Platting  
Development Services Department  
City of Corpus Christi  
2406 Leopard St, Suite 100  
Corpus Christi, Texas 78408

Subject: Padre Island, Section E, Block 2, Lot 19R

To Whom it May Concern:

The Owner/Developer platting the subject property would like to request a waiver for the required sidewalk construction. The reason for the request is the absence of sidewalk at adjacent developed lots as well as in the general area.

Please contact me with any questions or concerns you may have.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Michael C. York', is written over a faint, light blue rectangular stamp.
