

**Ordinance authorizing execution of all documents with American Electric Power, Texas (AEP), associated with the construction of the Inner Harbor Seawater Desalination Treatment Plant Interconnection Project in the amount of \$3,062,880.00 and conveyance of property rights and/or modifications of existing contracts for the purchase of real property to transfer interest(s) in property as required by AEP or its authorized related entities for the construction of said project, located in Council District 1.**

**WHEREAS**, there is a statutory exception for this procurement in Local Government Code, Section 252.022 (2) (7) (C), items that are available from only one source, including gas, water and other utility services.

**Now, therefore, be it ordained by the City Council of the City of Corpus Christi, Texas:**

**SECTION 1.** The City Council specifically finds that the foregoing statements included in the preamble of this ordinance are true and correct and adopts such findings for all intents and purposes related to the authorization of this procurement.

**SECTION 2.** The City Manager or designee is authorized to execute all documents with American Electric Power, Texas (AEP), associated with the construction of the Inner Harbor Seawater Desalination Treatment Plant Interconnection Project in the amount of \$3,062,880.00.

**SECTION 3.** The City Manager or designee is authorized to convey property rights and/or modify existing contracts for the purchase of real property to transfer interest(s) in property as required by AEP or its authorized related entities for the construction of said project.
