Staff Summary:

Requested Zoning: The applicant is requesting a rezoning from the "RS-6/SP" Single-Family 6 District with a Special Permit to the "CN-1" Neighborhood Commercial District to allow multifamily and commercial uses.

Development Plan: The subject property is comprised of 7.05 acres and is proposed to be multifamily and commercial uses. According to the applicant, "The subject property is located along the east side of Weber Rd., situated between McArdle and Gollihar Roads. This site was known as the Physicians & Surgeons Hospital at 4626 Weber Rd., a designated arterial. The approved 1980 replat indicates that 9.22 acres of the property to be the site of an old sanitary landfill, which has been closed. Tract 1 abuts the east right-of-way line of Weber Road, a designated arterial. The subject property includes the former hospital buildings which are in part now occupied by offices, an adult day care center, a food catering service, and a considerable amount of vacant buildings. Based on Nueces County Tax Appraisal District records there is approximately 41,500 sf of building area and 82,000 sf of paved area that extends generally northeast to the proposed zoning line of Tract 2. It is the owner's intention to provide long term housing to accommodate the influx of workers needed for the new Harbor Bridge construction."

Existing Land Uses & Zoning: The subject property is zoned "RS-6/SP" Single-Family 6 District with a Special Permit. The subject property is currently the site of the former P&S Hospital. The building has been converted to serve various professional office uses and a catering business. To the north are single-family residences zoned "RS-6" Single-Family 6 District. Further to the north at the intersection of Weber Road and Gollihar Road are commercial uses and are zoned "CN-1" Neighborhood Commercial. The commercial uses include restaurants, a car wash, and a convenience store with fuel sales. To the south, east, and west are single-family residences zoned "RS-6" Single-Family 6 District.

AICUZ: The subject property is not located in one of the Navy's Air Installation Compatibility Use Zones (AICUZ).

Plat Status: The property is platted.

PlanCC & Area Development Plan Consistency: The subject property is located within the boundaries of the Southeast Area Development Plan (ADP). The proposed rezoning to the "CN-1" Neighborhood Commercial District is consistent with the adopted Southeast ADP. The proposed rezoning is consistent with the following policies of the Comprehensive Plan:

- Encourage the protection and enhancement of residential neighborhoods (Future Land Use, Zoning, and Urban Design Policy Statement 1).
- Promote a balanced mix of land uses to accommodate continuous growth and promote the proper location of land uses based on compatibility, locational needs, and characteristics of each use (Future Land Use, Zoning, and Urban Design Policy Statement 1).
- Support the separation of high-volume traffic from residential areas or other noise-sensitive land uses (Future Land Use, Zoning, and Urban Design Policy Statement 3).
- The specific goal of the Southeast Area Development Plan is to protect the predominantly stable residential neighborhoods and to promote the efficient development of underutilized and remaining vacant land in the Area (Southeast ADP Goals and Objectives).
- Lighting from non-residential uses should be directed away from residential areas (Policy Statement B.2.a).
- Noise impacts from non-residential uses should be reduced by creating a buffer open space between the two areas. Such spaces may be landscaped areas, a street, a screening fence, larger setbacks, etc. These methods can be used singularly but are usually most effective when applied in combination to provide the desired effect (Policy Statement B.2.b).
- Placing low intensity activities next to single family uses (Policy Statement B.2.c).

Department Comments:

- The proposed rezoning is compatible with PlanCC and the Southeast Area Development Plan. The proposed rezoning is compatible with neighboring properties and with the general character of the surrounding area.
- The site is currently zoned with a Special Permit (SP) granted in 1980. The SP allows the operation of offices, medical, and health facilities.
- The “CN-1” Neighborhood Commercial District does open the possibility of more intense commercial uses adjacent to single-family residences. Examples of uses allowed in the “CN-1” District are: Multifamily Residential, Offices, and Retail Businesses. Bars, Pubs, and Taverns are prohibited in the “CN-1” District.
- According to the owner, there will be no expansion to the building. The only construction will be remodeling to prepare two wings of the building for the proposed multifamily use.
- Approximately 330 feet to the north are other properties zoned “CN-1” Neighborhood Commercial District located at the intersection of Gollihar and McArdle Roads.
- Based on information from the Nueces County Appraisal District, the hospital building has existed since 1979. Prior to hospital use, the site was vacant and an adjacent portion of property is a former landfill.
- The adjacent single-family homes to the north and south are buffered by at least 40 feet of drive aisles surrounding the former hospital building and a six foot masonry wall in good condition.
- The former landfill on the adjacent property will not be disturbed in any manner.
- Staff is recommending a Special Permit with conditions that protect the integrity of the surrounding single-family neighborhood. The proposed conditions will only allow

the uses of retail, professional offices, restaurants, and a set number of ninety-one (91) multifamily units.

Planning Commission and Staff Recommendation (May 17, 2017):

Denial of the change of zoning from “RS-6/SP” Single-Family 6 District with a Special Permit to the “CN-1” Neighborhood Commercial District, in lieu thereof approval of the “RS-6/SP” Single-Family 6 District with a Special Permit with the following conditions:

1. **Uses:** The only uses allowed on the Property other than uses permitted in the base zoning district are retail, professional offices, restaurants, and ninety-one (91) multifamily units.
2. **Building:** No expansion of the building shall be allowed for the purposes of multifamily uses.
3. **Lighting:** All security lighting must be shielded and directed away from abutting residences and nearby streets. Cut-off shields are required for all lighting. No light projection is permitted beyond the property line near all public roadways and residential development.
4. **Buffer Area:** The buffer area is defined as the area between the existing building and the single-family residences with a masonry wall to the north and south of the property. The existing separation between the building and six (6) foot masonry wall shall be maintained. No expansion of the building into this area shall be allowed. The property owner shall maintain and keep the existing six (6) foot masonry wall in good condition. No parking shall be allowed in the buffer area.
5. **Dumpsters:** Dumpsters shall not be located in the buffer area as described in Condition #4.
6. **Signage:** All existing signs along Weber Road will be allowed to remain. No additional signage for the purposes of advertisement shall be allowed.
7. **Other Requirements:** The Special Permit conditions listed herein do not preclude compliance with other applicable UDC, and Building and Fire Code Requirements.
8. **Time Limit:** In accordance with the UDC, this Special Permit shall be deemed to have expired within twelve (12) months of this ordinance, unless a complete building permit application has been submitted, and the Special Permit shall expire if the allowed use is discontinued for more than six consecutive months.

**CITY PLANNING COMMISSION
PUBLIC HEARING NOTICE
Rezoning Case No. 0317-07**

Mohammed Motaghi has petitioned the City of Corpus Christi to consider a change of zoning from the **"RS-6/SP" Single-Family 6 District with a Special Permit to the "CN-1" Neighborhood Commercial District, resulting in a change to the Future Land Use Map.** The property to be rezoned is described as:

A 7.05 acre tract of land out of the replat of the Edwin E. Connor Tract, as recorded in Volume 40, Page 95, of the map records of Nueces County, Texas, located along the east side of Weber Road, south of Gollihar Road, and north of McArdle Road.

The Planning Commission may recommend to City Council approval or denial, or approval of an intermediate zoning classification and/or Special Permit. Approval of a change of zoning, if inconsistent with the City's Comprehensive Plan, will also have the effect of amending the Comprehensive Plan to reflect the approved zoning.

The Planning Commission will conduct a public hearing for this rezoning request to discuss and formulate a recommendation to the City Council. The public hearing will be held on **Wednesday, May 17, 2017**, during one of the Planning Commission's regular meetings, which begins at **5:30 p.m.** in the City Council Chambers, 1201 Leopard Street. You are invited to attend this public hearing to express your views on this rezoning request. For more information, please call (361) 826-3240.

TO BE ON RECORD, THIS FORM MUST BE FILLED OUT, SIGNED BY THE CURRENT PROPERTY OWNER(S) AND MAILED IN ITS ENTIRETY TO THE DEVELOPMENT SERVICES DEPARTMENT, P. O. BOX 9277, CORPUS CHRISTI, TEXAS 78469-9277. ANY INFORMATION PROVIDED BELOW BECOMES PUBLIC RECORD.

NOTE: In accordance with the Planning Commission By-Laws, no discussion shall be held by a member or members of this Commission with an applicant or appellant concerning an application or appeal, either at home or office, or in person, by telephone call or by letter.
