2050 Metropolitan Transportation Plan

The Corpus Christi Metropolitan Planning Organization (Corpus Christi MPO) invites the public to participate in a series of public meetings regarding the 2050 Metropolitan Transportation Plan (MTP), a comprehensive blueprint for the region's transportation future.

The 2050 MTP, updated every 5 years, will steer transportation investments and enhancements in the Corpus Christi region for the next 25 years. To ensure that our plan aligns with the needs and priorities of our vibrant community, we are embarking on extensive public outreach initiatives throughout 2024.

Project Updates and Public Involvement (New)

The purpose of public involvement is to share project information, present project updates, and gather public input. The Corpus Christi MPO is committed to working closely with the public on this process.

RSAP – 32 Proposed Projects

Exhibit 31 - Map of Project Locations

RSAP – Specific Improvement Projects

Along with the development of this action plan, a project list has been developed to address critical safety needs that is shaped by data, implements proven safety countermeasures with quantifiable crash reduction factors, and considers equity and community input. The initial 20 locations may include multiple projects that would address the nature and magnitude of the safety problem followed by development of countermeasures and benefit/cost analysis of proposed improvements.
