaylynn Paxson

Council Member Gil Hernandez

Council Member Eric Cantu
